This INDENTURE, dated as of May 25, 2022 (the "Closing Date"), among Logan CLO III, Ltd., an exempted company incorporated with limited liability under the laws of the Cayman Islands (the "Issuer"), Logan CLO III, LLC, a Delaware limited liability company (the "Co-Issuer" and, together with the Issuer, the "Co-Issuers"), and U.S. Bank Trust Company, National Association, as trustee (herein, together with its permitted successors in the trusts hereunder, the "Trustee").

PRELIMINARY STATEMENT

The Co-Issuers are duly authorized to execute and deliver this Indenture to provide for the Notes issuable as provided in this Indenture. Except as otherwise provided herein, all covenants and agreements made by the Co-Issuers herein are for the benefit and security of the Holders of the Secured Notes, the Trustee (in each of its capacities), the Administrator, the Collateral Administrator, the Custodian, the Portfolio Manager and each Hedge Counterparty (collectively the "Secured Parties"). The Co-Issuers are entering into this Indenture, and the Trustee is accepting the trusts created hereby, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

All things necessary to make this Indenture a valid agreement of the Co-Issuers in accordance with the agreement's terms have been done.

GRANTING CLAUSE

I. The Issuer hereby Grants to the Trustee, for the benefit and security of the Secured Parties, all of its right, title and interest in, to and under, in each case, whether now owned or existing, or hereafter acquired or arising, all securities, loans and investments and, in each case as defined in the UCC, accounts, chattel paper, commercial tort claims, deposit accounts, documents, financial assets, general intangibles, goods, instruments, investment property, letter-of-credit rights and other property of any type or nature in which the Issuer has an interest, including all proceeds (as defined in the UCC) with respect to the foregoing (subject to the exclusions noted below, the "Assets" or the "Collateral"). Such Grants include, but are not limited to, the Issuer's interest in and rights under:

(a) the Collateral Obligations, Equity Securities, Restructured Obligations, Specified Equity Securities and Workout Instruments;

(b) each Account subject, in the case of each Hedge Counterparty Collateral Account, to the terms of the applicable Hedge Agreement and any Eligible Investments purchased with funds on deposit therein, and all income from the investment of funds therein;

(c) the equity interest in any Issuer Subsidiary and all payments and rights thereunder;

(d) each of the Transaction Documents to which it is a party;

(e) all Cash; and

(f) all proceeds with respect to the foregoing.

Such Grant and the term "Assets" shall not include (a) the U.S.\$250 transaction fee paid to the Issuer in consideration of the issuance of the Notes, (b) the U.S.\$250 attributable to the issuance and allotment of the Issuer's ordinary shares, (c) any account in the Cayman Islands maintained in respect of the funds referred to in clauses (a) and (b) above (and any amounts credited thereto or any interest thereon) and (d) the membership interests of the Co-Issuer (the assets referred to in (a) through (d), collectively, the "Excepted Property").

The above Grant is made in trust to secure the Secured Notes and the Issuer's obligations to the Secured Parties under this Indenture and each other Transaction Document. Except as set forth in the Priority of Distributions and Article XIII of this Indenture, the Secured Notes are secured equally and ratably without prejudice, priority or distinction between any Secured Note and any other Secured Note by reason of difference in time of issuance or otherwise, except as expressly provided in this Indenture. The above Grant is made to secure, in accordance with the priorities set forth in the Priority of Distributions, (i) the payment of all amounts due on the Secured Notes in accordance with their terms, (ii) the payment of all other sums payable under this Indenture and all amounts payable under each other Transaction Document, and (iii) compliance with the provisions of this Indenture and each Hedge Agreement, all as provided in this Indenture and each Transaction Document, respectively. The foregoing Grant shall, for the purpose of determining the property subject to the lien of this Indenture, be deemed to include any securities and any investments granted to the Trustee by or on behalf of the Issuer, whether or not such securities or investments satisfy the criteria set forth in the definitions of "Collateral Obligation" or "Eligible Investments," as the case may be.

II. The Trustee acknowledges such Grant, accepts the trusts hereunder in accordance with the provisions hereof, and agrees to perform its duties expressly stated herein in accordance with the provisions hereof.

ARTICLE I

DEFINITIONS

Section 1.1. Definitions. Except as otherwise specified herein or as the context may otherwise require, terms defined in Annex A hereto shall have the respective meanings set forth in Annex A for all purposes of this Indenture, and the definitions of such terms are equally applicable both to the singular and plural forms of such terms and to the masculine, feminine and neuter genders of such terms. The word "including" shall mean "including without limitation." All references in this Indenture to designated "Articles," "Sections," "Subsections" and other subdivisions are to the designated articles, sections, subsections and other subdivisions of this Indenture. The words "herein," "hereof," "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular article, section, subsection or other subdivision. References to an agreement or other document are to it as amended, supplemented, restated and otherwise modified from time to time and to any successor document (whether or not already so stated). References to a statute, regulation or other government rule are to it as amended from time to time and, as applicable, are to corresponding provisions of successor governmental rules (whether or not already so stated). The word "or" is always used inclusively herein (for example, the phrase "A or B" means "A or B or both," not "either A or B but not

both"), unless used in an "either ... or" construction. References to a Person are references to such Person's successors and assigns (whether or not already so stated).

Section 1.2. Assumptions as to Pledged Obligations. Unless otherwise specified, the assumptions described below shall be applied in connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Pledged Obligation, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Pledged Obligations and on any other amounts that may be received for deposit in the Collection Account.

(a) All calculations with respect to Scheduled Distributions on the Pledged Obligations shall be made on the basis of information as to the terms of each such Pledged Obligation and upon report of payments, if any, received on such Pledged Obligation that are furnished by or on behalf of the issuer of such Pledged Obligation and, to the extent they are not manifestly in error, such information or report may be conclusively relied upon in making such calculations and any determination of the Weighted Average Life of any Collateral Obligation shall be made by the Portfolio Manager using the assumption that no Pledged Obligation defaults or is disposed of.

(b) For purposes of calculating the Coverage Tests and the Reinvestment Overcollateralization Test, except as otherwise specified in the Coverage Tests and the Reinvestment Overcollateralization Test, such calculations shall not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Pledged Obligation (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero, except to the extent of any payments actually received) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Pledged Obligation (including the proceeds of the sale of such Pledged Obligation received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if paid as scheduled, shall be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Distribution Date.

(d) Each Scheduled Distribution receivable with respect to a Pledged Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture. For the avoidance of doubt, all amounts calculated pursuant to this Section 1.2(d) are estimates and may differ from the actual

amounts available to make distributions hereunder, and no party shall have any obligation to make any payment hereunder due to the assumed amounts calculated under this Section 1.2(d) being greater than the actual amounts available. For purposes of the applicable determinations required by Section 10.7(b)(iv), Article XII, the definitions of "Senior Interest Coverage Ratio" and "Class C Interest Coverage Ratio", the Coverage Tests and the Collateral Quality Test, the expected interest on Secured Notes and floating rate Collateral Obligations shall be calculated using the then current interest rates applicable thereto.

(e) [Reserved].

(f) Calculations of amounts to be distributed under the Priority of Distributions will give effect to all payments that precede (in priority of payment) or include the clause of the Priority of Distributions in which such calculation is made.

(g) Except as otherwise provided herein, Defaulted Obligations shall not be included in the calculation of the Collateral Quality Test.

(h) For purposes of calculating compliance with the Investment Criteria or the Post-Reinvestment Period Criteria (as applicable), upon the direction of the Portfolio Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the maturity, redemption, sale or other disposition of Collateral Obligations shall be deemed to have the characteristics of such Collateral Obligations until reinvested in additional Collateral Obligations. Such calculations shall be based upon the principal amount of such Collateral Obligations, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations shall be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligations or Credit Risk Obligations.

(i) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, Sale Proceeds shall include any Principal Financed Accrued Interest received in respect of such sale.

(j) For purposes of calculating the Concentration Limitations, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds shall be deemed to be Senior Secured Loans.

(k) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in U.S. Dollars.

(l) Unless otherwise specified, references to fees payable to the Bank and its Affiliates under the Priority of Distributions or calculated with respect to a period at a *per annum* rate shall be computed on the basis of a 360-day year and the actual number of days within the related period on the average of the par value of the Collateral Obligations, Restructured Obligations and Workout Instruments plus the balances of the Principal Collection Account and Ramp-Up Account on the first and last day of the related Due Period.

(m) Unless otherwise specified, test calculations that evaluate to a percentage shall be rounded to the nearest ten-thousandth and test calculations that evaluate to a number shall be rounded to the nearest one-hundredth.

(n) Unless otherwise specifically provided herein, all calculations or determinations required to be made and all reports which are to be prepared pursuant to this Indenture shall be made on the basis of the trade date.

(o) Determination of the purchase price of a Collateral Obligation shall be made independently each time such Collateral Obligation is purchased by the Issuer and pledged to the Trustee, without giving effect to whether the Issuer has previously purchased such Collateral Obligation (or an obligation of the related obligor).

(p) When used with respect to payments on the Variable Dividend Notes, the term "principal amount" shall mean amounts distributable to Holders of Variable Dividend Notes from Principal Proceeds, and the term "interest" shall mean Interest Proceeds distributable to Holders of Variable Dividend Notes in accordance with the Priority of Distributions.

(q) Any references in Article XI of this Indenture to fees paid to the Portfolio Manager shall not include fees paid to the Portfolio Manager for its role in managing the Assets prior to the Closing Date.

(r) For purposes of the calculation of the Weighted Average Floating Spread, the Weighted Average Fixed Coupon and the Interest Coverage Tests (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), Collateral Obligations contributed to an Issuer Subsidiary in accordance with this Indenture will be included net of the actual taxes paid or any future anticipated taxes payable with respect thereto.

(s) Any reference to the Benchmark applicable to any Floating Rate Note as of any Measurement Date during the first Interest Accrual Period shall mean the Benchmark for the relevant portion of the first Interest Accrual Period as determined on the preceding Interest Determination Date.

(t) If an administrative agent with respect to a Collateral Obligation provides notice that withholding tax is imposed on (i) any amendment, waiver, consent or extension fees, (ii) commitment fees or other similar fees or (iii) any other Collateral Obligation that becomes subject to withholding tax, the calculations of the Weighted Average Floating Spread, the Weighted Average Fixed Coupon and the Interest Coverage Tests (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, shall be made on a net basis after taking into account such withholding, unless the obligor is required to make "gross-up" payments to the Issuer or an Issuer Subsidiary that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(u) Each of the Weighted Average Floating Spread, Minimum Fixed Coupon Test and Minimum Floating Spread Test will be calculated by the Issuer (or the Collateral

Administrator on its behalf in accordance with and subject to the provisions of the Collateral Administration Agreement) in consultation with the Portfolio Manager.

(v) At the written direction of the Portfolio Manager to the Trustee (with a copy to the Collateral Administrator), Interest Proceeds received by the Issuer on or following the Closing Date up to the first Distribution Date following the Effective Date up to an amount specified in the certification set forth in clause (i) of the definition of Principal Financed Accrued Interest may be deposited directly to the Collection Account as Principal Proceeds.

(w) For purposes of determining compliance with the criteria set forth in Section 12.2, any Unscheduled Principal Payments shall be taken into consideration on and after the date such Unscheduled Principal Payments are actually received by the Issuer (and not as of the Record Date of the related payment).

(x) All calculations and determinations required (or otherwise necessary) under this Indenture shall be made by or on behalf of the Issuer based on the information actually available to the Issuer (or the Collateral Administrator on its behalf) or, if applicable, the Portfolio Manager at the time such calculation or determination is made. Information obtained after any such calculation or determination has been made shall not affect the validity of such calculation or determination at the time it was made.

(y) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall be entitled to request direction from the Portfolio Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(z) [Reserved].

(aa) For purposes of calculating the Reinvestment Target Par Balance, any proceeds of an issuance solely of additional Variable Dividend Notes and/or Junior Mezzanine Notes designated as Interest Proceeds will be excluded.

(bb) All calculations related to Maturity Amendments, sales of Collateral Obligations, Distressed Exchanges, Exchange Transactions, acquisitions of Workout Instruments and Restructured Obligations, the Investment Criteria and the Post-Reinvestment Period Criteria (and definitions related to Maturity Amendments, the Investment Criteria, Distressed Exchanges, Exchange Transactions, the Post-Reinvestment Period Criteria and Section 12.2) that would otherwise be calculated cumulatively will be reset at zero on the date of any Refinancing of the Class A Notes, the Class B Notes and the Class C Notes in whole; *provided* that, if such Refinancing is of less than all Classes of Secured Notes, such calculations will only be reset to zero if the KBRA Rating Condition is satisfied.

(cc) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted

Obligations that have been defaulted for more than three years will be treated as having a Principal Balance equal to zero.

(dd) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Collateral Obligations may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication or file transfer protocol) from the Portfolio Manager on which the Trustee may rely.

(ee) With respect to any notice period set forth herein or in this Indenture, such period may be shortened with the consent of each party required to receive such notice.

(ff) With respect to any Collateral Obligation, the date on which such obligation will be deemed to "mature" (or its "maturity" date) will be the earlier of (x) the stated maturity of such obligation or (y) if the Issuer has the right to require the issuer of such Collateral Obligation to purchase, redeem or retire such Collateral Obligation (at a price greater than or equal to par) on any one or more dates prior to its stated maturity (a "put right") and the Portfolio Manager certifies to the Trustee that it will exercise such "put right" on any such date, the maturity date will be the date specified in such certification.

ARTICLE II

THE NOTES

Section 2.1. Forms Generally. The Notes and the Trustee's or Authenticating Agent's certificate of authentication thereon (the "Certificate of Authentication") shall be in substantially the forms required by this Article, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon, as may be consistent herewith, determined by the Authorized Officers of the Applicable Issuers executing such Notes as evidenced by their execution of such Notes. Any portion of the text of any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note.

Global Notes and Certificated Notes may have the same identifying numbers (*e.g.*, CUSIP). As an administrative convenience or in connection with a Re-Pricing of Notes, a Refinancing, an issuance of Additional Notes or compliance with FATCA, the Applicable Issuers or the Issuer's agent may obtain a separate CUSIP or separate CUSIPs (or similar identifying numbers) for all or a portion of any Class.

Section 2.2. Forms of Notes.

(a) The forms of the Notes, including the forms of Certificated Notes, Regulation S Global Notes and Rule 144A Global Notes, will be as set forth in the applicable Exhibit A.

(i) Except as provided below, each Class of Notes issued to non-U.S. persons in offshore transactions in reliance on Regulation S (except to the extent that any such person requests to receive a Certificated Note) shall initially be represented by one or more Regulation S Global Notes and deposited with the Trustee as custodian for, and registered in the name of, DTC or its nominee for credit to the respective accounts of Euroclear and Clearstream, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided.

(ii) Except as provided below, each Class of Notes issued to persons that are QIB/QPs (except to the extent that any such QIB/QP requests to receive a Certificated Note) shall initially be represented by one or more Rule 144A Global Notes and deposited with the Trustee as custodian for, and registered in the name of, DTC or its nominee, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided.

(iii) All Notes held by investors that are either (x) Institutional Accredited Investors or (y) Accredited Investors that are Knowledgeable Employees, and all ERISA Restricted Notes held by Benefit Plan Investors or Controlling Persons (other than Benefit Plan Investors and Controlling Persons purchasing ERISA Restricted Notes on the Closing Date), must be held in the form of a Certificated Note.

(iv) Certificated Notes will be issued on the Closing Date to initial investors who request Certificated Notes.

(v) The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or DTC or its nominee, as the case may be, as hereinafter provided.

(b) Book Entry Provisions. This Section 2.2(b) shall apply only to Global Notes deposited with or on behalf of DTC.

Agent Members and owners of beneficial interests in Global Notes shall have no rights under this Indenture with respect to any Global Notes held by the Trustee, as custodian for DTC and DTC may be treated by the Co-Issuers, the Trustee, and any agent of the Co-Issuers or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Co-Issuers, the Trustee, or any agent of the Co-Issuers or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(c) Certificated Notes. Except as provided in Section 2.6 or Section 2.11, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of Certificated Notes.

Section 2.3. Authorized Amount; Stated Maturity; Denominations.

(a) The aggregate principal amount of the Secured Notes and the Variable Dividend Notes that may be authenticated and delivered under this Indenture is limited to U.S.\$521,500,000 aggregate principal amount of Notes, except for Deferred Interest with respect to the Deferred Interest Notes and Additional Notes issued pursuant to Section 2.4.

(b) Such Notes shall be divided into the Classes, having the designations, original principal amounts and other characteristics as follows:

- (2) Principal of the Class D Notes and/or the Class E Notes is payable from Interest Proceeds under the Priority of Interest Proceeds, or pursuant to Junior Class Repayments, while the Class A Notes, Class B Notes and Class C Notes are still outstanding. Payment of Deferred Interest on the Class E Notes is subordinated under the Priority of Interest Proceeds to payments of principal of the Class D Notes.

Section 2.4. Additional Notes.

(a) At any time during the Reinvestment Period (or, in the case of an issuance of additional Variable Dividend Notes and/or Junior Mezzanine Notes, at any time), subject to the written approval of a Majority of the Variable Dividend Notes and the Portfolio Manager (and, in the case of an issuance of additional Class A Notes, with the consent of a Majority of the Class A Notes), the Applicable Issuers, may, pursuant to a supplemental indenture in accordance with Section 8.1 hereof, issue and sell Additional Notes of one or more existing Classes and/or additional secured or unsecured notes of one or more new classes that are junior in right of payment to the Secured Notes (the "Junior Mezzanine Notes"); *provided* that, the consent of a Majority of the Class A Notes and a Majority of the Variable Dividend Notes shall not be required if the Portfolio Manager has determined in its sole discretion that such issuance is required for compliance with the U.S. Risk Retention Rules by the Portfolio Manager. In addition, the following conditions must be satisfied to issue Additional Notes:

(i) the Applicable Issuers shall comply with the requirements of Section 2.6, Section 3.2 and Section 8.1;

(ii) the Issuer shall provide notice of such issuance to each Rating Agency;

(iii) in the case of additional Secured Notes, unless such issuance is being effected (in the sole discretion of the Portfolio Manager) in order to permit the Portfolio Manager to comply with the U.S. Risk Retention Rules, (A) each Par Value Ratio Test is maintained or improved after giving effect to such issuance and (B) no such issuance of Secured Notes may exceed 100% of the respective original outstanding amount of the applicable Class or Classes of Secured Notes;

(iv) the proceeds of any Additional Notes (net of fees and expenses incurred in connection with such issuance) (A) shall be treated as Principal Proceeds, used to purchase additional Collateral Obligations or (B) in the case of an issuance of additional Variable Dividend Notes and/or any additional Junior Mezzanine Notes, may, in the sole discretion of the Portfolio Manager with the consent of a Majority of the Variable Dividend Notes, be used for Permitted Uses or treated as Interest Proceeds;

(v) unless only additional Variable Dividend Notes or Junior Mezzanine Notes are being issued, Tax Advice shall be delivered to the Issuer that provides that (A) the additional issuance will not alter the U.S. federal tax characterization as debt of any Outstanding Notes that were characterized as debt at the time of issuance and (B) any additional Secured Notes will have the same U.S. federal income tax debt characterization (and at the same comfort level) as any Outstanding Notes that are *pari passu* with such Additional Notes; *provided* that, (i) the Tax Advice described in subclause (A) shall not be required with respect to any Class if 100% of the holders of such Class have consented to a waiver of such requirement and (ii) the Tax Advice described in subclause (B) will not be required with respect to any Additional Notes that bear a different CUSIP number (or equivalent identifier) from the Notes of the same Class that are Outstanding at the time of the additional issuance;

(vi) any Additional Notes that are Secured Notes will be issued in a manner that allows the Issuer to accurately provide the tax information relating to any original issue discount ("OID") that this Indenture requires the Issuer to provide to the Holders and beneficial owners of Secured Notes (including the Additional Notes) which are issued with OID;

(vii) in the case of an issuance of Additional Notes of any existing Class (other than Variable Dividend Notes and/or Junior Mezzanine Notes), Additional Notes of all Classes that are subordinated to such existing Class must be issued and such issuance must be proportional across all such Classes of Notes; provided that, the principal amount of Variable Dividend Notes and/or Junior Mezzanine Notes issued in any such issuance may exceed the proportion otherwise applicable to the Variable Dividend Notes and/or Junior Mezzanine Notes;

(viii) unless only additional Variable Dividend Notes or Junior Mezzanine Notes are being issued, no Event of Default has occurred and is continuing; and

(ix) an Officer's certificate of the Issuer shall be delivered to the Trustee stating that the conditions of this Section 2.4(a) have been satisfied.

(b) The terms and conditions of any Additional Notes of an existing Class shall be identical to those of the initial Notes of that Class (except that the interest due on the Additional Notes that are Secured Notes shall accrue from the issue date of such Additional Notes, the prices of such Additional Notes do not have to be identical to those of the initial Notes of that Class and the interest rate of such Additional Notes must be equal to or less than the interest rate of the applicable Class, in each case, as determined by the Portfolio Manager and as between any *Pari Passu* Classes, the Portfolio Manager may elect which of such *Pari Passu* Classes are issued as Additional Notes). Interest on the Additional Notes that are Secured Notes shall be payable commencing on the first Distribution Date following the issue date of such Additional Notes (if issued prior to the applicable Record Date). The Additional Notes shall rank *pari passu* in all respects with the initial Notes of that Class and the interest rate of any Additional Notes that are Floating Rate Notes shall be a spread over the Benchmark.

(c) Except to the extent that the Portfolio Manager has determined in its sole discretion that the issuance of Additional Notes is required for compliance with the U.S. Risk Retention Rules by the Portfolio Manager, any Additional Notes of each Class issued as set forth above shall, to the extent reasonably practicable, be offered first (i) in the case of Additional Notes that are Variable Dividend Notes or junior in right of payment to the Secured Notes, to the Holders of the Variable Dividend Notes in proportion to such Holders' interests in the Variable Dividend Notes and (ii) in the case of Additional Notes of any existing Class of Secured Notes, to the Holders of that Class in such amounts as are necessary to preserve their *pro rata* holdings of Notes of such Class.

(d) The Co-Issuers or the Issuer may also issue Additional Notes in connection with a Refinancing of all Classes of Secured Notes, which issuance shall not be subject to the conditions set forth above, but shall be subject only to the requirements for a Refinancing set forth in Section 9.2.

Section 2.5. Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual, facsimile or in electronic format.

Notes bearing the manual, facsimile or electronic signatures as described in Section 14.12 of individuals who were at any time the Authorized Officers of the Issuer or the Co-Issuer, as applicable, shall bind the Issuer and the Co-Issuer, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Authorized Denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount (or original aggregate face amount, as applicable) of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.6. Registration, Registration of Transfer and Exchange.

(a) The Issuer shall cause to be kept a Register at the Corporate Trust Office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed Registrar for the purpose of registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor. With respect to the ERISA Restricted Notes held as Certificated Notes or held as Global Notes acquired on the

Closing Date, the Register will include a notation identifying each Purchaser that represented that it is a Controlling Person or a Benefit Plan Investor; *provided* that, the Registrar shall make such notation based solely upon the information included in the subscription agreement or representation letter of such Purchaser, if such information was delivered with respect to Notes acquired on the Closing Date, or with respect to any other acquisitions, the Transfer Certificate from such Purchaser and shall have no responsibility of any nature to confirm or obtain such information.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer shall give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon request at any time the Registrar shall provide to the Issuer, the Portfolio Manager, the Initial Purchaser, the Co-Placement Agent or any Holder a current list of Holders (and their holdings) as reflected in the Register, and at the Issuer's expense, a list of participants in DTC holding positions in the Notes.

Subject to this Section 2.6, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any Authorized Denomination and of a like aggregate principal or face amount. At any time, the Issuer, the Portfolio Manager, the Initial Purchaser or the Co-Placement Agent may request a list of Holders from the Trustee and the Trustee shall provide such a list of Holders to the extent such information is available to the Trustee.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any Authorized Denominations and of like aggregate principal or face amount, upon surrender of the interest in Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and the Co-Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Certificated Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or his attorney duly authorized in writing with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which such requirements include membership in the Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and the transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

No sale or transfer of ERISA Restricted Notes (or any interest therein) to a proposed transferee that has represented that it is, or is acting on behalf of, a Benefit Plan Investor or a Controlling Person will be effective, and the Trustee, the Registrar, and the Issuer will not recognize any such sale or transfer, if such sale or transfer would result in Benefit Plan Investors holding 25% or more of the Aggregate Outstanding Amount of any Class of ERISA Restricted Notes being transferred, in each case as determined in accordance with the Plan Asset Regulation and this Indenture and assuming, for this purpose, that all of the representations made or deemed to be made by Holders of such Notes (or any interest therein) are true. For purposes of such calculations, (x) the investment by a Plan Asset Entity shall be treated as plan assets for purposes of calculating the 25% threshold under the Plan Asset Regulation and Section 3(42) of ERISA only to the extent of the percentage of its equity interests held by Benefit Plan Investors and (y) any ERISA Restricted Notes (or any interest therein) held by any Person (other than a Benefit Plan Investor) that has discretionary authority or control with respect to the Issuer's assets or that provides investment advice for a fee (direct or indirect) with respect to such assets or an "affiliate" (within the meaning of 29 C.F.R. 2510.3-101(f)(3)) of such a Person (a "Controlling Person") shall be excluded and treated as not being Outstanding. With respect to any ERISA Restricted Note that is purchased by, or on behalf of, a Controlling Person or a Benefit Plan Investor on the Closing Date and represented by a Global Note, if such Benefit Plan Investor or Controlling Person notifies the Trustee that all or a portion of its interest in such Global Note has been transferred under this Section 2.6 to a transferee that is not a Controlling Person or Benefit Plan Investor, such transferred interest will no longer be treated as held by a Controlling Person or Benefit Plan Investor, as applicable, for the calculation of this clause (b).

No transfer of a Note (or any interest therein) will be effective, and the Trustee and the Issuer will not recognize any transfer of a Note (or any interest therein), if the transferee's acquisition, holding or disposition of such Note (or any interest therein) would constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or, in the case of a governmental, church, non-U.S. or other plan, a violation of any Similar Laws); and in the case of ERISA Restricted Notes, if it is a governmental, church, non-U.S. or other plan, it is not subject to any federal, state, local or non-U.S. law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer or the Portfolio Manager (or other persons responsible for the investment and operation of the Issuer's assets) to any Similar Laws.

(c) The Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the requirements or terms of the Securities Act, applicable state securities laws, ERISA, the Code or the Investment Company Act; except that if a Transfer Certificate is specifically required by the terms of this Section 2.6 to be provided to the Trustee by a prospective transferor or transferee, the Trustee shall be under a duty to receive and examine the same to determine whether it conforms substantially on its face to the applicable requirements of this Section 2.6. Notwithstanding the foregoing, the Trustee, relying solely on representations made or deemed to have been made by Holders of the ERISA Restricted Notes (or any interest therein), shall not permit any transfer of such Notes (or any interest therein) if such transfer would result in Benefit Plan Investors holding 25% or more (or such lesser percentage determined by the Portfolio Manager and notified to the Trustee) of the Aggregate Outstanding Amount of any Class of ERISA Restricted Notes, as determined in accordance with the Plan Asset Regulation and this Indenture.

(d) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any of its ordinary shares to U.S. Persons and the Co-Issuer shall not issue or permit the transfer of any of its membership interest to U.S. Persons.

(e) So long as a Global Note remains Outstanding and is held by or on behalf of DTC, transfers of such Global Note, in whole or in part, shall only be made in accordance with this Section 2.6(e).

(i) Subject to clauses (ii) and (iii) of this Section 2.6(e), transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to nominees of DTC or to a successor of DTC or such successor's nominee.

(ii) Notes Represented by Rule 144A Global Note or Certificated Note to Regulation S Global Note. If a holder of a beneficial interest in a Rule 144A Global Note deposited with DTC or a Holder of a Certificated Note wishes at any time to exchange its interest in such Rule 144A Global Note or Certificated Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note or Certificated Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such holder, provided such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction, may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Trustee or the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Trustee or the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the Authorized Denomination applicable to such holder's Secured Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note or Certificated Note to be exchanged or transferred, and in the case of a transfer of Certificated Notes, such Holder's Certificated Notes properly endorsed for assignment to the transferee, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) in the case of a transfer of Certificated Notes, a Holder's Certificated Note properly endorsed for assignment to the transferee and (D) a

Transfer Certificate in the form of Exhibit B1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Rule 144A Global Notes or the Certificated Notes including that the holder or the transferee, as applicable, is not a U.S. person, and in an offshore transaction pursuant to and in accordance with Regulation S, then the Trustee or the Registrar shall implement the Global Note Procedures with respect to the applicable Global Note and, if applicable, cancel the Certificated Notes.

(iii) Regulation S Global Note to Rule 144A Global Note or Certificated Note. If a holder of a beneficial interest in a Regulation S Global Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Note for an interest in the corresponding Rule 144A Global Note or for a Certificated Note or to transfer its interest in such Regulation S Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note or for a Certificated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note or for a Certificated Note. Upon receipt by the Trustee or the Registrar of (A) if the transferee is taking a beneficial interest in a Note represented by a Rule 144A Global Note, instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note in an amount equal to the beneficial interest in such Regulation S Global Note, but not less than the Authorized Denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase and a Transfer Certificate in the form of Exhibit B2 attached hereto given by the holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Note is a Qualified Institutional Buyer, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and (B) if the transferee is taking a Certificated Note, a Transfer Certificate in the form of Exhibit B3, then the Registrar shall implement the Global Note Procedures with respect to the applicable Global Note and, if the transferee is taking an interest in a Certificated Note, the Registrar will record the transfer in the Register and, upon execution by the Applicable Issuers, authenticate and deliver one or more Certificated Notes, as applicable, registered in the names specified in the instructions described above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Regulation S Global Note transferred by the transferor), and in Authorized Denominations.

(iv) Certificated Note to Certificated Note. If a Holder of a Certificated Note wishes at any time to exchange such Certificated Note for one or more Certificated Notes or transfer such Certificated Note to a transferee who will take delivery thereof in the form of a Certificated Note, such Holder may effect such exchange or transfer in accordance with this Section 2.6(e)(iv). Upon receipt by the Trustee or the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee, and (B) a Transfer Certificate in the form of Exhibit B3, then the Trustee or the Registrar shall cancel such Certificated Note in

accordance with Section 2.10, record the transfer in the Register and, upon execution by the Applicable Issuers, authenticate and deliver one or more Certificated Notes bearing the same designation as the Certificated Note endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Note surrendered by the transferor), and in Authorized Denominations.

(v) Notes Represented by Rule 144A Global Notes to Certificated Notes. If a holder of a beneficial interest in a Note represented by a Rule 144A Global Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Note for a Certificated Note or to transfer its interest in such Rule 144A Global Note to a Person who will take delivery thereof in the form of a Certificated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for a Certificated Note. Upon receipt by the Trustee or the Registrar of (A) a Transfer Certificate substantially in the form of Exhibit B3 and (B) appropriate instructions from DTC, if required, the Trustee or the Registrar will implement the Global Note Procedures with respect to the applicable Global Note and upon execution by the Applicable Issuers authenticate and deliver one or more Certificated Notes, registered in the names specified in such instructions from DTC, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Rule 144A Global Note transferred by the transferor), and in Authorized Denominations.

(vi) Certificated Notes to Rule 144A Global Notes. If a holder of a Certificated Note wishes at any time to exchange its interest in such Certificated Note for a beneficial interest in a Rule 144A Global Note or to transfer such Certificated Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Rule 144A Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such Certificated Note for a beneficial interest in a Rule 144A Global Note. Upon receipt by the Trustee or the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee; (B) a Transfer Certificate substantially in the form of Exhibit B2; (C) instructions given in accordance with DTC's procedures from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the Rule 144A Global Notes in an amount equal to the Certificated Notes to be transferred or exchanged; and (D) a written order given in accordance with DTC's procedures containing information regarding the participant's account of DTC to be credited with such increase, the Trustee or the Registrar shall cancel such Certificated Note in accordance with Section 2.10, record the transfer in the Register and will implement the Global Note Procedures with respect to the Rule 144A Global Note.

(vii) Other Exchanges. In the event that a Global Note is exchanged for Certificated Notes pursuant to Section 2.11, such Global Notes may be exchanged for one another only in accordance with such procedures as are substantially consistent with the provisions above (including certification requirements intended to ensure that such transfers are made only to Holders who are Qualified Purchasers or Knowledgeable Employees) in transactions exempt from registration under the Securities Act or are to persons who are not U.S. persons who are non-U.S. residents (as determined for purposes of the Investment Company Act),

and otherwise comply with Regulation S under the Securities Act (as the case may be), and as may be from time to time adopted by the Co-Issuers and the Trustee.

(f) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the applicable legends set forth in the applicable part of Exhibit A hereto, and if a request is made to remove such applicable legend on such Notes, the Notes so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Trustee and the Applicable Issuers such satisfactory evidence, which may include an Opinion of Counsel acceptable to them, as may be reasonably required by the Applicable Issuers (and which shall by its terms permit reliance by the Trustee), to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of the Securities Act, the Investment Company Act, ERISA or the Code. Upon provision of such satisfactory evidence, the Trustee or its Authenticating Agent, at the written direction of the Applicable Issuers shall, after due execution by the Applicable Issuers authenticate and deliver Notes that do not bear such applicable legend.

(g) Each purchaser (including transferees and each beneficial owner of an account on whose behalf Notes are being purchased, each, a "Purchaser") of a Certificated Note will be deemed to have represented and agreed as follows (terms not otherwise defined in this Indenture that are used in this subsection and are defined in Rule 144A or Regulation S are used as defined therein):

(i) The Purchaser (i) either (A) is not a U.S. person and is acquiring Notes in reliance on the exemption from registration pursuant to Regulation S, (B) is a Qualified Institutional Buyer and is acquiring such Notes in reliance on the exemption from registration pursuant to Rule 144A or (C) is an Accredited Investor as defined in Rule 501(a) of Regulation D under the Securities Act and is acquiring such Certificated Notes subject to delivery of the written certification in the form required by this Indenture to the effect that such transfer is being made in a transaction that is exempt from, or otherwise not subject to, the registration requirements of the Securities Act and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction, (ii) is acquiring Notes in an Authorized Denomination for itself and each such account and (iii) in the case of clauses (i)(B) and (i)(C), is acquiring Notes for its own account (and not for the account of any family or other trust, any family member or any other person).

(ii) In the case of Notes purchased by a U.S. person, (i) the Purchaser (A) is a Qualified Purchaser acquiring such Notes as principal for its own account (or for one or more accounts each holder of which is a Qualified Institutional Buyer and a Qualified Purchaser and with respect to which accounts the Purchaser has sole investment discretion) or a Knowledgeable Employee, (B) the Purchaser is acquiring such Notes for investment and not for sale in connection with any distribution thereof, (C) the Purchaser was not formed solely for the purpose of investing in the Notes, (D) the Purchaser is not a partnership, common trust fund or special trust, profit sharing, pension fund or other retirement plan in which partners, beneficiaries or participants, as applicable, may designate the particular investments to be made, (E) the Purchaser agrees that it will not hold such Notes for the benefit of any other Person and will be the sole beneficial owner thereof for all purposes and that, in accordance with the provisions

therefor in this Indenture, (F) it will not sell participation interests in such Notes or enter into any other arrangement pursuant to which any other person will be entitled to a beneficial interest in the distributions on such Notes and (G) such Notes purchased directly or indirectly by it constitute an investment of no more than 40% of the Purchaser's assets and (ii) if it would be an investment company but for the exclusions from the Investment Company Act provided by Section 3(c)(1) or Section 3(c)(7) thereof, (x) all of the beneficial owners of its outstanding securities (other than short-term paper) that acquired such securities on or before April 30, 1996 ("pre-amendment beneficial owners") have consented to its treatment as a "qualified purchaser" and (y) all of the pre-amendment beneficial owners of a company that would be an investment company but for the exclusions from the Investment Company Act provided by Section 3(c)(1) or Section 3(c)(7) thereof and that directly or indirectly owned any of its outstanding securities (other than short-term paper) have consented to its treatment as a "qualified purchaser." The Purchaser understands and agrees that any purported transfer of Notes to a Purchaser that does not comply with the requirements of this paragraph or that would have the effect of causing either of the Co-Issuers or the pool of collateral to be required to register as an investment company under the Investment Company Act will be null and void ab initio.

(iii) The Purchaser has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its investment in Notes, and the Purchaser is able to bear the economic risk of its investment.

(iv) The Purchaser understands that the Notes are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, the Notes have not been and will not be registered under the Securities Act, and, if in the future the Purchaser decides to offer, resell, pledge or otherwise transfer any interest in the Notes, such Notes may be offered, resold, pledged or otherwise transferred only in accordance with the legend on such Notes and the terms of this Indenture. The Purchaser acknowledges that no representation is made by any Transaction Party or any of their respective Affiliates as to the availability of any exemption under the Securities Act or any other securities laws for resale of the Notes.

(v) The Purchaser agrees that it will not offer or sell, transfer, assign, or otherwise dispose of any Notes or any interest therein except (i) pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, any applicable state securities laws and the Applicable Law of any other jurisdiction and (ii) in accordance with the provisions of this Indenture to which provisions it agrees it is subject.

(vi) The Purchaser is not purchasing Notes with a view to the resale, distribution or other disposition thereof in violation of the Securities Act.

(vii) The Purchaser understands that an investment in Notes involves certain risks, including the risk of loss of all or a substantial part of its investment. The Purchaser has had access to such financial and other information concerning any Transaction Party, the Notes and the Assets as it deemed necessary or appropriate in order to make an informed investment decision with respect to its purchase of Notes, including an opportunity to ask questions of and request information from the Co-Issuers and the Portfolio Manager.

(viii) In connection with its purchase of Notes (i) none of the Transaction Parties or any of their respective Affiliates is acting as a fiduciary or financial or investment adviser for the Purchaser; (ii) the Purchaser is not relying (for purposes of making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of the Transaction Parties or any of their respective Affiliates; (iii) none of the Transaction Parties or any of their respective Affiliates has given to the Purchaser (directly or indirectly through any other Person) any assurance, guarantee or representation whatsoever as to the expected or projected success, profitability, return, performance, result, effect, consequence or benefit (including legal, regulatory, tax, financial, accounting or otherwise) of the Notes or of this Indenture or the documentation for such Notes; (iv) the Purchaser has consulted with its own legal, regulatory, tax, business, independent investment, financial, and accounting advisers to the extent it has deemed necessary, and it has made its own investment decisions (including decisions regarding the suitability of any transaction pursuant to the documentation for the Notes) based upon its own judgment and upon any advice from such advisers as it has deemed necessary and not upon any view expressed by the Transaction Parties or any of their respective Affiliates; (v) the Purchaser has determined that the rates, prices or amounts and other terms of the purchase and sale of such Notes reflect those in the relevant market for similar transactions; (vi) the Purchaser is purchasing such Notes with a full understanding of all of the terms, conditions and risks thereof (economic and otherwise), and it is capable of assuming and willing to assume (financially and otherwise) those risks; (vii) the Purchaser understands that the Notes are illiquid and it is prepared to hold the Notes until their maturity; and (viii) the Purchaser is a sophisticated investor (*provided* that, none of the representations under sub-clauses (i) through (iv) is made with respect to the Portfolio Manager by any Affiliate of the Portfolio Manager or any account for which the Portfolio Manager or its Affiliates act as investment adviser).

(ix) The Purchaser will not, at any time, offer to buy or offer to sell Notes by any form of general solicitation or advertising, including, but not limited to, any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over television or radio or seminar or meeting whose attendees have been invited by general solicitations or advertising.

(x) The Purchaser understands and agrees that before any interest in a Certificated Note may be offered, resold, pledged or otherwise transferred, the transferee (or the transferor, as applicable) will be required to provide the Issuer and the Trustee with a Transfer Certificate and such other certificates or information as they may reasonably require as to compliance with the applicable transfer restrictions. Each Transfer Certificate with respect to an ERISA Restricted Note will include an indemnity for the benefit of the Co-Issuers, the Trustee, the Initial Purchaser, the Co-Placement Agent and the Portfolio Manager and their respective Affiliates for breaches of the representations, warranties or agreements made in the Transfer Certificate.

(xi) The Purchaser understands and agrees that (i) no transfer may be made that would result in any person or entity holding beneficial ownership of any Notes in less than an Authorized Denomination and (ii) no transfer of Notes that would have the effect of requiring either of the Co-Issuers or the pool of collateral to register as an investment company under the Investment Company Act will be permitted. In connection with its purchase of Notes, the Purchaser has complied with all of the provisions of this Indenture relating to such transfer.

(xii) The Purchaser understands that the Notes will bear the applicable legends set forth in Exhibit A unless the Co-Issuers determine otherwise in accordance with Applicable Law.

(xiii)

(A) In respect of the acquisition of ERISA Restricted Notes on the Closing Date or in the form of Certificated Notes (or any interest therein), the Purchaser will represent, warrant and covenant in writing whether or not, for so long as it holds such Notes or any interest therein (and, if applicable, what percentage of), (i) the funds that the Purchaser is using or will use to acquire such Notes (or its interests therein) are assets of a Benefit Plan Investor and (ii) the Purchaser is the Issuer, the Co-Issuer, the Portfolio Manager, the Trustee or any other person (other than a Benefit Plan Investor) that has discretionary authority or control with respect to the assets of the Co-Issuers or that provides investment advice for a fee (direct or indirect) with respect to the assets of the Co-Issuers, or any "affiliate" (within the meaning of 29 C.F.R. Section 2510.3-101(f)(3)) of any such person (any such person described in this clause (ii) being referred to as a "Controlling Person"). The Purchaser acknowledges that the applicable Registrar will not register any transfer of an ERISA Restricted Note (or any interest therein) to a proposed transferee that has represented that it is a Benefit Plan Investor or a Controlling Person if after giving effect to such proposed transfer, persons that have represented that they are, or are acting on behalf of, Benefit Plan Investors would own 25% or more of the Aggregate Outstanding Amount of the Class of ERISA Restricted Notes being transferred, as determined in accordance with the Plan Asset Regulation and this Indenture, assuming, for this purpose, that all of the representations made (or, in the case of Global Notes, deemed to be made) by holders of such Notes (or interests therein) are true. For purposes of this determination, Notes held by the Trustee, the Portfolio Manager, any of their respective Affiliates and persons that have represented that they are Controlling Persons will be disregarded and will not be treated as Outstanding.

(B) The Purchaser understands that any ERISA Restricted Notes represented by Global Notes (and any interests therein) may not at any time be held by or on behalf of Benefit Plan Investors or Controlling Persons except for purchases of ERISA Restricted Notes in the form of Global Notes by Benefit Plan Investors or Controlling Persons on the Closing Date.

(C) The Purchaser agrees to indemnify and hold harmless the Co-Issuers, the Trustee, the Initial Purchaser, the Co-Placement Agent and the Portfolio Manager and their respective Affiliates from any cost, damage or loss incurred by them as a result of these representations being untrue. The Purchaser understands that the representations made in this paragraph (xiii) will be deemed made on each day from the date of acquisition by the Purchaser of an ERISA Restricted Note (or any interest therein) through and including the date on which the Purchaser disposes of such ERISA Restricted Note (or any interest therein). The Purchaser agrees that if any of its representations under this paragraph (xiii) become untrue (including, without limitation, any percentage indicated in clause (A) of this subclause (xiii)), it will immediately notify the Issuer and the Trustee and take any other action as may be requested by them.

(xiv) (A) In the case of the Senior Notes, on each day the Purchaser holds such Notes (or any interest therein), either (x) the Purchaser is not, and is not acting on behalf of a Benefit Plan Investor or a governmental, church, non-U.S. or other plan that is subject to Similar Laws or (y) the Purchaser's acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Laws); and (B) in the case of ERISA Restricted Notes, if it is a governmental, church, non-U.S. or other plan, (x) it is not, and for so long as it holds such Notes or interests therein will not be, subject to any federal, state, local or non-U.S. law or regulation that could cause the underlying assets of the Issuer or the Co-Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer, the Co-Issuer or the Portfolio Manager (or other persons responsible for the investment and operation of the Issuer's or the Co-Issuer's assets) to Similar Laws, and (y) its acquisition, holding and disposition of such ERISA Restricted Notes (or any interest therein) will not constitute or result in a violation of any Similar Laws. The Purchaser understands that the representations made in this paragraph sub-clause (xiv) will be deemed made on each day from the date of its acquisition through and including the date on which it disposes of such Notes (or any interest therein).

(xv) If the Purchaser is, or is acting on behalf of, a Benefit Plan Investor, it will be further deemed to represent, warrant and agree that (i) none of the Transaction Parties or other persons that provide marketing services, or any of their respective affiliates, has provided any investment recommendation or investment advice on which it, or any fiduciary or other person investing the assets of the Benefit Plan Investor ("Plan Fiduciary"), has relied as a primary basis in connection with its decision to invest in the Notes, and they are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or the Plan Fiduciary in connection with the Benefit Plan Investor's acquisition of the Notes, and (ii) the Plan Fiduciary is exercising its own independent judgment in evaluating the investment in the Notes.

(xvi) The Purchaser will provide notice to each person to whom it proposes to transfer any interest in Notes of the transfer restrictions and representations set forth in Sections 2.5, 2.6 and 2.14 of this Indenture including the exhibits referenced therein.

(xvii) The Purchaser understands that the Issuer has the right under this Indenture to compel any Non-Permitted Holder to sell its interest in the Notes or may sell such interest in the Notes on behalf of such Non-Permitted Holder.

(xviii) The Purchaser is not a member of the public in the Cayman Islands.

(xix) The Purchaser agrees that the Notes will be limited recourse obligations of the Co-Issuers, in each case payable solely from the Assets in accordance with the Priority of Distributions. The Purchaser agrees that it will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding-up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands,

U.S. federal or state bankruptcy or similar laws of any jurisdiction. In addition, the Purchaser agrees to be subject to the Bankruptcy Subordination Agreement.

(xx) The Purchaser understands that the Issuer and the Portfolio Manager, on behalf of the Issuer, may receive a list of participants holding positions in the Notes from one or more book entry depositories. With respect to a Certifying Person, the Trustee will, upon request of the Portfolio Manager, unless such Certifying Person instructs the Trustee otherwise, share the identity of such Certifying Person with the Portfolio Manager. Upon the request of the Portfolio Manager, the Trustee will request a list from DTC of participants holding positions in the Notes and will provide such list to the Portfolio Manager.

(xxi) The Purchaser acknowledges and agrees that (A) the express terms of the Transaction Documents govern the rights of the Holders to direct the commencement of a Proceeding against any Person and the Transaction Documents contain limitations on the rights of the Holders to institute legal or other Proceedings against any Person, (B) it will comply with the express terms of the applicable Transaction Documents if it seeks to institute any such Proceeding, (C) the Transaction Documents do not impose any duty or obligation on the Issuer or the Co-Issuer or their respective directors, officers, shareholders, members or managers to institute on behalf of any Holder, or join any Holder or any other person in instituting, any such Proceeding, including, without limitation, any Proceeding against the Trustee, the Portfolio Manager, the Collateral Administrator or the Calculation Agent and (D) there are no implied rights under the Transaction Documents to direct the commencement of any such Proceeding.

(xxii) The Purchaser agrees to provide the Issuer or its agents with its Holder AML Information.

(xxiii) The Purchaser acknowledges receipt of the Issuer's privacy notice (which can be accessed at <https://www.walkersglobal.com/external/SPVDPNotice.pdf> and provides information on the Issuer's use of personal data in accordance with the Cayman Islands Data Protection Act (as amended) and, in respect of any EU data subjects, the EU General Data Protection Regulation) and, if applicable, agrees to promptly provide the privacy notice (or any updated version thereof as may be provided from time to time) to each individual (such as any individual directors, shareholders, beneficial owners, authorised signatories, trustees or others) whose personal data it provides to the Issuer or any of its affiliates or delegates including, but not limited to, Walkers Fiduciary Limited in its capacity as administrator.

(xxiv) To the extent the Purchaser is a Regulation U Lender or the Notes acquired by such Purchaser constitute Purpose Credit, if the Purchaser is not exempt from registering with the Board of Governors of the Federal Reserve System and is not registered with the Board of Governors of the Federal Reserve System on or prior to the date of its purchase of a Note (or beneficial interest therein), the Purchaser will, within the required time period, satisfy any applicable registration or other requirements of the Board of Governors of the Federal Reserve System in connection with its acquisition of such Note (or beneficial interest therein).

(h) Each Purchaser of a Rule 144A Global Note will be deemed to have represented and agreed, in addition to the representations and agreements set forth in clauses (iii) through (ix), (xi), (xii) and (xv) through (xxiii) of Section 2.6(g) and Section 2.14, as follows

(terms not otherwise defined in this Indenture that are used in this subsection and are defined in Rule 144A or Regulation S are used as defined therein):

(i) The Purchaser is (A) a Qualified Institutional Buyer that is not a broker-dealer that owns and invests on a discretionary basis less than \$25 million in securities of issuers that are not affiliated persons of the dealer and is not a plan referred to in paragraph (a)(1)(i)(D) or (a)(1)(i)(E) of Rule 144A or a trust fund referred to in paragraph (a)(1)(i)(F) of Rule 144A that holds the assets of such plan, if investment decisions with respect to the plan are made by beneficiaries of the plan (B) aware that the sale of Notes to it is being made in reliance on the exemption from registration provided by Rule 144A, (C) acquiring such Notes for its own account or for one or more accounts, each holder of which is a Qualified Institutional Buyer and as to each of which accounts the Purchaser exercises sole investment discretion and (D) acquiring such Notes in an Authorized Denomination.

(ii) The Purchaser is a Qualified Purchaser acquiring such Notes as principal for its own account (or for one or more accounts, each holder of which is a Qualified Institutional Buyer and a Qualified Purchaser as to each of which accounts the Purchaser exercises sole investment discretion) for investment and not for sale in connection with any distribution thereof, the Purchaser was not formed solely for the purpose of investing in the Notes and is not a (A) partnership, (B) common trust fund, (C) special trust or (D) pension, profit sharing or other retirement trust fund or plan in which partners, beneficiaries or participants, as applicable, may designate the particular investments to be made, and the Purchaser agrees that it will not hold such Notes for the benefit of any other Person and will be the sole beneficial owner thereof for all purposes and that except as expressly provided herein, it will not sell participation interests in such Notes or enter into any other arrangement pursuant to which any other person will be entitled to a beneficial interest in the distributions on such Notes and further that such Notes purchased directly or indirectly by it constitute an investment of no more than 40% of the Purchaser's assets. The Purchaser understands and agrees that any purported transfer of Notes to a person that does not comply with the requirements of this paragraph or that would have the effect of causing either of the Co-Issuers or the pool of collateral to be required to register as an investment company under the Investment Company Act shall be null and void *ab initio*.

(iii) The Purchaser understands that interests in Rule 144A Global Notes may not at any time be held by or on behalf of a Person that is not a Qualified Institutional Buyer and a Qualified Purchaser. Before any interest in a Rule 144A Global Note may be offered, resold, pledged or otherwise transferred to a person who takes delivery in the form of an interest in a Regulation S Global Note or a Certificated Note, the transferor (or the transferee, as applicable) will be required to provide the Trustee with a Transfer Certificate as to compliance with the transfer restrictions set forth in Section 2.5 and Section 2.6.

(iv) In the case of the Senior Notes, on each day the Purchaser holds such Notes (or any interest therein), either (i) the Purchaser is not, and is not acting on behalf of a Benefit Plan Investor or a governmental, church, non-U.S. or other plan that is subject to Similar Laws or (ii) the Purchaser's acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Laws).

(v) With respect to the acquisition of ERISA Restricted Notes in the form of Global Notes (or any interest therein), for so long as it holds such Notes (or any interest therein), the Purchaser is not, and is not acting on behalf of, a Benefit Plan Investor or a Controlling Person except with respect to purchases by Benefit Plan Investors and Controlling Persons of ERISA Restricted Notes on the Closing Date. The Purchaser understands that any ERISA Restricted Notes represented by Global Notes (and any interest therein) may not at any time be held by, or on behalf of, Benefit Plan Investors or Controlling Persons except for purchases of ERISA Restricted Notes in the form of Global Notes by Benefit Plan Investors and Controlling Persons on the Closing Date. The Purchaser understands that the representations made in this paragraph (iv) will be deemed to be made on each day from the date of its acquisition through and including the date on which it disposes of such Notes (or any interest therein). If the Purchaser is a governmental, church, non-U.S. or other plan, (x) it is not, and for so long as it holds such Notes or interests therein will not be, subject to any federal, state, local or non-U.S. law or regulation that could cause the underlying assets of the Issuer or the Co-Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer, the Co-Issuer or the Portfolio Manager (or other persons responsible for the investment and operation of the Issuer's or the Co-Issuer's assets) to Similar Laws, and (y) its acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a violation of any Similar Laws.

If the Purchaser is, or is acting on behalf of, a Benefit Plan Investor, it will be further deemed to represent, warrant and agree that (i) none of the Transaction Parties or other persons that provide marketing services, or any of their respective affiliates, has provided any investment recommendation or investment advice on which it or any Plan Fiduciary has relied as a primary basis in connection with its decision to invest in the Notes, and they are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or the Plan Fiduciary in connection with the Benefit Plan Investor's acquisition of the Notes, and (ii) the Plan Fiduciary is exercising its own independent judgment in evaluating the investment in the Notes.

(i) Each Purchaser of a Regulation S Global Note will be deemed to have represented and agreed, in addition to the representations and agreements set forth in clauses (iii) through (ix), (xi), (xii) and (xv) through (xxiii) of Section 2.6(g) and Section 2.14, as follows (terms not otherwise defined in this Indenture that are used in this subsection and are defined in Rule 144A or Regulation S are used as defined therein):

(i) The Purchaser is not, and will not be, a U.S. person or a U.S. resident for purposes of the Investment Company Act, and its purchase of Notes will comply with all Applicable Law in any jurisdiction in which it resides or is located and is in an Authorized Denomination. The Purchaser is aware that the sale of Notes to it is being made in reliance on the exemption from registration under the Securities Act provided by Regulation S.

(ii) The Purchaser understands that Notes offered in reliance on Regulation S may not at any time be held by or on behalf of U.S. persons. Before any interest in a Regulation S Global Note may be offered, resold, pledged or otherwise transferred to a person who takes delivery in the form of an interest in a Rule 144A Global Note or a Certificated Note, the transferor (or the transferee, as applicable) will be required to provide the Trustee with a

Transfer Certificate as to compliance with the transfer restrictions set forth in Section 2.5 and Section 2.6.

(iii) In the case of the Senior Notes, on each day the Purchaser holds such Notes (or any interest therein), either (i) the Purchaser is not, and is not acting on behalf of a Benefit Plan Investor or a governmental, church, non-U.S. or other plan that is subject to Similar Laws or (ii) the Purchaser's acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Laws).

(iv) With respect to the acquisition of ERISA Restricted Notes in the form of Global Notes (or any interest therein), for so long as it holds such Notes (or any interest therein), the Purchaser is not, and is not acting on behalf of, a Benefit Plan Investor or a Controlling Person except with respect to purchases by Benefit Plan Investors and Controlling Persons of ERISA Restricted Notes on the Closing Date. The Purchaser understands that any ERISA Restricted Notes represented by Global Notes (and any interest therein) may not at any time be held by or on behalf of Benefit Plan Investors or Controlling Persons except for purchases of ERISA Restricted Notes in the form of Global Notes by Benefit Plan Investors and Controlling Persons on the Closing Date. The Purchaser understands that the representations made in this paragraph (iii) will be deemed to be made on each day from the date of its acquisition through and including the date on which it disposes of such Notes (or any interest therein). If the Purchaser is a governmental, church, non-U.S. or other plan, (x) it is, and for so long as it holds such Notes or interests therein will not be, not subject to any federal, state, local or non-U.S. law or regulation that could cause the underlying assets of the Issuer or the Co-Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer, the Co-Issuer or the Portfolio Manager (or other persons responsible for the investment and operation of the Issuer's or the Co-Issuer's assets) to Similar Laws, and (y) its acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a violation of any Similar Laws.

If the Purchaser is, or is acting on behalf of, a Benefit Plan Investor, it will be further deemed to represent, warrant and agree that (i) none of the Transaction Parties or other persons that provide marketing services, or any of their respective affiliates, has provided any investment recommendation or investment advice on which it or any Plan Fiduciary has relied as a primary basis in connection with its decision to invest in the Notes, and they are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or the Plan Fiduciary in connection with the Benefit Plan Investor's acquisition of the Notes, and (ii) the Plan Fiduciary is exercising its own independent judgment in evaluating the investment in the Notes.

(j) The Trustee and the Issuer shall be entitled to conclusively rely on any Transfer Certificate delivered pursuant to this Section 2.6 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation.

Section 2.7. Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the

Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent, and any agent of the Applicable Issuers, the Trustee and such Transfer Agent, such security or indemnity as may be reasonably required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Applicable Issuers shall execute and, upon Issuer Order (which will be deemed to have been given upon delivery to the Trustee of a Note signed by the Applicable Issuers), the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.7, the Applicable Issuers, the Trustee or the applicable Transfer Agent may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.7 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.7 to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.8. Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved.

(a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Note Interest Rate and such interest shall be payable quarterly in arrears on each Distribution Date in accordance with the Priority of Distributions on the

Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date); *provided* that if a Junior Class Repayment Date occurs, then for the portion of the related Interest Accrual Period from and including such Junior Class Repayment Date to the end of such Interest Accrual Period (or, if earlier, to the next Junior Class Repayment Date on which a payment is made on the relevant Class), each Class on which a payment is made on such Junior Class Repayment Date shall accrue interest on the Aggregate Outstanding Amount of such Class on such Junior Class Repayment Date (after giving effect to payments of principal thereof on such Junior Class Repayment Date). Payment of interest on each Class of Secured Notes (and payments on the Variable Dividend Notes) shall be subordinated to the payments of interest on the related Priority Classes. So long as any Priority Class is Outstanding with respect to any Class of Deferred Interest Notes, any payment of interest due on such Class of Deferred Interest Notes which is not available to be paid ("Deferred Interest" with respect thereto) in accordance with the Priority of Distributions on any Distribution Date shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of the Distribution Date (i) on which funds are available for such purpose in accordance with the Priority of Distributions, (ii) which is a Redemption Date with respect to such Class of Deferred Interest Notes, or (iii) which is the Stated Maturity with respect to such Class of Deferred Interest Notes. Deferred Interest on any Class of Deferred Interest Notes shall not be added to the principal amount of such Class, and (x) with respect to the Class C Notes, to the extent lawful and enforceable, interest shall accrue at the Note Interest Rate for the Class C Notes on the amount of any unpaid Deferred Interest on the Class C Notes and (y) with respect to the Class D Notes and the Class E Notes, interest shall not accrue on Deferred Interest on the Class D Notes or the Class E Notes. Deferred Interest shall be payable on the first Distribution Date on which funds are available to be used for such purpose in accordance with the Priority of Distributions, but in any event no later than the earlier of the Distribution Date (i) which is the Redemption Date with respect to such Class of Deferred Interest Notes, and (ii) which is the Stated Maturity (or earlier date of Maturity) of such Class of Deferred Interest Notes. Interest shall cease to accrue on each Secured Note, or in the case of a partial repayment, on such part, from the date of repayment or the respective Stated Maturity unless payment of principal is improperly withheld or unless default is otherwise made with respect to such payments of principal. To the extent lawful and enforceable, interest on the interest on any Class A Notes or Class B Notes or, if no Class A Notes or Class B Notes are Outstanding, the Secured Notes of the Controlling Class that is not paid when due shall accrue at the Note Interest Rate for such Class until paid as provided herein.

Distributions on the Variable Dividend Notes that are not available to be paid on a Distribution Date in accordance with the Priority of Distributions shall not be "due or payable" on such Distribution Date or any date thereafter.

(b) The principal of each Secured Note of each Class matures at par and is due and payable on the Distribution Date which is the Stated Maturity for such Class of Secured Notes, unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. Prior to the Stated Maturity, principal shall be paid on each Secured Note as provided in the Priority of Distributions. Notwithstanding the foregoing, except as otherwise provided in Article IX and the Priority of Distributions and in connection with Junior Class Repayments, the payment of principal of each Class of Secured

Notes (and payments of Principal Proceeds in respect of the Variable Dividend Notes) (x) may only occur after each Priority Class with respect to such Class is no longer Outstanding and (y) is subordinated to the payment on each Distribution Date of the principal and interest due and payable on each Priority Class and other amounts in accordance with the Priority of Distributions. Any payment of principal of any Class of Secured Notes which is not paid, in accordance with the Priority of Distributions, on any Distribution Date (other than the Distribution Date which is the Stated Maturity of such Class or a Redemption Date with respect to such Class), shall not be considered "due and payable" for purposes of Section 5.1(a) until the earliest Distribution Date on which funds are available for such purpose in accordance with the Priority of Distributions or each Priority Class with respect to such Class is no longer Outstanding.

Each Variable Dividend Note will mature on the Distribution Date which is the Stated Maturity for such Class and the principal amount, if any, will be due and payable on such Distribution Date unless such Variable Dividend Note is redeemed prior thereto. Prior to the Stated Maturity, principal shall be paid on each Variable Dividend Note as provided in the Priority of Distributions. Any payment of principal amounts on the Variable Dividend Notes (x) may only occur after each Priority Class is no longer Outstanding and (y) is subordinated to the payment on each Distribution Date of the principal and interest due and payable on each Priority Class and other amounts in accordance with the Priority of Distributions.

Principal payments on the Notes shall be made in accordance with the Priority of Distributions and Article IX.

(c) As a condition to payments on any Notes without the imposition of withholding tax or back-up withholding tax, the Paying Agent shall require certification acceptable to it to enable each of the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine its duties and liabilities with respect to any Taxes that it may be required to deduct or withhold from any payment in respect of such Note under any present or future law or regulation of the United States and any other applicable jurisdiction, or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirement under any such law or regulation.

(d) Payments in respect of Notes shall be made by the Trustee or by a Paying Agent in United States dollars to DTC or its designee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a United States dollar account, as the case may be, maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its designee with respect to a Certificated Note; *provided* that, in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee or the applicable Paying Agent, no later than the related Record Date; and *provided further* that, if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of Certificated Notes, the Holder thereof shall present and surrender such Certificated Notes at the Corporate Trust Office of the Trustee on or prior to such Maturity; *provided however* that, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate,

then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Notes has been acquired by a *bona fide* purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Portfolio Manager, nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note or for maintaining or reviewing any records relating to beneficial ownership interests. In the case where any final payment is to be made on any Notes (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made, provide to the Holders of that Class a notice which shall specify the date on which such payment shall be made, the amount of such payment per U.S.\$100,000 original principal amount of Secured Notes, original principal amount of Variable Dividend Notes and the place where Certificated Notes may be presented and surrendered for such payment.

(e) Payments of principal to Holders of the Secured Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date. Payments to the Holders of the Variable Dividend Notes from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Variable Dividend Notes registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Variable Dividend Notes on such Record Date.

(f) Interest accrued with respect to each Class of Floating Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period (or for the first Interest Accrual Period, the related portion thereof) *divided by* 360. Interest on any Fixed Rate Notes will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

(g) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Distribution Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(h) Notwithstanding any other provision of this Indenture, the obligations of each Applicable Issuer under the Notes and this Indenture from time to time and at any time are limited recourse obligations of such Applicable Issuer, payable solely from the Assets available at such time in accordance with the Priority of Distributions and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any remaining claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Transaction Party (other than the Applicable Issuers) or any Officer, director, employee, shareholder, agent, partner, member, incorporator, Affiliate, Related Entity (solely with respect to the Portfolio Manager), successor or assign of the Applicable Issuers or any other Transaction Party for any amounts payable under the Notes or (except as otherwise provided

herein or in the Portfolio Management Agreement) this Indenture. It is understood that the foregoing provisions of this Section 2.8(h) shall not (x) prevent recourse to the Assets in the manner provided in this Indenture for the sums due or to become due under any security, instrument or agreement that is part of the Assets or (y) constitute a waiver, release or discharge of any indebtedness or obligation (1) evidenced by the Notes to the extent they evidence debt or (2) secured by this Indenture until such Assets have been realized and proceeds distributed in accordance with the Priority of Distributions, whereupon any outstanding indebtedness or obligation shall be extinguished. It is further understood that the foregoing provisions of this Section 2.8(h) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Variable Dividend Notes are not secured hereunder.

(i) Subject to the foregoing provisions of this Section 2.8, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal (or other applicable amount) that were carried by such other Note.

(j) To effect a Junior Class Repayment, the Portfolio Manager may direct that such Junior Class Repayment occur on any Business Day (other than during the period between any Determination Date and the related Distribution Date) from amounts available as a Permitted Use as of the date five Business Days prior to the date of such Junior Class Repayment. The Portfolio Manager shall provide at least five Business Days' notice to the Trustee and the Collateral Administrator of any Junior Class Repayment; *provided* that any such notice may be withdrawn by the Portfolio Manager by providing notice to the Trustee and the Collateral Administrator at least one Business Day before the scheduled Junior Class Repayment Date. For the avoidance of doubt, (i) no Distribution Report shall be required in respect of any Junior Class Repayment Date and (ii) no modification of the contents of a Monthly Report shall be required to reflect any Junior Class Repayment that occurs between the determination date for a Monthly Report and the due date of such Monthly Report.

Section 2.9. Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee and any agent of the Co-Issuers or the Trustee shall (absent manifest error) treat as the owner of any Note the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments on such Note and on any other date for all other purposes whatsoever (whether or not such payment is overdue), and neither the Issuer, the Co-Issuers nor the Trustee nor any agent of the Issuer, the Co-Issuers or the Trustee shall be affected by notice to the contrary.

Section 2.10. Cancellation.

(a) All Notes that are surrendered for payment, registration of transfer, exchange or redemption, or are deemed lost or stolen, shall be promptly cancelled by the Trustee and may not be reissued or resold. Any such Notes shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 2.10, except as expressly permitted

by this Indenture. All cancelled Notes held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy, unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it. For the avoidance of doubt, no Holder shall be permitted to surrender any Note other than for payment, registration of transfer, exchange or redemption, in each case, in accordance with this Indenture.

Section 2.11. Depository Not Available.

(a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a Certificated Note to the beneficial owners thereof only if such transfer complies with Section 2.6 and a Depository Event has occurred. In addition, the owner of a beneficial interest in a Global Note shall be entitled to receive a Certificated Note in exchange for such interest if such exchange complies with Section 2.6 and an Event of Default has occurred and is continuing.

(b) Any Global Note that is transferable in the form of a Certificated Note to the beneficial owners thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Trustee's designated office located in the United States to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in Authorized Denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall be in registered form and, except as otherwise provided by Section 2.6, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.11, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in subsection (a) of this Section 2.11, the Co-Issuers shall promptly make available to the Trustee a reasonable supply of Certificated Notes in definitive, fully registered form without interest coupons.

In the event that Certificated Notes are not so issued by the Issuer to such beneficial owners of interests in Global Notes as required by Section 2.11(a), the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holder of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if Certificated Notes had been issued.

Section 2.12. Notes Beneficially Owned by Non-Permitted Holders or in Violation of ERISA Representations.

(a) Notwithstanding anything to the contrary elsewhere in this Indenture, (x) any transfer of a beneficial interest in any Note to a Non-Permitted Holder shall be null and void and any such purported transfer of which the Issuer or the Co-Issuer shall have received written

notice or a Trust Officer of the Trustee shall have actual knowledge may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If any Non-Permitted Holder shall become the beneficial owner of an interest in any Note, the Issuer shall, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (and notice to the Issuer by the Trustee if a Trust Officer of the Trustee obtains actual knowledge or by the Co-Issuer if it makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such person to a Person that is not a Non-Permitted Holder within 10 days of the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Portfolio Manager (on its own or acting through an investment bank selected by the Portfolio Manager at the Issuer's expense) acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Portfolio Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and neither the Issuer nor the Trustee shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a Note (or any interest therein) to a Person who has made or is deemed to have made an ERISA-related representation required by Section 2.6 that is subsequently shown to be false or misleading or whose ownership otherwise causes 25% or more of the Aggregate Outstanding Amount of any Class of ERISA Restricted Notes to be held by Benefit Plan Investors shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or a Trust Officer of the Trustee shall have received written notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

Section 2.13. [Reserved].

Section 2.14. Tax Treatment; Tax Certifications.

(a) Each Holder (including, for purposes of this Section 2.14, each beneficial owner) of a Secured Note will be deemed to have represented and agreed to treat the Secured Notes as indebtedness for U.S. federal, state and local income and franchise tax purposes, except as otherwise required by law; *provided*, that the foregoing shall not prevent a Holder of a Class D Note or Class E Note from making a protective qualified electing fund ("QEF") election and filing protective information returns with respect to an investment in such Note.

(b) Each Holder of a Variable Dividend Note will be deemed to have represented and agreed to treat the Variable Dividend Notes as equity for U.S. federal, state and local income and franchise tax purposes, except as otherwise required by law.

(e) Each Holder of a Note will timely (i) provide the Issuer, the Portfolio Manager, the Trustee and their respective agents with any correct, complete and accurate information that the Issuer, Portfolio Manager or the Trustee may be required to request to enable the Issuer and any non-U.S. Issuer Subsidiary to comply with FATCA and the CRS (including a Certifying Person Certificate and any other certificates and/or forms provided for in this Indenture, as applicable) and will take any other actions that the Issuer, the Portfolio Manager, the Trustee or their respective agents deem necessary to enable the Issuer and any non-U.S. Issuer Subsidiary to comply with FATCA and the CRS and (ii) update any such information provided in clause (i) promptly upon learning that any such information previously provided has become obsolete or incorrect or is otherwise required. In the event it fails to timely provide such information, take such actions or update such information, (a) the Issuer is authorized to withhold amounts otherwise distributable to the Holder if required to do so, and/or as compensation for any cost, loss or liability suffered as a result of such failure and (b) the Issuer will have the right to compel the Holder to sell its Notes or, if such Holder does not sell its Notes within 10 Business Days after notice from the Issuer, to sell such Notes in the same manner as if it were a Non-Permitted Holder, and to remit the net proceeds of such sale (taking into account any taxes incurred in connection with such sale) to it as payment in full for such Notes. Each Holder of a Note agrees, or by acquiring the Note or an interest in the Note will be deemed to agree, that the Issuer, the Trustee or the Portfolio Manager may provide such information and any other information regarding its investment in the Notes to the IRS, the Cayman Islands Tax Information Authority or any other relevant Governmental Authority.

(h) Each Holder of a Variable Dividend Note will not treat any amounts received in respect of such Variable Dividend Note as derived in connection with the Issuer's active conduct of a banking, financing, insurance or other similar business for purposes of Sections 954(h) and (i)(2) of the Code.

(i) Each Holder of a Note will indemnify the Issuer, the Trustee and their respective agents from any and all damages, costs and expenses (including any amount of Taxes) resulting from the failure by the Holder to comply with FATCA and the CRS or its obligations under the Note. The indemnification will continue with respect to any period during which the Holder held a Note (and any interest therein), notwithstanding it ceasing to be a Holder of the Note.

(v) Officers' Certificates of Co-Issuers Regarding Indenture. An Officer's certificate of each Co-Issuer stating that the Applicable Issuer is not in default under this Indenture and that the issuance of the Additional Notes applied for by it shall not result in a default or a breach of any of the terms, conditions or provisions of, or constitute a default under, its organizational documents, any indenture or other agreement or instrument to which it is a party or by which it is bound, or any order of any court or administrative agency entered in any

Proceeding to which it is a party or by which it may be bound or to which it may be subject; that all conditions precedent provided in this Indenture and the supplemental indenture pursuant to Section 8.1 relating to the authentication and delivery of the Additional Notes applied for have been complied with and that the authentication and delivery of the Additional Notes is authorized or permitted under this Indenture and the supplemental indenture entered into in connection with such Additional Notes; and that all expenses due or accrued with respect to the Offering of the Additional Notes or relating to actions taken on or in connection with the Additional Notes Closing Date have been paid or reserved. The Officer's certificate of the Issuer shall also state that all of its representations and warranties contained herein are true and correct as of the Additional Notes Closing Date.

(vi) Other Documents. Such other documents as the Trustee may reasonably require with reasonable prior notice; *provided* that, nothing in this clause (vi) shall imply or impose a duty on the Trustee to so require any other documents.

Section 3.3. Custodianship; Delivery of Collateral Obligations and Eligible Investments.

(a) The Issuer shall, or shall cause the Portfolio Manager to, Deliver or cause to be Delivered all Assets. Initially, the Custodian shall be U.S. Bank National Association. Subject to the limited right to relocate Pledged Obligations as provided in Section 7.5(b), the Trustee or the Custodian, as applicable, shall hold (i) all Collateral Obligations, Eligible Investments, Cash and other investments purchased in accordance with this Indenture and (ii) any other property of the Issuer otherwise Delivered to the Trustee or the Custodian, as applicable, by or on behalf of the Issuer, in the relevant Account (except as otherwise provided in the definition of "Delivered") established and maintained pursuant to Article X; as to which in each case the Trustee shall have entered into the Securities Account Control Agreement with the Custodian providing, *inter alia*, that the establishment and maintenance of such Account shall be governed by a law of a jurisdiction satisfactory to the Issuer and the Trustee. For the avoidance of doubt, it is understood that certain assets owned by the Issuer may be sold by participation by the Issuer prior to the Closing Date, and the Issuer (and the Trustee on its behalf) are hereby authorized to release such loans upon the elevation to assignment thereof and to release any amounts received on such loans in accordance with the related participation agreement.

(b) Each time that the Portfolio Manager on behalf of the Issuer directs or causes the acquisition of any Collateral Obligation, Eligible Investment, or other investments, the Portfolio Manager (on behalf of the Issuer) shall, if the Collateral Obligation or Eligible Investment, or other investment is required to be, but has not already been, transferred to the relevant Account, use commercially reasonable efforts to cause the Collateral Obligation, Eligible Investment, or other investment to be Delivered. The security interest of the Trustee in the funds or other property used in connection with the acquisition shall, immediately and without further action on the part of the Trustee, be released. The security interest of the Trustee shall nevertheless come into existence and continue in the Collateral Obligation, Eligible Investment, or other investment so acquired, including all interests of the Issuer in any contracts related to and proceeds of the Collateral Obligations, Eligible Investments, or other investments.

(c) The Issuer (or the Portfolio Manager on its behalf) shall cause any other Assets acquired by the Issuer to be Delivered.

ARTICLE IV

This Indenture shall be discharged and shall cease to be of further effect except as to (i) rights of registration of transfer and exchange, (ii) substitution of mutilated, defaced, destroyed, lost or stolen Notes, (iii) rights of Holders to receive payments of principal thereof and interest thereon, (iv) the rights, protections, indemnities and immunities of the Trustee and the specific obligations set forth below hereunder, (v) the rights, obligations and immunities of the Portfolio Manager hereunder and under the Portfolio Management Agreement, (vi) the rights, protections, indemnities and immunities of the Collateral Administrator hereunder and under the Collateral Administration Agreement and (vii) the rights of Holders as beneficiaries hereof with respect to the property deposited with the Trustee and payable to all or any of them (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture) when:

(a) either:

(i) all Notes theretofore authenticated and delivered to Holders, other than (A) Notes which have been mutilated, defaced, destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.7 and (B) Notes for whose payment Money has theretofore irrevocably been deposited in trust and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 7.3, have been delivered to the Trustee for cancellation; or

(ii) all Notes not theretofore delivered to the Trustee for cancellation (A) have become due and payable, or (B) shall become due and payable at their Stated Maturity within one year, or (C) are to be called for redemption pursuant to Article IX under an arrangement satisfactory to the Trustee for the giving of notice of redemption by the Applicable Issuers pursuant to Section 9.4 and either (1) the Issuer has irrevocably deposited or caused to be deposited with the Trustee, in trust for such purpose, Cash or, with the consent of 100% of the Aggregate Outstanding Amount of the Notes, non-callable direct obligations of the United States of America; *provided that*, the obligations are entitled to the full faith and credit of the United States of America or are debt obligations which are rated "Aaa" by Moody's, in an amount sufficient to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal and interest to the date of such deposit (in the case of Notes which have become due and payable), or to the respective Stated Maturity or the respective Redemption Date, as the case may be, and shall have Granted to the Trustee a valid perfected security interest in such Eligible Investment that is of first priority or free of any adverse claim, as applicable or (2) in the event all of the Assets are liquidated following the satisfaction of the conditions specified in Section 5.5(a), the Issuer shall have paid or caused to be paid all proceeds of such liquidation of the Assets in accordance with the Priority of Distributions; or

(iii) (1) there are no Pledged Obligations that remain subject to the lien of this Indenture, (2) all funds on deposit in the Accounts have been distributed in accordance with the terms of this Indenture (including the Priority of Distributions) or have otherwise been irrevocably deposited in trust with the Trustee for such purpose and (3) all Hedge Agreements have been terminated and any related termination payment has been paid; and

(b) (i) the Co-Issuers have delivered to the Trustee an Officer's certificate stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with, any Hedge Agreement and any related termination payment has been paid and (ii) the Trustee has received an Opinion of Counsel (which may rely on information provided by the Trustee or the Collateral Administrator confirming that the Trustee is no longer holding any Cash or other Pledged Obligations on behalf of the Issuer and all Accounts have been closed) to the effect that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been satisfied.

(c) In connection with delivery by each of the Co-Issuers of the Officer's certificates referred to in clause (b), the Trustee, the Collateral Administrator or the Portfolio Manager, as applicable, will provide such information that the Co-Issuers may reasonably require in order for the Co-Issuers to determine that (i) there are no Pledged Obligations that remain subject to the lien of this Indenture, (ii) all funds on deposit in the Accounts have been distributed in accordance with the terms of this Indenture (including the Priority of Distributions) or have otherwise been irrevocably deposited in trust with the Trustee for such purpose and (iii) all Hedge Agreements have been terminated and any related termination payment has been paid.

(d) Upon the discharge of this Indenture, the Trustee shall provide such certifications to the Issuer or the Administrator as may be reasonably required by the Issuer or the Administrator in order for the liquidation of the Issuer to be completed.

Notwithstanding the satisfaction and discharge of this Indenture, the rights and obligations of the Co-Issuers, the Trustee, the Portfolio Manager and, if applicable, the Holders, as the case may be, under Section 2.8, Section 4.2, Section 5.4(d), Section 5.9, Section 5.18, Section 6.1, Section 6.3, Section 6.6, Section 6.7, Section 7.1, Section 7.3, Section 13.1 and Section 14.15 shall survive.

Section 4.2. Application of Trust Money. All Monies deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by it in accordance with the provisions of the Notes and this Indenture, including, without limitation, the Priority of Distributions, to the payment of principal and interest (or other amounts with respect to the Variable Dividend Notes), either directly or through any Paying Agent; and such Money shall be held in a segregated account identified as being held in trust for the benefit of the Secured Parties and satisfying the requirements in Section 10.6(b).

Section 4.3. Repayment of Monies Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all Monies then held by any Paying Agent other than the Trustee under the provisions of this Indenture shall, upon demand of the Co-Issuers, be paid to the Trustee to be held and applied pursuant to Section 7.3

hereof and in accordance with the Priority of Distributions and thereupon such Paying Agent shall be released from all further liability with respect to such Monies.

Section 4.4. Limitation on Obligation to Incur Administrative Expenses. If at any time after the Secured Notes are no longer Outstanding and (i) the sum of (A) Eligible Investments, (B) cash and (C) amounts reasonably expected to be received by the Issuer in cash during the current Collection Period (as certified by the Portfolio Manager in its reasonable judgment) is less than (ii) the sum of (A) an amount not to exceed the greater of (x) U.S.\$300,000 and (y) the amount (if any) reasonably certified by the Portfolio Manager or the Issuer, including but not limited to fees and expenses incurred by the Trustee and reported to the Portfolio Manager, as the sum of expenses reasonably likely to be incurred in connection with the discharge of this Indenture, the liquidation of the Assets and the dissolution of the Co-Issuers and (B) any accrued and unpaid Administrative Expenses, then notwithstanding any other provision of this Indenture, the Issuer shall no longer be required to incur Administrative Expenses as otherwise required by this Indenture to any Person or entity other than the Trustee, the Collateral Administrator (or any other capacity in which the Bank or any of its Affiliates is acting pursuant to the Transaction Documents), the Administrator and their Affiliates, including for Opinions of Counsel in connection with supplemental indentures pursuant to Article VIII, annual opinions under Section 7.6, services of legal advisors and accountants under Section 7.16 and 10.9 and fees of the Rating Agencies under Section 7.13 and failure to pay such amounts or provide or obtain such opinions, reports or services shall not constitute a default or an Event of Default hereunder, and the Trustee (or the Bank or any of its Affiliates in any other capacity) shall have no liability for any failure to obtain or receive any of the foregoing opinions, reports or services. The foregoing shall not, however, limit, supersede or alter any right afforded to the Trustee (or the Bank or any of its Affiliates in any other capacity) under this Indenture to refrain from taking action in the absence of its receipt of any such opinion, report or service which it reasonably determines is necessary for its own protection.

ARTICLE V

REMEDIES

Section 5.1. Events of Default. "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of (i) any interest on any Class A Note or Class B Note, or, if there are no Class A Notes or Class B Notes Outstanding, the Secured Notes of the Controlling Class and the continuation of any such default for seven Business Days, or (ii) any principal, interest, or Deferred Interest on, or any Redemption Price in respect of, any Secured Note at its Stated Maturity or any Redemption Date; *provided that*, (x) in the case of a default in payment resulting solely from an administrative error or omission by the Trustee, the Portfolio Manager, any Paying Agent or the Registrar, such default continues for a period of 10 or more Business Days after the Trustee receives written notice or a Trust Officer has actual knowledge of such administrative error or omission (irrespective of whether the cause

of such administrative error or omission has been determined) and (y) in the case of any default on any Redemption Date, only to the extent that such default continues for a period of 10 or more Business Days; *provided* that, any failure to effect a Refinancing, Optional Redemption, Partial Redemption or Re-Pricing (including a Redemption Settlement Delay) will not be an Event of Default;

(b) the failure on any Distribution Date to disburse amounts in excess of U.S.\$100,000 available in the Payment Account (other than a default in payment described in clause (a) above) in accordance with the Priority of Distributions, which failure has a material adverse effect on the Holders and, if such failure is capable of remedy, the continuation of such failure for a period of 15 Business Days (or, if such failure can only be remedied on a Distribution Date, such failure continues until the later of the 15 Business Day period specified above and the next Distribution Date); *provided*, if such failure results solely from an administrative error or omission by the Portfolio Manager, the Trustee, any Paying Agent or the Registrar, such default continues for a period of 20 or more Business Days after the Trustee receives written notice or a Trust Officer has actual knowledge of such administrative error or omission;

(c) either of the Co-Issuers or the pool of Assets becomes an investment company required to be registered under the Investment Company Act and such requirement is not cured within 45 days of notice thereof;

(d) except as otherwise provided in this Section 5.1, a default or breach (in each case, in any material respect) in the performance of any covenant or other agreement of the Issuer or the Co-Issuer in this Indenture (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Collateral Quality Test, Coverage Test or Reinvestment Overcollateralization Test is not an Event of Default), or the failure of any representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be, in each case, correct in all material respects when the same has been made, and the continuation of such default, breach or failure for a period of 45 days after notice to the Co-Issuers and the Portfolio Manager by registered or certified mail or overnight courier, by the Trustee, the Co-Issuers or the Portfolio Manager or to the Co-Issuers, the Portfolio Manager and the Trustee by a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; *provided* that, any failure to effect a Refinancing, Optional Redemption, Partial Redemption or Re-Pricing (including a Redemption Settlement Delay) will not be an Event of Default;

(e) (i) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer or the Co-Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer under the Bankruptcy Law or any other Applicable Law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days or (ii) the institution by the shareholders of the Issuer or the Co-Issuer of Proceedings to have the Issuer or Co-Issuer, as the case may be, adjudicated as

bankrupt or insolvent, or the consent by the shareholders of the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against the Issuer or Co-Issuer, the shareholders of the Issuer passing a resolution to have the Issuer wound up on a voluntary basis, or the filing by the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar Applicable Law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or to the appointment in a Proceeding of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or the making by the Issuer or the Co-Issuer of an assignment for the benefit of creditors, or the admission by the Issuer or the Co-Issuer in writing of its inability to pay its debts generally as they become due, or the taking of any action by the Issuer or the Co-Issuer in furtherance of any such action; or

(f) on any Measurement Date, the failure of the ratio of (i) the sum of (a) the Aggregate Principal Balance of the Pledged Obligations (*provided* that, the "Principal Balance" of any Defaulted Obligation shall be, for purposes of this test, its Market Value) and (b) without duplication, the amounts on deposit in the Principal Collection Account, the Permitted Use Account (to the extent such amounts have been designated as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account (in each case including Eligible Investments therein) to (ii) the Aggregate Outstanding Amount of the Class A Notes (such ratio, the "Event of Default Par Ratio") to equal or exceed 102.5%.

Upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee and (iii) the Portfolio Manager shall notify each other (to the extent that any such other party has not already received notice with respect thereto), and the Trustee shall provide the notices of Default required under Section 6.2.

Section 5.2. Acceleration of Maturity; Rescission and Annulment. If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e)), the Trustee may, and shall, upon the written direction of a Majority of the Controlling Class, by notice to the Co-Issuers and each Rating Agency, declare the principal of and accrued interest on the Secured Notes to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable and the Reinvestment Period shall terminate. If an Event of Default specified in Section 5.1(e) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder.

At any time after such declaration of acceleration of maturity has been made but before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class may, by written notice to the Issuer, the Trustee and each Rating Agency, rescind and annul such declaration and its consequences if:

(a) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(i) all unpaid installments of interest and principal then due and payable on the Secured Notes (other than as a result of such acceleration);

(ii) solely with respect to the Class C Notes, to the extent that the payment of such interest is lawful, current interest upon any Deferred Interest on the Class C Notes at the Note Interest Rate applicable to the Class C Notes; and

(iii) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses; and

(b) it has been determined that all Events of Default, other than the non-payment of the interest on or principal of the Secured Notes, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon. Any Hedge Agreement in effect upon such acceleration must remain in effect until liquidation of the Assets has begun and such declaration is no longer capable of being rescinded or annulled; *provided* that, the Issuer shall nevertheless be entitled to designate an early termination date under and in accordance with the terms of such Hedge Agreement.

Section 5.3. Collection of Indebtedness and Suits for Enforcement by Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Note, the Applicable Issuers shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured Note, the whole amount, if any, then due and payable on such Secured Note for principal and interest with interest upon the overdue principal, at the applicable Note Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon written direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may, and shall upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the

Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes, as applicable, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Holders of Secured Notes or Holders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by Applicable Law and regulations, to vote on behalf of the Holders of the Secured Notes upon the direction of such Holders, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of Secured Notes to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any Holder thereof, or to

authorize the Trustee to vote in respect of the claim of any Holder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4. Remedies.

(a) If an Event of Default shall have occurred and be continuing, and the Secured Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may, and (subject to its rights under this Indenture, including Section 6.1(c)(iii) hereof) shall, upon written direction of a Majority of the Controlling Class, to the extent permitted by Applicable Law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.5 and Section 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including, without limitation, exercising all rights of the Trustee under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided however that, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions specified in Section 5.5(a); *provided, further*, that, the Trustee shall not deliver a Notice of Exclusive Control to the Intermediary pursuant to Section 3(c) of the Securities Account Control Agreement unless an Event of Default has occurred and the Notes have been accelerated pursuant to the terms of this Indenture.

The Trustee may, but need not, obtain (at the expense of the Co-Issuers) and rely upon an opinion of an Independent investment banking firm of national reputation, or other appropriate advisor concerning the matter, which may (but need not) be the Initial Purchaser, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes, which opinion shall be conclusive evidence as to such feasibility or sufficiency and the cost of which shall be commercially reasonable.

(b) If an Event of Default under Section 5.1(d) hereof shall have occurred and be continuing the Trustee may, and at the written direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale of Assets may, in paying the purchase Money, deliver to the Trustee for cancellation any of the Class A Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Class A Notes so delivered by such Holder (taking into account the Priority of Distributions and Article XIII). Said Notes, in case the amounts payable thereon shall be less than the amount due thereon, shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Secured Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) (i) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties or the Holders or beneficial owners of the Notes may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Notwithstanding anything to

the contrary in this Article V, in the event that any Proceeding described in the immediately preceding sentence is commenced, the Issuer, the Co-Issuer or Issuer Subsidiary, as applicable, subject to the availability of funds as set forth in the immediately following sentence, will promptly object to the institution of any such Proceeding against it and take all necessary or advisable steps to cause the dismissal of any such Proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (A) the institution of any Proceeding to have the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (B) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition or in respect of the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, under applicable bankruptcy law or any other Applicable Law). The reasonable fees, costs, charges and expenses incurred by the Issuer, the Co-Issuer or any Issuer Subsidiary (including reasonable attorney's fees and expenses) in connection with taking any such action will be paid as Administrative Expenses. Any person who acquires a beneficial interest in a Note shall be deemed to have accepted and agreed to the foregoing restrictions.

(ii) In the event one or more Holders or beneficial owners of Notes institutes, or joins in the institution of, a Proceeding described in clause (i) above against the Issuer, the Co-Issuer or any Issuer Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer, the Co-Issuer or any Issuer Subsidiary or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Distributions, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Note that does not seek to cause any such filing, with such subordination being effective until each Note held by each Holder or beneficial owners of any Note that does not seek to cause any such filing is paid in full in accordance with the Priority of Distributions (after giving effect to such subordination). The terms set forth in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement." The Bankruptcy Subordination Agreement is intended to constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(d)(ii).

(iii) Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (A) from taking any action prior to the expiration of the aforementioned period in (x) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (y) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (B) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

(iv) The restrictions set forth in clause (i) of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of the Notes to acquire such Notes and for the Issuer, the Co-Issuer and the Portfolio Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents and are an essential term of this Indenture. Any Holder or beneficial owner of Notes, the Portfolio Manager,

the Trustee, any Issuer Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, U.S. federal or state bankruptcy law or similar laws.

(e) The Issuer, the Co-Issuer or any Issuer Subsidiary, as applicable, shall, subject to the availability of funds therefor, timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding to have the Issuer, the Co-Issuer or such Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer, the Co-Issuer or such Issuer Subsidiary, as the case may be, under the Bankruptcy Law or any other Applicable Law. The reasonable fees, costs, charges and expenses incurred by the Issuer, the Co-Issuer or any such Issuer Subsidiary (including reasonable attorneys' fees and expenses) in connection with taking any such action shall be paid as Administrative Expenses.

Section 5.5. Optional Preservation of Assets.

(a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets intact (except as otherwise permitted or required by Section 7.16(e), Section 10.8 and Section 12.1) and collect (or cause the collection of) the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Distributions and the provisions of Article X, Article XII and Article XIII unless either:

(i) the Trustee, pursuant to Section 5.5(c) and in consultation with the Portfolio Manager, determines that the anticipated proceeds of a sale or liquidation of all or any portion of the Assets (after deducting the anticipated reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including Deferred Interest), and all amounts payable prior to payment of principal on such Secured Notes (including amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap), any due and unpaid Base Management Fees and amounts payable to any Hedge Counterparty upon liquidation of all or any portion of the Assets) and a Majority of the Controlling Class agrees with such determination;

(ii) a Supermajority of each Class of Secured Notes (voting separately by Class) directs the sale and liquidation of all or any portion of the Assets; or

(iii) in the case of an Event of Default specified in clause (a) (solely in respect of the Class A Notes but excluding any Event of Default specified in clause (a) resulting from an acceleration of the Notes) or clause (f) of the definition thereof, a Majority of the Class A Notes directs the sale and liquidation of all or any portion of the Assets.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer, the Portfolio Manager and each Rating Agency. So long as

such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii) or (iii) exist; *provided* that, a written notice shall be provided to each Rating Agency in the event that such retention is rescinded.

In the event a liquidation of all or any portion of the Assets is commenced in accordance with this Section 5.5, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable under this Indenture, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder; *provided* that, a written notice shall be provided to each Rating Agency in the event that such liquidation is rescinded.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets if the conditions set forth in Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets if prohibited by Applicable Law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall, with the written consent of a Majority of the Controlling Class and with the cooperation of the Portfolio Manager, request bid prices with respect to each security contained in the Assets from two nationally recognized dealers at the time making a market in such securities (as identified by the Portfolio Manager to the Trustee in writing) and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. If the Trustee is unable to obtain any bids, the condition specified in Section 5.5(a)(i) shall be deemed to not exist. For the purposes of making the determinations required pursuant to Section 5.5(a)(i), the Trustee shall apply the standards set forth in Section 6.3(c)(i) or (ii). In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of all or any portion of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain (at the Co-Issuers' expense and for a commercially reasonable fee) and rely on an opinion of an Independent investment banking firm of national reputation or other appropriate advisor concerning the matter.

The Trustee shall deliver to the Holders and the Portfolio Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. If a Majority of the Controlling Class has consented to the Trustee making a determination pursuant to Section 5.5(c), the Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days after receiving such consent from a Majority of the Controlling Class (or such longer period as is necessary if the information required to make such determination has not yet been received) or at the request of a Majority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a).

Section 5.6. Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding

instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7. Application of Money Collected. Any Money collected by the Trustee (after payment of costs of collection, liquidation and enforcement) with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the Post-Acceleration Priority of Proceeds, at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, then the provisions of Section 4.1(a) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8. Limitation on Suits. No Holder of a Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy hereunder or thereunder, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Notes of the Controlling Class shall have made written request to the Trustee to institute Proceedings in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of the same Class subject to and in accordance with Section 13.1 and the Priority of Distributions.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, pursuant to this Section 5.8, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class. If the groups represent the same percentage, the Trustee in its sole discretion may determine what action, if any, shall be taken.

Section 5.9. Unconditional Rights of Holders of Secured Notes to Receive Principal and Interest. Subject to Section 2.8(h), Section 2.13, Section 5.13, Section 6.15 and Section 13.1, but notwithstanding any other provision in this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note as such principal and interest becomes due and payable in accordance with the Priority of Distributions and Section 13.1, and, subject to the provisions of Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Notes of Junior Classes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Priority Class remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Co-Issuers, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12. Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13. Control by Majority of Controlling Class. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee, and to direct the exercise of any trust, right, remedy or power conferred upon the Trustee; *provided that*:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; *provided* that, subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability (unless the Trustee has received the indemnity as set forth in clause (c) below);

(c) the Trustee shall have been provided with security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that the Trustee anticipates, in its reasonable and good faith judgment, that might be incurred in connection with such request; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders representing the requisite percentage of the Aggregate Outstanding Amount of Notes specified in Section 5.5.

Section 5.14. Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders waive any past Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Note (which may be waived with the consent of each Holder of such Secured Note);

(b) in the payment of interest on the Notes of the Controlling Class (which may be waived with the consent of the Holders of 100% of the Controlling Class);

(c) in respect of a provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of each Holder of each Outstanding Class adversely affected thereby (which may be waived with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.18 (which may be waived by a Supermajority of the Controlling Class if the Moody's Rating Condition is satisfied and notice has been provided to KBRA).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Portfolio Manager and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15. Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee, Collateral Administrator or Portfolio Manager for any action taken, or omitted by it as Trustee, Collateral Administrator or Portfolio Manager, as applicable,

the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16. Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17. Sale of Assets.

(a) The power to effect any sale (a "Sale") of all or any portion of the Assets pursuant to Section 5.4 and Section 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice provided as soon as reasonably practicable to the Holders, and shall, upon direction of the Holders representing the requisite percentage of the Aggregate Outstanding Amount of Notes having the power to direct such Sale, from time to time postpone any Sale by public announcement made at the time and place of such Sale pursuant to Section 5.5. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided that*, the Trustee and the Portfolio Manager shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 or other applicable terms hereof.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the written consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof without representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Trustee shall provide notice as soon as reasonably practicable of any public Sale to the Holders of the Variable Dividend Notes, and the Holders of the Variable Dividend Notes and the Portfolio Manager shall be permitted to participate in any such public Sale to the extent permitted by Applicable Law and to the extent such Holders or the Portfolio Manager, as applicable, meet any applicable eligibility requirements with respect to such Sale.

(f) The Portfolio Manager, its Affiliates and Related Entities and each VDN Party shall have the right (exercisable within one day of the receipt of the related bid by the Trustee) to purchase any Collateral Obligation to be sold at any auction conducted in connection with an acceleration or other remedies exercised after an Event of Default at a price equal to the highest bid price otherwise submitted for such Collateral Obligation, in each case to the extent the related purchaser satisfies the eligibility requirements for such sale; *provided* that, (x) in the event that both (i) the Portfolio Manager or any of its Affiliates or Related Entities and (ii) one or more VDN Parties exercised such right with respect to the same Collateral Obligation, then (A) if only one such VDN Party exercised such right, such Collateral Obligation shall be sold to such VDN Party and (B) if two or more such VDN Parties exercised such right, each such VDN Party shall (unless a different allocation is agreed by such VDN Parties) be entitled to purchase portions of such Collateral Obligation (totaling the entire Collateral Obligation) *pro rata* based on the respective holdings of Variable Dividend Notes held by the Holders of Variable Dividend Notes to which such VDN Parties are related. Prior to the commencement of any such auction, the Trustee shall be required to provide a notice to the Portfolio Manager and the Holders of Variable Dividend Notes for purposes of determining which such parties, if any, are interested in potentially exercising the rights described above. The Trustee shall have no liability for (i) any failure or delay in effecting a sale or liquidation of Collateral Obligations, or any loss of value in liquidating a Collateral Obligation in connection therewith, as a result of the exercise or non-exercise of purchase rights by any such Person as described above or (ii) selling a Collateral Obligation to any such party in accordance with the procedures described above.

Section 5.18. Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the

recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; *provided however* that, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Portfolio Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within fifteen days after such notice from the Trustee, the Trustee shall so notify the Holders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this sub-section shall not be construed to limit the effect of sub-section (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-

Issuer or the Portfolio Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including mailing of notices under Article V, under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of the form of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Section 5.1(c), (d), (e) or (f) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of such a Default or Event of Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as set forth in this Section 6.1. The Trustee shall have no duty to determine whether any event is a Default or Event of Default described in Section 5.1(c), (d), (e) or (f).

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(f) The Trustee is authorized, at the request of the Portfolio Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Portfolio Manager, including the agreement referred to in the definition of "Incentive Management Fee."

(g) The Trustee shall not have any obligation to determine, verify or confirm compliance with the U.S. Risk Retention Rules, the Securitisation Regulations and Due Diligence Requirements, or the risk retention regulations of any other jurisdiction.

(h) The Trustee shall have no liability or responsibility for (i) the selection of a Fallback Rate (including, without limitation, whether the conditions for the designation of such rate have been satisfied), (ii) determining whether a Benchmark Transition Event or Benchmark

Replacement Date has occurred or (iii) determining or verifying Benchmark Replacement Rate Conforming Changes.

(i) The Trustee shall have no liability for any delay or failure in the acceptance of a Contribution requested to be made due to the related Contribution Participation Option Period not having expired or, if applicable, the inability of other Contributors to join in the contribution of property other than Cash.

(j) The Trustee shall have no obligation to determine (i) the classification of any asset as a Variable Dividend Note Collateral Obligation or Transferable Margin Stock, and shall be entitled to rely upon the Portfolio Manager's identification thereof or (ii) whether the conditions to a Junior Class Repayment have been satisfied or whether the Specified Use Interest Proceeds Cap has been exceeded.

Section 6.2. Notice of Default. As soon as reasonably practicable (and in no event later than two Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall give notice to the Co-Issuers, the Portfolio Manager, each Rating Agency, each Hedge Counterparty, each Paying Agent and all Holders, as their names and addresses appear on the Register, of all Defaults hereunder actually known to the Trust Officer of the Trustee, unless such Default shall have been cured or waived.

Section 6.3. Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, electronic communication or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, request and conclusively rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.9), investment bankers or other Persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall

be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, other paper, electronic communication or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Portfolio Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Portfolio Manager's normal business hours; *provided* that, the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory or Governmental Authority and (ii) to the extent that the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder; *provided further* that, the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; *provided* that, the Trustee shall not be liable for the conduct of, or responsible for any misconduct or negligence on the part of, any non-Affiliated agent or non-Affiliated attorney appointed with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, evaluate, certify (other than as to receipt), verify or independently determine the accuracy of any report, certificate or information received from the Issuer, Portfolio Manager or other Person and the Trustee shall not be liable in any manner whatsoever for any errors, inaccuracies or incorrect information resulting from the use of such information, including in connection with the preparation or distribution of any reports;

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and conclusively rely upon) instruction from the Issuer or a firm of nationally recognized accountants which may or may not be the Independent

accountants appointed by the Issuer pursuant to Section 10.9 (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) to the extent permitted by Applicable Law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(l) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture;

(m) the permissive rights of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty;

(n) the Trustee shall not be responsible for delays or failures in performance resulting from acts beyond its control;

(o) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(p) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7;

(q) to help fight the funding of terrorism and money laundering activities, the Trustee shall have the right to obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee, including each of the parties hereto, and such parties shall be required to provide such information. Such information shall include any information the Trustee reasonably deems necessary or appropriate to identify and verify each such entity's identity, including, without limitation, each such party's name, address, tax identification number, organizational documents, certificate of good standing, license to do business and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering circular, or other identifying documents to be provided;

(r) the Trustee shall not be liable for the actions or omissions of the Portfolio Manager, the Issuer, the Designated Transaction Representative, the Co-Issuer, any Paying Agent (other than the Trustee), any Authenticating Agent (other than the Trustee) or any other Person and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Portfolio Manager or such other Person with the

terms hereof or the Portfolio Management Agreement, or to verify or independently determine (i) the authority of the Portfolio Manager to provide an instruction hereunder or under another Transaction Document or (ii) the accuracy of information received by it from the Portfolio Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Collateral;

(s) the Collateral Administrator shall have the same rights, privileges and indemnities afforded to the Trustee in this Article VI; *provided* that, such rights, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Collateral Administration Agreement; *provided*, further, that the foregoing shall not impose on the Collateral Administrator any duties or standards of care (including a duty to act as a prudent person) of the Trustee (it being understood, for the avoidance of doubt, that this proviso shall not be construed to relieve the Collateral Administrator from the duties or standards of care to which it is expressly subject); and

(t) neither the Trustee nor the Collateral Administrator shall have any responsibility to make any inquiry or investigation as to, and shall have no obligation in respect of, the terms of any engagement of Independent accountants by the Issuer (or the Portfolio Manager on behalf of the Issuer) or the terms of any agreed upon procedures in respect of such engagement; *provided however* that, the Issuer hereby directs the Trustee to execute any acknowledgment or other agreement with the Independent accountants required for the Trustee to receive any of the reports or instructions provided for herein, which acknowledgment or agreement may include (i) restrictions or prohibitions on the disclosure of information or documents provided to it by such firm of Independent accountants (including to the Holders), (ii) acknowledgements with respect to the sufficiency of the agreed upon procedures to be performed by the Independent accountants and (iii) the release of the claims (on behalf of the Trustee and the Holders) and other acknowledgements of limitations of liability in favor of Independent accountants. In respect of any accountants appointed hereunder, the Trustee shall not be liable for any claims, liabilities or expenses relating to such accountants' engagement or any report issued in connection with such engagement, and dissemination of any such report is subject to the consent of the accountants (except in accordance with Section 10.9). Notwithstanding the foregoing, in no event shall the Trustee be required to execute any agreement in respect of the Independent accountants that the Trustee determines adversely affects it.

(u) the Trustee shall not be under any obligation to take any action in the performance of its duties hereunder that would be in violation of Applicable Law;

(v) to the extent there is, in the reasonable determination of the Collateral Administrator or the Trustee, any ambiguity in the interpretation of any definition, provision or term contained in this Indenture or to the extent the Collateral Administrator or the Trustee reasonably determines that more than one methodology can be used to make any of the determinations or calculations set forth in the Transaction Documents, the Collateral Administrator and/or the Trustee, as the case may be, shall be entitled to request direction from the Portfolio Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator and the Trustee, as applicable, shall be entitled to follow such direction and (in the

absence of bad faith on its part or manifest error in the direction) conclusively rely thereon without any responsibility or liability therefor; and

(w) Receipt by the Trustee of any report or other information received by, or otherwise made available to, the Trustee pursuant to the terms of this Indenture, shall not be deemed to constitute either actual or constructive knowledge by the Trustee of such information, unless such report or other information is delivered to the Corporate Trust Office or is actually received by a Trust Officer and (i) the Trustee is expressly required under the terms of this Indenture or another Transaction Document to take action upon receipt of such information or the contents of any such report or (ii) the review of such report or other information is necessary to perform the Trustee's express duties under this Indenture or another Transaction Document.

(x) the Trustee shall not have any duty or responsibility (i) in respect of any recording, filing, or depositing of this Indenture or any other agreement or instrument, monitoring or filing any Financing Statement or continuation statement evidencing a security interest, the maintenance of any such recording, filing or depositing or to any re-recording, re-filing or re-depositing of any thereof, or otherwise monitoring the perfection, continuation of perfection or the sufficiency or validity of any security interest in or related to the Assets or (ii) to maintain any insurance.

(y) in accordance with the U.S. Unlawful Internet Gambling Act, the Issuer may not use the Accounts or other U.S. Bank Trust Company, National Association or U.S. Bank National Association facilities in the United States to process "restricted transactions" as such term is defined in U.S. 31 CFR Section 132.2(y). Therefore, neither the Issuer nor any person who has an ownership interest in or control over the Accounts may use them to process or facilitate payments for prohibited internet gambling transactions;

(z) notwithstanding anything to the contrary herein, any and all communications (both text and attachments) by or from the Trustee that the Trustee in its sole discretion deems to contain confidential, proprietary and/or sensitive information and sent by electronic mail will be encrypted. The recipient of the email communication will be required to complete a one-time registration process;

(aa) the Trustee shall not have any obligation to determine: (a) the characterization of a Collateral Obligation, Equity Security, Restructured Obligation, Specified Equity Security or Workout Instrument, (b) if a Collateral Obligation, Equity Security, Restructured Obligation, Specified Equity Security, Workout Obligation or Workout Security meets the criteria or eligibility restrictions specified in the respective definition thereof or otherwise in this Indenture or (c) if the conditions specified in the definition of "Deliver" have been complied with;

(bb) in the event the Bank or any of its Affiliates (in their individual capacity or as Trustee) is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Custodian, Authenticating Agent, Calculation Agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank or its Affiliates acting in such capacities; *provided* that, such rights, protections, benefits, immunities and indemnities shall be in addition to, and not in limitation of,

any rights, immunities and indemnities provided in any other documents to which the Bank or any of its Affiliates in such capacity is a party; *provided*, further, that the foregoing shall not impose upon such Person the duties or standards of care (including a duty to act as a prudent person) of the Trustee (it being understood, for the avoidance of doubt, that this proviso shall not be construed to relieve any such Person from the applicable duties or standards of care to which such Person is expressly subject when acting in such capacity); and

(cc) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets.

Section 6.4. Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity, enforceability or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5. May Hold Notes. The Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6. Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder, except in its capacity as the Bank in its individual capacity to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its individual capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7. Compensation and Reimbursement.

(a) The Issuer agrees:

(i) to pay the Bank (in each of its capacities) on each Distribution Date reasonable compensation as set forth in a separate fee schedule dated on or near the Closing Date between the Trustee and the Portfolio Manager for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Bank (individually and in each of its capacities) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank in accordance with any provision of this Indenture or any other Transaction Document (including, without limitation, costs incurred by the Bank (in any of its capacities)) in connection with the Issuer's obligation to comply with FATCA, tax withholding, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, Section 5.5, Section 10.7 or any other term of this Indenture, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Bank's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Portfolio Manager in writing;

(iii) to indemnify the Bank (individually and in each of its capacities) and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability, damage, fee, cost or expense (including reasonable attorney's fees and costs) incurred without negligence, willful misconduct or bad faith on their part (including a successful defense, in whole or in part, of any claim that the Bank acted with negligence, willful misconduct or bad faith), and arising out of or in connection with the acceptance or administration of this Indenture and the transaction contemplated thereby, including the costs and expenses (including reasonable attorney's fees and costs) of (x) defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other transaction document related hereto, and (y) the enforcement of the Issuer's indemnification obligations hereunder; and

(iv) to pay the Bank reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 or the exercise or enforcement of remedies pursuant to Article V.

(b) The Bank shall receive amounts pursuant to this Section 6.7 in accordance with the Priority of Distributions but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Bank shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Bank shall not have received amounts due it hereunder; *provided* that, nothing herein shall impair or affect the Bank's rights under Section 6.9. No direction by the Holders shall affect the right of the Bank to collect amounts owed to it under this Indenture or any other Transaction Document. If on any date when a fee, expense or any other amount shall be payable to the Bank pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee not so paid shall be deferred and payable on such later date on which a fee shall be payable and sufficient funds are available therefor. The Issuer's obligations under this Section 6.7 shall survive the termination or assignment of this Indenture and the resignation or removal of the Bank pursuant to Section 6.9.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year (or if longer the

applicable preference period then in effect) plus one day after the payment in full of all Notes issued under this Indenture.

Section 6.8. Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state authority, having a CR Assessment of at least "Baa3(cr) by Moody's (or, if such organization or entity has no CR Assessment, a senior unsecured debt rating or a long-term issuer rating of at least "Baa3" by Moody's) and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Co-Issuers, the Portfolio Manager, the Holders and each Rating Agency not less than 60 days prior to such resignation. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Portfolio Manager; *provided* that, the Issuer shall provide prior written notice to the Rating Agencies of any such appointment; *provided further* that, the Issuer shall not appoint such successor trustee or trustees without the consent of the Portfolio Manager and a Majority of the Secured Notes of each Class voting as a single class (or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class) unless (i) the Issuer gives ten days' prior written notice to the Holders of such appointment and (ii) written notice has not been provided to the Issuer by a Majority of the Secured Notes of any Class (or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), a Majority of the Controlling Class) objecting to such appointment (the failure of any such Majority to provide such notice to the Issuer within ten days of receipt of notice of such appointment from the Issuer being conclusively deemed to constitute hereunder consent to such appointment and approval of such successor trustee or trustees). If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee (at the expense of the Issuer as provided in Section

6.7) or any Holder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time upon 30 days' advance written notice by the Portfolio Manager or an Act of a Majority of the Controlling Class delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or a Majority of the Controlling Class; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the retiring Trustee (at the expense of the Issuer) as provided in Section 6.7 may, or any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to the Portfolio Manager, to the Holders and to each Rating Agency. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) Any resignation or removal of the Trustee under this Section 6.9 shall be an effective resignation or removal of the Bank in all capacities under this Indenture.

Section 6.10. Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.9 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11. Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12. Co-Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located or for purposes of enforcement actions and where conflicts of interest exist, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee that satisfy the requirements of Section 6.8, jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12 and to perform such other acts as may be determined by the Co-Issuers and/or the Trustee.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment. In no event shall any co-trustee be deemed to be an agent or representative of the Trustee. The Trustee shall provide notice to each Rating Agency of the appointment of any such co-trustee.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay (but only from and to the extent of the Assets), to the extent

funds are available therefor under the Priority of Distributions, any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee or for the appointment of any co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Section 6.13. Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that in any month the Trustee shall not have received a payment with respect to any Pledged Obligation on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Portfolio Manager in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if longer) after such notice such payment shall have been received by the Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall request the issuer of such Pledged Obligation, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such reasonable action as the Portfolio Manager shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Portfolio Manager requests a release of a Pledged Obligation and/or delivers an additional Collateral Obligation in

connection with any such action under the Portfolio Management Agreement, such release and/or substitution shall be subject to Section 10.8 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14. Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Section 2.4, Section 2.5, Section 2.6, Section 2.7 and Section 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense under Section 11.1. The provisions of Section 2.9, Section 6.4 and Section 6.5 shall be applicable to any Authenticating Agent.

Section 6.15. Withholding. If any withholding tax is imposed on the Issuer's payment under the Notes to any Holder, such tax shall reduce the amount otherwise distributable to such Holder. The Trustee or any Paying Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax, including any tax imposed pursuant to FATCA, that is legally owed by the Issuer and to timely remit such amounts to the appropriate taxing authority. Such authorization shall not prevent the Trustee or such Paying Agent from contesting any such tax in appropriate Proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such Proceedings. The amount of any withholding tax imposed with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld by the Trustee or any Paying Agent and

remitted to the appropriate taxing authority. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee or such Paying Agent shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee or such Paying Agent for any reasonable out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or any Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16. Representative for Holders of Secured Notes Only; Agent for each Other Secured Party and the Holders of the Variable Dividend Notes. With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as representative of the Holders of Secured Notes and agent for each other Secured Party and the Holders of the other Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset (including without limitation as Entitlement Holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Holders of Secured Notes and agent for each other Secured Party and the Holders of the other Notes.

Section 6.17. Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association with trust powers under the laws of the United States of America and has the power to conduct its business and affairs as a trustee.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of trustee, registrar, transfer agent and calculation agent under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. Upon execution and delivery by the Bank, this Indenture shall constitute the legal, valid and binding obligation of the Bank enforceable against the Bank in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium, liquidation and similar laws affecting the rights of creditors, and subject to equitable principles including without limitation concepts of materiality, reasonableness, good faith and fair dealing (whether enforcement is sought in a legal or equitable Proceeding), and except that certain of such obligations may be enforceable solely against the Assets.

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration with any United States federal or State of New York agency or other governmental body under any United States federal or State of New York regulation or law having jurisdiction over the banking or trust powers of the Bank.

Section 6.18. Communication with Rating Agencies. Any written communication, including any confirmation, from a Rating Agency provided for or required to be obtained by the Trustee hereunder shall be sufficient in each case when such communication or confirmation is received by the Trustee, including by electronic message, facsimile, press release, posting to the applicable Rating Agency's website, or other means then considered industry standard that is acceptable to the applicable Rating Agency in accordance with its methodology.

The Issuer shall, to the extent legally permitted and to the extent funds are available pursuant to the Priority of Distributions, duly and punctually pay all required distributions on the Variable Dividend Notes, in accordance with such Variable Dividend Notes and this Indenture.

The Issuer shall, subject to the Priority of Distributions, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other Applicable Law by any Person from a payment to any Holder shall be considered as having been paid by the Applicable Issuers to such Holder for all purposes of this Indenture.

Section 7.2. Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Notes and as Transfer Agent for transfers of the Notes. Notes may be surrendered for registration of transfer or exchange at the Corporate Trust Office of the Trustee or its agent designated for purposes of surrender, transfer or exchange. The Co-Issuers hereby appoint Corporation Service Company, 19 West 44th Street, Suite 200, New York, New York, 10036, as agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; *provided however* that, the Co-Issuers shall maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented and surrendered for payment; *provided further* that, no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax as a result of such appointment. The Co-Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Co-Issuers shall give written notice as soon as reasonably practicable to the Trustee, the Holders, and each Rating Agency of the appointment or

termination of any such agent and of the location and any change in the location of any such office or agency.

Section 7.3. Money for Payments to Be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Applicable Issuers by the Trustee or a Paying Agent.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, no later than the Business Day next preceding each Distribution Date or Redemption Date, as the case may be, direct the Trustee to deposit on such Distribution Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Co-Issuers shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; *provided* that, so long as the Notes of any Class are rated by a Rating Agency, with respect to any additional or successor Paying Agent, such Paying Agent shall have a CR Assessment of at least "Baa3(cr)" by Moody's (or if it has no CR Assessment by Moody's, a senior unsecured debt rating or a long-term issuer rating of at least "Baa3" by Moody's). If such successor Paying Agent ceases to have such ratings, the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent shall:

(a) allocate all sums received for payment to the Holders for which it acts as Paying Agent on each Distribution Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report or report pertaining to such Redemption Date to the extent permitted by Applicable Law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such

Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer or the Co-Issuer in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by Applicable Law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer or the Co-Issuer, as applicable, on Issuer Order; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer or the Co-Issuer, as applicable, for payment of such amounts (but only to the extent of the amounts so paid to the Issuer or the Co-Issuer, as applicable) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Certificated Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4. Existence of Co-Issuers.

(a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by Applicable Law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; *provided*

however that, the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given by the Issuer to the Trustee (which shall provide notice to the Holders), the Portfolio Manager, and each Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class or a Majority of the Variable Dividend Notes objecting to such change; and *provided further* that, the Issuer shall be entitled to take any action required by this Indenture within the United States notwithstanding any provision of this Indenture requiring the Issuer to take such action outside of the United States so long as prior to taking any such action the Issuer receives Tax Advice to the effect that it is not necessary to take such action outside of the United States or any political subdivision thereof in order to prevent the Issuer from becoming subject to U.S. federal income taxes on a net basis.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular board of directors' and shareholders', or other similar, meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency Proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Issuer Subsidiary), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the Administration Agreement or the declaration of trust by Walkers Fiduciary Limited, (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors to the extent they are employees), (B) except as contemplated by the Portfolio Management Agreement, the Memorandum and Articles or the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles and (y) the Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements (if any), (F) pay its own liabilities out of its own funds, (G) maintain an arm's length relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person, (J) correct any known misunderstanding regarding its separate identity and (K) have at least one director that is Independent of the Portfolio Manager.

Section 7.5. Protection of Assets.

(a) The Issuer, or the Portfolio Manager on behalf and at the expense of the Issuer, shall cause the taking of such action by the Issuer (or by the Portfolio Manager if within the Portfolio Manager's control under the Portfolio Management Agreement) as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets. The Issuer shall from time to time prepare or cause to be prepared, execute, deliver and file all such supplements and amendments hereto and all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take

such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Trustee for the benefit of the Secured Parties hereunder and to:

- (i) Grant more effectively all or any portion of the Issuer's right, title and interest in, to and under the Assets;
- (ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);
- (iv) enforce any of the Pledged Obligations or other instruments or property included in the Assets; or
- (v) preserve and defend title to the Assets and the rights therein of the Secured Parties in the Assets against the claims of all Persons and parties.

The Issuer hereby designates the Trustee as its agent and attorney in fact to prepare and file or record any Financing Statement (other than the Financing Statement delivered on the Closing Date), continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5; *provided* that, such appointment shall not impose upon the Trustee any of the Issuer's or the Portfolio Manager's obligations under this Section 7.5. In connection therewith, the Trustee shall be entitled to receive, at the cost of the Issuer, and conclusively rely upon an Opinion of Counsel delivered in accordance with Section 7.6 as to the need to file, the dates by which such filings are required to be made and the jurisdiction in which such filings are to be made and the form and content of such filings. The Issuer further authorizes and shall cause the Issuer's United States counsel to file a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all assets in which the debtor now or hereafter has rights" as the Assets in which the Trustee has a Grant.

(b) The Trustee shall not, except in accordance with Article V and Section 10.6, Section 12.1 and Section 12.3, as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof shall continue to be maintained after giving effect to such action or actions.

(c) The Issuer shall register the security interests granted under this Indenture in the register of mortgages and charges maintained at the Issuer's registered office in the Cayman Islands.

(d) If the Issuer shall at any time hold or acquire a "commercial tort claim" (as defined in the UCC) for which the Issuer (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, the Issuer shall promptly provide notice to the Trustee in writing containing a sufficient description thereof (within the meaning of Section 9-108 of the UCC). If the Issuer shall at any time hold or acquire any timber to be cut, the Issuer shall promptly provide notice to the Trustee in writing containing a description of the land concerned (within the meaning of Section 9-203(b) of the UCC). Any commercial tort claim or timber to be cut so described in such notice to the Trustee will constitute Collateral and the description thereof will be deemed to be incorporated into the reference to commercial tort claim or to goods in Granting Clause I. If the Issuer shall at any time hold or acquire any letter-of-credit rights, other than letter-of-credit rights that are supporting obligations (as defined in Section 9-102(a)(78) of the UCC), it shall obtain the consent of the issuer of the applicable letter of credit to an assignment of the proceeds of such letter of credit to the Trustee in order to establish control (pursuant to Section 9-107 of the UCC) of such letter-of-credit rights by the Trustee.

Section 7.6. Opinions as to Assets. No later than the November 15th that precedes the fifth anniversary of the Closing Date (and every five years thereafter so long as any Secured Notes are Outstanding), the Issuer shall furnish to the Trustee (with a copy to Moody's) an Opinion of Counsel relating to the security interest Granted by the Issuer to the Trustee, stating that, in the opinion of such counsel, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next year.

Section 7.7. Performance of Obligations.

(a) The Co-Issuers, each as to itself, shall not take any action, and shall use their commercially reasonable efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of pricing amendments, ordinary course waivers/amendments, and enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Portfolio Manager under the Portfolio Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Secured Notes (except in the case of the Portfolio Management Agreement and the Collateral Administration Agreement, in which case no consent shall be required), contract with other Persons, including the Portfolio Manager, the Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Portfolio Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Applicable Issuers; and

the Applicable Issuers shall punctually perform, and use their commercially reasonable efforts to cause the Portfolio Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Portfolio Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

Section 7.8. Negative Covenants.

(a) The Issuer shall not and, with respect to clauses (i), (ii), (iii), (iv), (vi), (vii), (viii), (ix) and (x), the Co-Issuer shall not, in each case from and after the Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Portfolio Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Notes (other than amounts withheld in accordance with the Code or any Applicable Law of the Cayman Islands or other applicable jurisdiction) or assert any claim against any present or future Holder, by reason of the payment of any taxes levied or assessed upon any part of the Assets, other than as set forth in this Indenture;

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes (to the extent they evidence debt) and this Indenture and the transactions contemplated hereby, or (B)(1) issue any additional class of securities (except as provided in Section 2.4) or (2) issue any additional shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes, except as may be permitted hereby or by the Portfolio Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Portfolio Management Agreement except pursuant to the terms thereof and Article XV of this Indenture;

(vi) so long as any Class issued by it is Outstanding, dissolve or liquidate in whole or in part, except as permitted hereunder or required by Applicable Law;

(vii) pay any distributions other than in accordance with the Priority of Distributions;

(viii) permit the formation of any subsidiaries (other than the Co-Issuer and any Issuer Subsidiary);

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by this Indenture or the Portfolio Management Agreement;

(xii) [reserved];

(xiii) establish a branch, agency, office or place of business in the United States;

(xiv) solicit, advertise or publish the Issuer's ability to enter into credit derivatives;

(xv) register as or become subject to regulatory supervision or other legal requirements under the laws of any country or political subdivision thereof as a bank, insurance company or finance company;

(xvi) knowingly take any action that would reasonably be expected to cause it to be treated as a bank, insurance company or finance company for purposes of (i) any tax, securities law or other filing or submission made to any Governmental Authority, (ii) any application made to a rating agency or (iii) qualification for any exemption from tax, securities law or any other legal requirements; or

(xvii) hold itself out to the public as a bank, insurance company or finance company.

(b) The Co-Issuer shall not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and shall keep all of its assets in Cash.

(c) [Reserved].

(d) The Issuer and the Co-Issuer shall not be party to any agreements (including Hedge Agreements) without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Portfolio Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Portfolio Manager in its sole discretion) loan trading documentation.

(e) The Co-Issuer shall not fail to maintain an independent manager under its limited liability company agreement.

Section 7.9. Statement as to Compliance. The Issuer shall deliver to the Trustee, the Portfolio Manager and the Administrator (to be forwarded, at the cost of the Issuer, by the Trustee to each Holder making a written request therefor and each Rating Agency) (a) no later than December 31 in each calendar year, commencing in 2023 and (b) immediately if there has been a Default under this Indenture, an Officer's certificate of the Issuer, having made reasonable inquiries of the Portfolio Manager and to the best of the knowledge, information and belief of the Issuer, which certificate shall (i) either (1) certify that as of a date not more than five days prior to the date of such certificate, there did not exist nor has there existed at any time since the date of the last such certificate (or the Closing Date, if no such certificate has been delivered), any Default or (2) specify any Default during such period and the nature and status thereof, including actions undertaken to remedy the same, and (ii) either (1) certify that the Issuer has complied with all of its obligations under this Indenture or (2) specify those obligations with which it has not complied.

Section 7.10. Co-Issuers May Consolidate, etc., Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person (other than in a liquidation of Collateral contemplated under this Indenture), unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company incorporated and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class; *provided that*, no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4, and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Secured Notes issued by the Merging Entity and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) the Trustee shall have received notice of such consolidation or merger and shall have distributed copies of such notice to each Rating Agency as soon as reasonably practicable and in any case no less than five days prior to such merger or consolidation, and the Trustee shall have received written confirmation from each Rating Agency that its ratings issued with respect to the Secured Notes then rated by each Rating Agency shall not be reduced or withdrawn as a result of the consummation of such transaction;

(c) if the Merging Entity is not the surviving corporation, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its

Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the surviving corporation, the Successor Entity shall have delivered to the Trustee, and each Rating Agency, an Officer's certificate and an Opinion of Counsel each stating that such Person shall be duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a Proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets, (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets and (iii) such Successor Entity will not be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have delivered notice to each Rating Agency, and the Merging Entity shall have delivered to the Trustee and each Holder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions in this Article VII relating to such transaction have been complied with and that such transaction will not (1) result in the Merging Entity or Successor Entity being treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise becoming subject to U.S. federal income tax on a net basis or (2) have material adverse U.S. federal income tax consequences to the Issuer or the Holders of the Notes (including causing a deemed retirement and reissuance or exchange of the Notes) or to any Class Outstanding at the time of such transaction, as compared to the treatment of such Holders or Class as described in the Offering Circular under the heading "*Certain U.S. Federal Income Tax Considerations*;" and

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act.

Section 7.11. Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, and shall be bound by each obligation and covenant of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12. No Other Business. From and after the Closing Date, the Issuer shall not engage in any business or activity other than issuing and selling the Notes pursuant to this Indenture and acquiring, owning, holding, selling, lending, exchanging, redeeming, pledging, contracting for the management of and otherwise dealing with Collateral Obligations and the other Assets in connection therewith and entering into the applicable Transaction Documents and any other agreements specifically contemplated by this Indenture. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Notes to be issued by it pursuant to this Indenture and, with respect to the Issuer and the Co-Issuer, such other activities which are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith or ancillary thereto. The Issuer and the Co-Issuer may amend, or permit the amendment of, the Memorandum and Articles of the Issuer, the declaration of trust by Walkers Fiduciary Limited and the Certificate of Formation and limited liability company agreement of the Co-Issuer, respectively only upon satisfaction of the Moody's Rating Condition.

Section 7.13. Rating Review.

(a) So long as any of the Secured Notes remain Outstanding, the Applicable Issuers shall obtain and pay for the ongoing review of the rating of each such Class of Secured Notes from each Rating Agency, as applicable. The Applicable Issuers shall promptly notify the Trustee and the Portfolio Manager in writing (and the Trustee shall promptly provide the Holders with a copy of such notice) if at any time the rating of any such Class of Secured Notes has been, or is known shall be, changed or withdrawn.

(b) With respect to any Collateral Obligation that has a Moody's Rating based on a rating estimate, the Issuer will request (and pay for when delivered) a renewal of any such estimated rating from Moody's, annually or if sooner, following any material deterioration in the creditworthiness of the related obligor or a material amendment to the related Underlying Instrument of such Collateral Obligation, as determined by the Portfolio Manager in its reasonable business judgment.

Section 7.14. Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of the Notes, the Co-Issuers shall promptly furnish or cause to be furnished "Rule 144A Information" to such Holder

or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner, or to the Trustee for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner of such Note with Rule 144A under the Securities Act in connection with the resale of such Note by such Holder or beneficial owner of such Note, respectively. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.15. Calculation Agent.

(a) The Issuer hereby agrees that for so long as any of the Floating Rate Notes remain Outstanding there shall at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates) to calculate the Benchmark in respect of each Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) (the "Calculation Agent"). The Issuer hereby appoints the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, the Issuer or the Portfolio Manager, on behalf of the Issuer, shall promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates. The Calculation Agent may not resign from its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree (and the Collateral Administrator as Calculation Agent does hereby agree) that, on each Interest Determination Date, but in no event later than 5:00 p.m. New York time on such Interest Determination Date, the Calculation Agent shall calculate the Note Interest Rate for each Class of Floating Rate Notes for the next Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) and the Note Interest Amount for each Class of Floating Rate Notes (in each case, rounded to the nearest cent, with half a cent being rounded upward) on the related Distribution Date. At such time the Calculation Agent shall communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Portfolio Manager and Euroclear, Clearstream. The Calculation Agent shall notify the Co-Issuers before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Note Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) shall (in the absence of manifest error) be final and binding upon all parties.

(c) Neither the Trustee, Paying Agent nor Calculation Agent shall be under any obligation (i) to monitor, determine or verify the unavailability or cessation of Term SOFR (or other applicable Benchmark), or whether or when there has occurred, or to give notice to any other transaction party of the occurrence of, any Benchmark Transition Event, Benchmark Replacement Date or the unavailability or cessation of Term SOFR (or other applicable Benchmark), (ii) to select, identify or designate any Fallback Rate or other successor or

replacement benchmark index, or determine whether any conditions to the designation of such a rate have been satisfied, (iii) to select, identify or designate any credit spread adjustments, or other modifier to any replacement or successor index, or (iv) to determine whether or what Benchmark Replacement Rate Conforming Changes or other amendment or conforming changes are necessary or advisable, if any, in connection with the adoption of a Fallback Rate. Neither the Trustee, Paying Agent, nor Calculation Agent shall be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Indenture or other Transaction Document as a result of the unavailability of Term SOFR (or other applicable Benchmark) or the absence of a Fallback Rate, including as a result of any inability, delay, error or inaccuracy on the part of any other Transaction Party, including without limitation the Designated Transaction Representative, in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture or other Transaction Document and reasonably required for the performance of such duties. The Calculation Agent shall, in respect of any Interest Determination Date, have no liability for the application of Term SOFR as determined on the previous Interest Determination Date or a prior U.S. Government Securities Business Day if so required under the definition of Term SOFR. If the Calculation Agent at any time or times determines in its reasonable judgment that guidance is needed to perform its duties, or if it is required to decide between alternative courses of action, the Calculation Agent may (but is not obligated to) reasonably request guidance in the form of written instructions (or, in its sole discretion, oral instruction followed by written confirmation) from the Designated Transaction Representative, including without limitation in respect of facilitating or specifying administrative procedures with respect to the calculation of any Fallback Rate, on which the Calculation Agent shall be entitled to rely without liability. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction. For the avoidance of doubt, all references in this Indenture and the Collateral Administration Agreement to (i) the right of the Trustee and the Collateral Administrator to rely upon notices, instructions and other information provided by the Portfolio Manager and (ii) protections afforded to the Trustee and the Collateral Administrator in respect of any acts or omissions of the Portfolio Manager, shall in each case also apply to the same extent in respect of the Designated Transaction Representative.

Section 7.16. Certain Tax Matters.

(a) The Issuer and the Co-Issuer will treat the Secured Notes as indebtedness of the Issuer for U.S. federal, state and local income and franchise tax purposes and will take no action inconsistent with such treatment unless required by law; *provided*, that the foregoing shall not prevent the Issuer or its agents from providing the information described in Section 7.16(b) to a Holder (which, for purposes of this Section 7.16, shall include any holder of a beneficial interest in a Note) of a Class D Note or Class E Note seeking to make a protective QEF election and file protective information returns with respect to an investment in such Note. The Issuer and the Co-Issuer will treat the Variable Dividend Notes as equity for U.S. federal, state and local income and franchise tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) The Issuer and Co-Issuer shall prepare and file, and the Issuer shall cause each Issuer Subsidiary to prepare and file, or in each case shall hire Independent accountants and the Independent accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer or Holders of a Variable Dividend Note) for each taxable year of the

Issuer, the Co-Issuer and the Issuer Subsidiary the federal, state and local income tax returns and reports as required under the Code, or any tax returns or information tax returns required by any Governmental Authority which the Issuer, the Co-Issuer or the Issuer Subsidiary are required to file (and, where applicable, deliver), and shall provide to each Holder of a Variable Dividend Note (to the extent such information is reasonably available to it) any information that such Holder reasonably requests in order for such Holder to (i) comply with its U.S. federal, state, or local tax return filing and information reporting obligations (such information to be provided at the Issuer's expense), (ii) with respect to a holder of a Variable Dividend Note (or any Secured Notes recharacterized as equity for U.S. federal income tax purposes), make and maintain a QEF election with respect to the Issuer and any non-U.S. Issuer Subsidiary (such information to be provided at the Issuer's expense), (iii) with respect to a Holder of a Class E Note, file a protective statement preserving such Holder's ability to make a retroactive QEF election with respect to the Issuer and any non-U.S. Issuer Subsidiary (such information to be provided at such Holder's expense) or (iv) with respect to a Holder of a Variable Dividend Note (or any Secured Notes recharacterized as equity for U.S. federal income tax purposes), comply with filing requirements that arise as a result of the Issuer or any non-U.S. Issuer Subsidiary being classified as a "controlled foreign corporation" for U.S. federal income tax purposes (such information to be provided at such Holder's expense); *provided that*, neither the Issuer nor the Co-Issuer shall file, or cause to be filed, any income or franchise tax return in the United States or any state of the United States on the basis that it is engaged in a trade or business in the United States for U.S. federal income tax purposes unless it shall have obtained Tax Advice prior to such filing that, under the laws of such jurisdiction, the Issuer or Co-Issuer (as applicable) is required to file such income or franchise tax return. The Portfolio Manager shall ensure that the Issuer retains a firm of Independent accountants of recognized national reputation in the United States to satisfy the Issuer's obligations described in this Section 7.16(b).

(c) Notwithstanding any provision herein to the contrary, the Issuer (or an agent acting on its behalf) shall take, and shall cause any Issuer Subsidiary to take, any and all actions that may be necessary or appropriate to ensure that the Issuer or such Issuer Subsidiary satisfies any and all withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1471 and 1472, or any other provision of the Code or other Applicable Law. Without limiting the generality of the foregoing, (i) each of the Issuer and any Issuer Subsidiary may withhold any amount that it or any advisor retained by the Issuer determines is required to be withheld from any amounts otherwise distributable to any Person, (ii) if reasonably able to do so, the Issuer and any Issuer Subsidiary shall deliver or cause to be delivered any certification or documentation (including, in the case of the Issuer or any non-U.S. Issuer Subsidiary, an IRS Form W-8BEN-E and, in the case of any U.S. Issuer Subsidiary, an IRS Form W-9, or applicable successor form and other properly completed and executed documentation) it determines is necessary to enable the Issuer or such Issuer Subsidiary to receive payments without withholding or deduction or at a reduced rate of withholding or deduction, and (iii) the Issuer and each non-U.S. Issuer Subsidiary will take commercially reasonable efforts to comply with any requirements necessary to establish and maintain its status as a "reporting Model 1 FFI" within the meaning of Treasury Regulations section 1.1471-1(b)(114), as necessary to avoid any adverse consequences to it under FATCA.

Upon written request, the Trustee and the Registrar shall provide to the Issuer, the Portfolio Manager or any of their respective agents any information or documentation in the

possession of the Trustee or the Registrar, as the case may be, obtained from any Holder of Notes that it utilizes for purposes of FATCA reporting and any information that is reasonably available to the Trustee or the Registrar, as the case may be, by reason of it acting in such capacity regarding payments on the Notes, in each case, as may be necessary for the Issuer to comply with FATCA or similar requirements in other jurisdictions. Neither the Trustee nor the Registrar shall have any liability for any such disclosure or, subject to its duties herein, the accuracy thereof.

(d) Upon the Trustee's receipt of a request of a Holder of Secured Notes, delivered in accordance with the notice procedures of Section 14.3, for the information described in Treasury Regulations section 1.1275-3(b)(1)(i) that is applicable to such Holder or such Person, the Issuer shall cause its Independent accountants to provide promptly to the Trustee, and the Trustee shall promptly deliver to such requesting Holder or such requesting Person, all of such information.

(e) Prior to the time that:

(i) the Issuer would acquire or receive an asset in connection with a workout or restructuring of a Collateral Obligation, or

(ii) any Collateral Obligation is modified in such a manner,

in each case, that could cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise cause the Issuer to be subject to U.S. federal income tax on a net basis, the Issuer shall either (i) sell the right to receive such asset, or the Collateral Obligation that is the subject of the workout, restructuring, or modification, or (ii) contribute the right to receive such asset, or the Collateral Obligation that is the subject of the workout, restructuring, or modification to a directly or indirectly wholly-owned special purpose vehicle that is treated as a corporation for U.S. federal income tax purposes (each, an "Issuer Subsidiary"), unless the Issuer has received Tax Advice to the effect that the acquisition, receipt, ownership, and disposition of such asset or Collateral Obligation, or that the modification of such Collateral Obligation, as the case may be, will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis.

(f) The Issuer shall not elect to be treated as other than a corporation for U.S. federal income tax purposes.

(g) Each Issuer Subsidiary will be required at all times to have at least one independent director meeting the requirements of an "Independent Director" as set forth in the Issuer Subsidiary's organizational documents (which organizational documents shall comply with any applicable Rating Agency rating criteria). Each Issuer Subsidiary must not have any employees (other than its directors, to the extent that they are employees) and must not have any subsidiaries (other than any subsidiaries that are subject to the covenants applicable to Issuer Subsidiaries). The Issuer shall cause the purposes and permitted activities of any Issuer Subsidiary to be restricted solely to the acquisition, receipt, holding, management and disposition of Collateral Obligations and/or other assets referred to in Section 7.16(e)(i) and

Section 7.16(e)(ii) and any assets, income and proceeds received in respect thereof (collectively, "Issuer Subsidiary Assets"), subject to the same limitations on powers of the Issuer set forth in the organizational documents of the Issuer as of the Closing Date, and shall require each Issuer Subsidiary to distribute 100% of the net proceeds of any sale of such Issuer Subsidiary Assets, net of any tax or other liabilities, to the Issuer. An Issuer Subsidiary may distribute an Issuer Subsidiary Asset to the Issuer if the Issuer has received Tax Advice to the effect that such distribution will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis. No supplemental indenture pursuant to Section 8.1 or Section 8.2 hereof shall be necessary to permit the Issuer, or the Portfolio Manager on its behalf, to take any actions necessary to set up an Issuer Subsidiary. The Issuer (or the Portfolio Manager on behalf of the Issuer) shall provide to the Rating Agencies notice of the formation of any Issuer Subsidiary and of the transfer of any asset to any Issuer Subsidiary.

(h) With respect to any Issuer Subsidiary:

(i) the Issuer shall not allow such Issuer Subsidiary to (A) purchase any assets, or (B) acquire title to real property or a controlling interest in any entity that owns real property;

(ii) the Issuer shall ensure that such Issuer Subsidiary shall not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of such Issuer Subsidiary Assets, except as expressly permitted by this Indenture and the Portfolio Management Agreement;

(iii) the Issuer shall ensure that such Issuer Subsidiary shall not (A) have any employees (other than its directors, to the extent that they are employees), (B) have any subsidiaries (other than any subsidiary of such Issuer Subsidiary which is subject, to the extent applicable, to covenants set forth in this Section 7.16 applicable to an Issuer Subsidiary), or (C) incur or assume or guarantee any indebtedness or hold itself out as liable for the debt of any other Persons;

(iv) the Issuer shall ensure that such Issuer Subsidiary shall not conduct business under any name other than its own;

(v) the constitutive documents of such Issuer Subsidiary shall provide that recourse with respect to costs, expenses or other liabilities of such Issuer Subsidiary shall be solely to the assets of such Issuer Subsidiary and no creditor of such Issuer Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under Applicable Law;

(vi) the Issuer shall ensure that such Issuer Subsidiary shall file all tax returns and reports required to be filed by it and to pay all taxes required to be paid by it;

(vii) the Issuer shall notify the Trustee of the filing or commencement of any action, suit or Proceeding by or before any arbiter or Governmental Authority against or affecting such Issuer Subsidiary;

(viii) the Issuer shall ensure that such Issuer Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any condition upon the ability of such Issuer Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(ix) the Issuer shall be permitted to take any actions and enter into any agreements to effect the transactions contemplated by Section 7.16(e) so long as they do not violate Section 7.16(g);

(x) the Issuer shall keep in full effect the existence, rights and franchises of such Issuer Subsidiary as a company or corporation organized under the laws of its jurisdiction and shall obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to preserve the Issuer Subsidiary Assets held from time to time by such Issuer Subsidiary. In addition, the Issuer and such Issuer Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in the separate existence of such Issuer Subsidiary being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency Proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Issuer Subsidiary upon the sale of the final Issuer Subsidiary Asset and all other assets held therein or upon the advice of counsel;

(xi) the parties hereto agree that any reports prepared by the Trustee, the Portfolio Manager or the Collateral Administrator with respect to the Collateral Obligations shall indicate that any Issuer Subsidiary Assets are held by an Issuer Subsidiary, and shall refer directly and solely to such Issuer Subsidiary Assets, and the Trustee and the Collateral Administrator shall not be obligated to refer to the equity interest in such Issuer Subsidiary;

(xii) the Issuer, the Co-Issuer, the Portfolio Manager and the Trustee shall not cause the filing of a petition in bankruptcy against the Issuer Subsidiary for the nonpayment of any amounts due hereunder until at least one year and one day (or any longer applicable preference period then in effect) plus one day, after the payment in full of all the Notes issued under this Indenture;

(xiii) in connection with the organization of such Issuer Subsidiary and the contribution of any Issuer Subsidiary Assets to such Issuer Subsidiary, the Issuer Subsidiary shall establish one or more custodial and/or collateral accounts (each of which shall be Eligible Accounts), as necessary, with the Bank or the Custodian to hold the Issuer Subsidiary Assets; *provided that*, (A) an Issuer Subsidiary Asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Issuer Subsidiary Asset or any other asset and (B) the Issuer may pledge an Issuer Subsidiary Asset to a Person other than the Trustee if required pursuant to a related reorganization or bankruptcy Proceeding of the Issuer;

(xiv) subject to the other provisions of this Indenture, the Issuer shall cause the Issuer Subsidiary to distribute, or cause to be distributed, the proceeds of Issuer Subsidiary Assets to the Issuer, in such amounts and at such times as shall be determined by the Portfolio Manager (any Cash proceeds distributed to the Issuer shall be deposited into the

Principal Collection Account or the Interest Collection Account, as applicable); *provided* that, the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expenses have been paid in full or have been properly reserved for in accordance with GAAP;

(xv) notwithstanding the complete and absolute transfer of an Issuer Subsidiary Asset to an Issuer Subsidiary, for purposes of measuring compliance with the Concentration Limitations, Collateral Quality Test, and Coverage Tests, the ownership interests of the Issuer in such Issuer Subsidiary or any property distributed to the Issuer by the Issuer Subsidiary (other than Cash) shall be treated as ownership of the Issuer Subsidiary Asset(s) owned by such Issuer Subsidiary (and shall be treated as having the same characteristics as such Issuer Subsidiary Asset(s)). If, prior to its transfer to the Issuer Subsidiary, an Issuer Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in the Issuer Subsidiary shall be treated as a Defaulted Obligation until such Issuer Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvi) any distribution of Cash by such Issuer Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer;

(xvii) if (A) any Event of Default occurs, the Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Collateral, (B) notice is given of any Mandatory Redemption, a redemption by reason of a Tax Event, or other prepayment in full or repayment in full of all Notes Outstanding and such notice is not capable of being rescinded, (C) the earliest Stated Maturity has occurred, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Collateral, however described, the Issuer or the Portfolio Manager on the Issuer's behalf shall (x) instruct such Issuer Subsidiary to sell each Issuer Subsidiary Asset held by such Issuer Subsidiary and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Issuer Subsidiary held by the Issuer or (y) sell its interest in such Issuer Subsidiary; and

(xviii) the Issuer shall not dispose of an interest in any Issuer Subsidiary if such interest is a "United States real property interest", as defined in Section 897(c) of the Code, and an Issuer Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or cause the Issuer to be subject to U.S. federal income tax on a net basis;

(i) Each contribution of an asset by the Issuer to an Issuer Subsidiary as provided in this Section 7.16 may be effected by means of granting a participation interest in such asset to the Issuer Subsidiary, if the Issuer has received Tax Advice to the effect that such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes.

(j) Upon a Re-Pricing or adoption of a Fallback Rate that results in the deemed exchange of Notes for U.S. federal income tax purposes, the Issuer will cause its Independent accountants to comply with any requirements under Treasury Regulation Section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether Notes of the Re-Priced Class or Notes replacing the Re-Priced Class (or any Notes subject to the adoption of a Fallback Rate) are traded on an established market, and (ii) if so traded, to determine the fair market value of such Notes and to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date of the Re-Pricing or adoption of a Fallback Rate, as applicable.

(k) So long as any Notes are Outstanding, the Co-Issuer shall not elect to be treated for U.S. federal income tax purposes as other than a disregarded entity.

(l) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Portfolio Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. The requirements of this Section 7.16(l) shall be deemed to be satisfied if the requirements of Section 7.16(m) below are satisfied, so long as, there has been no change in U.S. federal income tax law or the interpretation thereof that is relevant to such action after the date hereof (or the date of the Tax Advice described in Section 7.16(m)) that the Issuer actually knows (at the time such action is taken, when considered in light of the other activities of the Issuer) would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis notwithstanding compliance with the Tax Guidelines or such Tax Advice.

(m) The Issuer shall comply with all of the provisions set forth in the Tax Guidelines or, in the alternative, with respect to a particular transaction, the Issuer and the Portfolio Manager shall have received Tax Advice that, under the relevant facts and circumstances with respect to such transaction, the Issuer's contemplated activities will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. The Issuer shall only be liable (or otherwise held accountable pursuant to Section 7.16(l) or (m)) for the failure to comply with its obligations under this Section 7.16(m) to the extent that such non-compliance causes the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis.

(n) If the Issuer is aware that it has participated in a "reportable transaction" within the meaning of Section 6011 of the Code, and the Holder of a Variable Dividend Note (or any Secured Note that is recharacterized as equity for U.S. federal income tax purposes) requests in writing information about any such transactions in which the Issuer is an investor, the Issuer shall provide, or cause its Independent certified public accountants to provide, such information

it has reasonably available that is required to be obtained by such Holder under the Code as soon as practicable after such request.

Section 7.17. Ramp-Up Period; Purchase of Additional Collateral Obligations.

(a) The Issuer shall use its commercially reasonable efforts to have purchased or entered into agreements to purchase Collateral Obligations sufficient to satisfy the Effective Date Tests by the Effective Date.

(b) During the Ramp-Up Period (and, to the extent necessary to secure the confirmations referenced in Section 7.17(d), after the Effective Date), the Issuer shall use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation from, *first*, any Principal Proceeds on deposit in the Collection Account and *second*, any amounts on deposit in the Ramp-Up Account and (ii) to pay for accrued interest on any such Collateral Obligation from, any amounts on deposit in the Ramp-Up Account.

(c) Within 30 Business Days after the Effective Date, the Issuer shall provide, or cause to be provided, (i) (x) to the Rating Agencies, the Effective Date Report and (ii) to the Trustee (upon its execution of an acknowledgement letter) an Effective Date Accountants' Report recalculating and comparing the following items in the Effective Date Report: (A) the issuer, principal balance, coupon/spread, stated maturity, country of Domicile and Moody's Rating with respect to each Collateral Obligation as of the Effective Date and the information provided by the Issuer with respect to every other asset included in the Assets, by reference to such sources as shall be specified therein (the Effective Date Accountants' Report with respect to the items contained in this clause (A), the "Accountants' Effective Date Comparison AUP Report"), (B) as of the Effective Date, the level of compliance with (1) each Par Value Ratio Test, (2) the Aggregate Ramp-Up Par Condition, (3) the Concentration Limitations and (4) the Collateral Quality Test (the items in this clause (ii)(B), collectively, the "Effective Date Tests" and the Effective Date Accountants' Report with respect to such Effective Date Tests, the "Accountants' Effective Date Recalculation AUP Report"); and (C) specifying the procedures undertaken by them to review data and recomputations relating to such Effective Date Accountants' Report. The Effective Date Report shall not include or refer to the Accountants' Effective Date Recalculation AUP Report. In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer who will post (or cause the posting of) such Form 15-E as 17g-5 Information. Copies of the Accountants' Effective Date Recalculation AUP Report or any other agreed upon procedures report provided by the Independent accountants to the Issuer will not be provided to any other party including the Rating Agencies (other than as provided in an access letter between such person and accountants).

(d) In connection with the Effective Date, the Portfolio Manager (on behalf of the Issuer) will request confirmation from Moody's and KBRA of their respective Initial Ratings unless the Effective Date Moody's Condition and/or the Effective Date KBRA Condition, as applicable, is satisfied.

If, by the Determination Date relating to the first Distribution Date, either (x) (1) the Effective Date Moody's Condition is not satisfied and (2) Moody's has not provided written confirmation of its Initial Ratings of each Class of Secured Notes rated by it on the Closing Date (a "Moody's Effective Date Ratings Confirmation Failure") or (y) (1) the Effective Date KBRA Condition is not satisfied and (2) KBRA has not provided written confirmation of its Initial Ratings of each Class of Secured Notes rated by it on the Closing Date (a "KBRA Effective Date Ratings Confirmation Failure" and, together with any Moody's Effective Date Ratings Confirmation Failure, an "Effective Date Ratings Confirmation Failure"), then on such date and/or on any date thereafter and in conjunction with any actions taken pursuant to clause (P) of the Priority of Interest Proceeds, the Issuer (or the Portfolio Manager, on behalf of the Issuer) will instruct the Trustee in writing to transfer amounts from the Ramp-Up Account and (if necessary) the Interest Collection Account to the Principal Collection Account (and with such funds the Issuer shall purchase additional Collateral Obligations) in an amount sufficient to cure the Effective Date Ratings Confirmation Failure (*provided* that, the amount of such transfer would not result in a delay or failure in payment of interest with respect to any Class A Notes or Class B Notes) or the Portfolio Manager on behalf of the Issuer may take such other action, including but not limited to, a Special Redemption and/or transferring amounts from the Ramp-Up Account and (if necessary) the Interest Collection Account to the Principal Collection Account as Principal Proceeds (for use in a Special Redemption), sufficient to enable the Issuer to satisfy the Moody's Rating Condition or the KBRA Rating Condition, as applicable.

(e) The failure of the Issuer to satisfy the requirements of this Section 7.17 shall not constitute an Event of Default unless such failure would otherwise constitute an Event of Default under Section 5.1(d) hereof and the Issuer, or the Portfolio Manager acting on behalf of the Issuer, has acted in bad faith. At the written direction of the Issuer (or the Portfolio Manager on behalf of the Issuer), the Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations during the Ramp-Up Period as set forth in clause (b) above. If on the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as set forth in Section 10.3(c).

(f) Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix. On or prior to the Effective Date, the Portfolio Manager shall determine which Matrix Combination will apply on and after the Effective Date to the Collateral Obligations for purposes of determining compliance with the Moody's Diversity Test, the Weighted Average Rating Factor Test and the Minimum Floating Spread Test, and if such Matrix Combination differs from the Matrix Combination chosen to apply as of the Closing Date, the Portfolio Manager shall so notify the Trustee, the Rating Agencies and the Collateral Administrator. At any time after such initial determination, on written notice of two Business Day to the Trustee, the Collateral Administrator and the Rating Agencies, the Portfolio Manager may elect a different Matrix Combination to apply to the Collateral Obligations; *provided* that, (i) if the Collateral Obligations are currently in compliance with the Matrix Combination then applicable to the Collateral Obligations, the Collateral Obligations comply with the Matrix Combination to which the Portfolio Manager desires to change; or (ii) if the Collateral Obligations are not currently in compliance with the Matrix Combination then applicable to the Collateral Obligations or would not be in compliance with any other Matrix Combination, the Collateral Obligations need not comply with the Matrix Combination to which the Portfolio Manager desires to change, so long

as the level of compliance with such Matrix Combination maintains or improves the level of compliance with the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix case in effect immediately prior to such change. If the Portfolio Manager does not notify the Trustee and the Collateral Administrator that it will alter the Matrix Combination chosen on or prior to the Effective Date in the manner set forth above, the most recently chosen Matrix Combination will continue to apply.

Section 7.18. Representations Relating to Security Interests in the Assets.

(a) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder):

(i) The Issuer has good and marketable title to such Asset free and clear of any lien, claim or encumbrance of any person, other than such as are created under, or permitted by, this Indenture.

(ii) Other than the security interest Granted to the Trustee pursuant to this Indenture, except as permitted by this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Assets. The Issuer has not authorized the filing of and is not aware of any Financing Statements against the Issuer that include a description of collateral covering the Assets other than any Financing Statement relating to the security interest granted to the Trustee hereunder or that has been terminated; the Issuer is not aware of any judgment, PBGC liens or tax lien filings against the Issuer.

(iii) All Accounts constitute "securities accounts" under Article 8 of the UCC.

(iv) This Indenture creates a valid and continuing security interest (as defined in Article 1 of the UCC) in such Assets in favor of the Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer except that this Indenture will only create a security interest in those commercial tort claims, if any, and timber to be cut, if any, that are described in a notice delivered to the Trustee as contemplated by Section 7.5(d).

(v) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under Applicable Law in order to perfect the security interest in the Assets granted to the Trustee, for the benefit and security of the Secured Parties.

(vi) None of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee, for the benefit of the Secured Parties.

(vii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets.

(viii) All Assets with respect to which a security entitlement may be created by a Securities Intermediary have been credited to one or more Accounts.

(ix) (A) The Issuer has delivered to the Trustee a fully executed Securities Account Control Agreement pursuant to which the Custodian has agreed to comply with all Entitlement Orders originated by the Trustee relating to the Accounts without further consent by the Issuer or (B) the Issuer has taken all steps necessary to cause the Custodian to identify in its records the Trustee as the person having a security entitlement against the Custodian in each of the Accounts.

(x) The Accounts are not in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented to the Custodian's complying with the Entitlement Order of any Person other than the Trustee.

(xi) The Issuer has not assigned, pledged, sold, granted a security interest in or otherwise encumbered or conveyed any interest in the Assets (or, if any such interest has been assigned, pledged or otherwise encumbered, it has been released prior to the Closing Date or is being released on the Closing Date) other than interests granted pursuant to this Indenture or as otherwise permitted by this Indenture.

(b) The Co-Issuers agree to promptly provide notice to the Rating Agencies if they become aware of the breach of any of the representations and warranties contained in this Section 7.18.

(iii) materially impair the Assets except as otherwise permitted in this Indenture;

(iv) except as otherwise expressly permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Note of the security afforded by the lien of this Indenture; *provided* that, this clause shall not apply to any supplemental indenture (A) amending the restrictions on the sales of Collateral Obligations set forth in this Indenture which is otherwise permitted pursuant to Section 8.1 or Section 8.2 or (B) in connection with a Refinancing where a lien is created in favor of a collateral agent or similar security agent in relation to Refinancing Obligations in the form of one or more loans ranking on a parity with one or more Classes of Notes also secured pursuant to the lien of this Indenture;

(v) modify any of the provisions of this Article VIII, except to increase the percentage of Outstanding Notes the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Note Outstanding and materially and adversely affected thereby;

(vii) modify the definitions of the terms Priority of Distributions or Note Payment Sequence;

(viii) modify any of the provisions of this Indenture in such a manner as to directly affect the manner or procedure for the calculation of the amount of any payment of interest or principal on any Secured Note, or for determining any amount available for distribution to the Variable Dividend Notes or to affect the rights of the Holders of Secured Notes to the benefit of any provisions for the redemption of such Secured Notes contained herein;

provided that this clause (viii) shall not apply in connection with the adoption of any Benchmark Replacement Rate Conforming Changes;

(x) modify the restrictions on and procedures for resales and other transfers of Notes (except as set forth in clause (vi), (xiii) or (xxxv) of Section 8.1(a)).

(b) The Trustee may conclusively rely on an officer's certificate of the Portfolio Manager or an opinion of counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion, including an officer's certificate of the Portfolio Manager) as to (i) whether the interests of any Class would be materially and adversely affected by the modifications set forth in any supplemental indenture that requires a determination as to whether any Class of Notes would be materially and adversely affected thereby and (ii) whether an amendment or modification would by its terms directly affect the holders of any Pari Passu Class exclusively and differently from the holders of a related Pari Passu Class, it being expressly understood and agreed that the Trustee shall have no obligation to make any determination as to the satisfaction of the requirements related to any supplemental indenture which may form the basis of such Opinion of Counsel or Officer's certificate. Such determination shall be conclusive and binding on all present and future holders of Notes. The Trustee shall not be liable for any such determination made in good faith and in reliance upon an Officer's certificate of the Portfolio Manager or an Opinion of Counsel delivered to the Trustee as set forth above or in Section 8.3 hereof.

Section 8.3. Execution of Supplemental Indentures.

(a) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.1 and Section 6.3) shall be fully protected in relying upon, an Opinion of Counsel to the effect that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

(b) In the case of any supplemental indenture that requires the consent of Holders of a specified Class or permits Holders of a specified Class to object, not later than 15 Business Days (or five Business Days if in connection with a Reset Amendment, Refinancing, Re-Pricing or additional issuance of Notes) prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or Section 8.2, the Trustee, at the expense of the Co-Issuers, shall deliver to the Holders, the Portfolio Manager, the Collateral Administrator, any Hedge Counterparty and each Rating Agency (so long as any Secured Notes are Outstanding) a copy of such proposed supplemental indenture and shall request any required consent (as identified by the Issuer) from the applicable Holders to be given no later than three Business Days prior to the

date indicated as the proposed execution date of such proposed supplemental indenture. In addition, notice of any proposed supplemental indenture (whether or not such supplemental indenture requires the consent of Holders of a specified Class or permits Holders of a specified Class to object) shall be posted on the Trustee's Website prior to execution thereof. Following such delivery by the Trustee, if any changes are made to such supplemental indenture other than changes of a technical nature, to complete or change dates, to correct typographical errors, to adjust formatting or to address Rating Agency criteria relating to the modifications in the proposed supplemental indenture, then at the expense of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than one Business Day prior to the execution of such proposed supplemental indenture, the Trustee shall deliver to the Holders, the Portfolio Manager, the Collateral Administrator, any Hedge Counterparty and each Rating Agency (so long as any Secured Notes are Outstanding) a copy of such supplemental indenture as revised, indicating the changes that were made. If, prior to delivery by the Trustee of such supplemental indenture as revised, any Holder has provided its written consent to the supplemental indenture as initially distributed, such Holder (other than a Holder that holds a Majority of the Variable Dividend Notes) will be deemed to have consented in writing to the supplemental indenture as revised unless such Holder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than two Business Days prior to the execution of such supplemental indenture. Notwithstanding anything to the contrary in this Indenture, notice of any supplemental indenture (including any revisions thereto) proposed to be entered into in connection with a Refinancing shall not be required to be delivered to the Holders of any Class to be redeemed pursuant to such Refinancing. Any consent given to a proposed supplemental indenture by a Holder shall be irrevocable and binding on all future Holders or beneficial owners of that Note, irrespective of the execution date of the supplemental indenture. If the required consent to any such proposed supplemental indenture is received from the applicable Holders prior to the end of the relevant notice period, the supplemental indenture may be executed prior to the end of such period. If the Holders of less than the required percentage of the Aggregate Outstanding Amount of the relevant Notes consent to a proposed supplemental indenture within the relevant notice period, on the first Business Day following such period, the Trustee shall provide consents received to the Issuer and the Portfolio Manager so that they may determine which Holders have consented to the proposed supplemental indenture and which Holders (and, to the extent such information is in the possession of the Trustee, which beneficial owners) have not consented to the proposed supplemental indenture. Neither the Issuer nor the Trustee shall have any responsibility or liability for any failure or delay on the part of a Holder to provide written objection in response to any such notice, including without limitation in respect of any reliance on such failure to object for purposes of any supplemental indenture.

(c) The Trustee, at the expense of the Co-Issuers, shall deliver to the Rating Agencies (so long as any Secured Notes are Outstanding) a copy of any proposed supplemental indenture not later than 10 days prior to the execution thereof. Promptly after the execution by the Co-Issuers and the Trustee of any supplemental indenture pursuant to this Article VIII, the Trustee, at the expense of the Co-Issuers, shall deliver to the Holders, the Portfolio Manager, and each Rating Agency a copy thereof. Any failure of the Trustee to deliver a copy of any supplemental indenture as provided herein, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

(d) It will not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it will be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act will approve the substance thereof.

(e) Any Class of Notes being refinanced will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after such Refinancing. Any Non-Consenting Holders of a Re-Priced Class will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the Partial Redemption Date with respect to such Class.

(f) The Collateral Administrator shall not be bound to follow any amendment or supplement to this Indenture or Benchmark Replacement Rate Conforming Changes unless it has received written notice of such amendment, supplement or changes and a copy of the amendment, supplement or changes from the Issuer or the Trustee (or, in respect of Benchmark Replacement Rate Conforming Changes, the Designated Transaction Representative) prior to the execution thereof in accordance with the notice requirements of this Indenture (or, in respect of Benchmark Replacement Rate Conforming Changes, prior to the effectiveness thereof). The Issuer agrees that it shall not permit to become effective any amendment or supplement to this Indenture or Benchmark Replacement Rate Conforming Changes which would (i) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or priority of any fees or other amounts payable to the Collateral Administrator), or adversely change the economic consequences to, the Collateral Administrator, (ii) expand or restrict the Collateral Administrator's discretion or (iii) materially and adversely affect the Collateral Administrator, unless the Collateral Administrator consents in writing thereto.

(g) The Portfolio Manager will not be bound to follow any amendment or supplement to this Indenture or Benchmark Replacement Rate Conforming Changes unless it has consented in writing in advance thereof and unless it has received written notice of such amendment or supplement or changes and a copy of the amendment or supplement or changes from the Issuer or the Trustee prior to the execution thereof in accordance with the notice requirements in this Article VIII (or, in respect of any Benchmark Replacement Rate Conforming Changes, prior to the effectiveness thereof determined by the Designated Transaction Representative).

(h) Holders of Pari Passu Classes of Notes will vote together as a single Class in connection with any supplemental indenture, except that the holders of each Pari Passu Class will vote separately by Class with respect to any amendment or modification of this Indenture solely to the extent that such amendment or modification would by its terms directly affect the holders of any such Class exclusively and differently from any holders of other Pari Passu Classes (including, without limitation, any amendment that would reduce the amount of interest or principal payable on the applicable Class), as determined by the Portfolio Manager in its reasonable discretion.

Section 8.4. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder theretofore and thereafter authenticated and delivered hereunder shall be bound thereby. For the avoidance of doubt, a supplemental indenture may be embodied in an amended and restated indenture, in which case, execution of such amended and restated indenture will constitute execution of a supplemental indenture for all purposes under this Indenture.

Section 8.5. Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.6. Additional Provisions. Except for a supplemental indenture pursuant to Section 8.2(a)(ix), the Issuer and the Co-Issuer agree that they will not consent to or enter into any indenture supplemental hereto or any amendment to any other document related hereto that: (i) amends any provisions of this Indenture or any other agreement entered into by the Issuer or the Co-Issuer with respect to the transactions contemplated hereby relating to the institution of Proceedings for the Issuer or the Co-Issuer to be adjudicated as bankrupt or insolvent, or the consent by the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against it, or the filing with respect to the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar Applicable Law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer of any substantial part of its property, respectively; or (ii) amends any provision of this Indenture or such other document that provides that the obligations of the Co-Issuers are limited recourse obligations of the Co-Issuers payable solely from the Assets in accordance with the terms of this Indenture.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1. Mandatory Redemption. If a Coverage Test or, during the Reinvestment Period, the Reinvestment Overcollateralization Test, is not met on any Determination Date on which such test is applicable, the Issuer shall (or, in the case of the Reinvestment Overcollateralization Test, may) apply available amounts in the Payment Account on the related Distribution Date to make payments as required pursuant to the Priority of Distributions to the extent necessary to achieve compliance with such test (a "Mandatory Redemption").

Section 9.2. Optional Redemption or Redemption Following a Tax Event.

(a) The Secured Notes shall be redeemed, in whole but not in part, by the Co-Issuers (i) on any Business Day after the occurrence of a Tax Event at the written direction of (1)

a Majority of any Affected Class or (2) a Majority of the Variable Dividend Notes, if the Variable Dividend Notes are materially and adversely affected by a Tax Event, from the proceeds of the liquidation of the Assets or (ii) on any Business Day after the end of the Non-Call Period, (1) at the written direction of a Majority of the Variable Dividend Notes or the Portfolio Manager (with the consent of a Majority of the Variable Dividend Notes) from the proceeds of the liquidation of the Assets and/or Refinancing Proceeds or (2) at the written direction of the Portfolio Manager, from the proceeds of the liquidation of the Assets (if the Collateral Principal Amount as of the date of such direction by the Portfolio Manager is less than 15% of the Aggregate Ramp-Up Par Amount) (any such redemption, an "Optional Redemption"); *provided that*, in the case of clause (ii)(2), such redemption will not be effected if a Majority of the Variable Dividend Notes has objected thereto within 10 Business Days after the date on which the Issuer (or the Trustee on its behalf) forwards such direction to the Holders of the Variable Dividend Notes. Any such written direction must be delivered, at least 14 Business Days prior to the proposed Redemption Date (or such shorter period as agreed to between the Trustee and the Portfolio Manager), to the Issuer, the Trustee and the Portfolio Manager. In the case of a direction given by the Portfolio Manager, the Issuer (or the Trustee on its behalf) shall forward such direction to the Holders of the Variable Dividend Notes within two Business Days after receipt of such direction. In connection with any such redemption, the Secured Notes shall be redeemed at the applicable Redemption Price.

(b) In connection with any Optional Redemption of the Secured Notes, the Portfolio Manager shall (unless the Redemption Price of all of the Secured Notes shall be paid solely with Refinancing Proceeds or other funds available for such purpose) direct the sale of all or part of the Collateral Obligations and other Assets in an amount sufficient for the Disposition Proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account (including any Refinancing Proceeds, if applicable) to pay the Redemption Price of all of the Secured Notes and to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and other amounts, fees and expenses payable or distributable under the Priority of Distributions (including, without limitation, any amounts due to the Hedge Counterparties or the Portfolio Manager) prior to any distributions with respect to the Variable Dividend Notes. If such Disposition Proceeds, any Refinancing Proceeds, if applicable, and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem the Secured Notes subject to redemption and to pay such fees and expenses, the Secured Notes will not be redeemed. The Portfolio Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

The Variable Dividend Notes may be redeemed, in whole but not in part, on any Business Day on or after the redemption or repayment of the Secured Notes in full, at the direction of a Majority of the Variable Dividend Notes or the Portfolio Manager (with the consent of a Majority of the Variable Dividend Notes), and the Variable Dividend Notes shall be redeemed in whole in the case of an Optional Redemption in connection with a Tax Event.

In connection with any Optional Redemption (other than an Optional Redemption utilizing Refinancing Proceeds), (i) the Portfolio Manager and its Affiliates and Related Entities and each VDN Party shall have the right (but not the obligation) to submit, and

the Portfolio Manager on behalf of the Issuer shall accept (subject to the sufficiency of funds in accordance with the second sentence of the second preceding paragraph, such that the Optional Redemption will proceed), a firm bid to purchase all (but not less than all) Collateral Obligations at an aggregate price at least equal to the aggregate Market Value of such Collateral Obligations (for this purpose, reading each reference in the definition of Market Value to a bid-side quote as a reference to the mid-point between a bid-side quote and a sell-side quote); *provided* that if more than one such party submits a firm bid in the amount required by this clause (i), then such Collateral Obligations shall be sold to the bidder submitting the highest bid; and (ii) if no such bid is submitted pursuant to clause (i), the Portfolio Manager and its Affiliates and Related Entities and each VDN Party will have the right (but not the obligation) to purchase any Asset sold in connection with such Optional Redemption at a price at least equal to its Market Value (for this purpose, reading each reference in the definition of Market Value to a bid-side quote as a reference to the mid-point between a bid-side quote and a sell-side quote); *provided* that if more than one such party submits a firm bid for any Asset at a price that satisfies the requirements of this clause (ii), then such Asset shall be sold to the bidder submitting the highest bid. The Portfolio Manager is under no obligation to consider any holders of Notes in making a bid and the price at which the Assets are purchased by the Portfolio Manager may be at a price that is less than what would have been received from other bidders in a formal sale process. The Portfolio Manager shall have the right to match the highest *bona fide* bid.

(c) In connection with any Optional Redemption of the Secured Notes on or after the end of the Non-Call Period, the Issuer may, at the written direction of (a) a Majority of the Variable Dividend Notes or (b) the Portfolio Manager (with the consent of a Majority of the Variable Dividend Notes) enter into a loan or loans or effect an issuance of replacement notes ("Refinancing Replacement Notes" and together with any such loan or loans, "Refinancing Obligations"), the terms of which Refinancing Obligations will be negotiated by the Portfolio Manager on behalf of the Issuer, from one or more financial institutions or purchasers, and the Refinancing Proceeds thereof shall be applied to pay the Redemption Price of the Secured Notes on the Redemption Date (any such redemption with Refinancing Proceeds, a "Refinancing"); *provided* that, (i) any agreements related to the Refinancing must contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.8(h) and Section 5.4(d), (ii) the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Portfolio Manager, (iii) such Refinancing otherwise satisfies the conditions set forth in Section 9.2(d) and (iv) the terms of any such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to a Majority of the Variable Dividend Notes.

In connection with a Refinancing pursuant to which the Class A Notes, the Class B Notes and the Class C Notes are being refinanced, the Portfolio Manager may, in its sole discretion, subject to the consent of a Majority of the Variable Dividend Notes but without the consent of any other person, including any other Holder, designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for payment on the Redemption Date (the amount so designated, "Designated Excess Par"). Notice of any such designation will be provided to the Trustee (with a copy to the Rating Agencies) no later than the related Determination Date.

If the Redemption Date in connection with a Refinancing is not a Scheduled Distribution Date, Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but shall be applied directly on the related Redemption Date together with Available Redemption Interest Proceeds, amounts on deposit in the Permitted Use Account designated for such use and amounts on deposit in the Expense Reserve Account to redeem the Secured Notes being refinanced and, together with funds in the Ongoing Expense Smoothing Account, to pay any related Administrative Expenses; *provided* that, to the extent that any Refinancing Proceeds are not applied to redeem the Secured Notes being refinanced or to pay expenses in connection with the Refinancing, such Refinancing Proceeds will be treated as Principal Proceeds or Interest Proceeds, as directed by the Portfolio Manager with the consent of a Majority of the Variable Dividend Notes.

The Holders of the Variable Dividend Notes shall not have any cause of action against any of the Co-Issuers, the Portfolio Manager or the Trustee for any inability to effect a Refinancing. In the event that a Refinancing is completed, meeting the requirements specified above as certified by the Portfolio Manager, the Co-Issuers and the Trustee (as directed by the Issuer) will amend this Indenture to the extent necessary to reflect the terms of the Refinancing, and no further consent for such amendments will be required from the Holders of any Class, other than a Majority of the Variable Dividend Notes.

(d) Notwithstanding anything to the contrary set forth herein, the Issuer shall not sell any Collateral Obligations or obtain a Refinancing in connection with an Optional Redemption unless (i) the Refinancing Proceeds, all Disposition Proceeds from the sale of Collateral Obligations, Eligible Investments and other Assets and all other available funds in the Accounts shall be at least sufficient to redeem simultaneously the Secured Notes, in whole but not in part, and to pay the other amounts included in the aggregate Redemption Price and all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap), including the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing (other than such Administrative Expenses that the Portfolio Manager reasonably believes will be paid by the second Distribution Date following such Redemption Date with amounts available in accordance with the Priority of Distributions prior to the distributions to the Holders of Variable Dividend Notes) and (ii) the Disposition Proceeds, Refinancing Proceeds and other funds available for such purpose are used to the extent necessary to make such redemption.

(e) Notwithstanding anything to the contrary set forth herein, the Secured Notes shall not be redeemed pursuant to an Optional Redemption unless (i) in the case of any Optional Redemption which is funded, in whole or in part, from Disposition Proceeds from the sale of Collateral Obligations, Eligible Investments and other Assets, at least five Business Days before the scheduled Redemption Date the Portfolio Manager shall have certified to the Trustee that the Issuer has entered into a binding agreement or agreements with (x) a financial or other institution or institutions or (y) one or more special purpose entities meeting all then-current Rating Agency bankruptcy remoteness criteria to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date all or part of the Collateral Obligations and/or the Hedge Agreements, in immediately available funds, at a purchase price at least equal to an amount sufficient, together with the

Eligible Investments maturing, redeemable (or putable to the issuer thereof at par) on or prior to the scheduled Redemption Date, any payments to be received in respect of the Hedge Agreements, any Refinancing Proceeds and all other available funds in the Accounts, to pay Administrative Expenses (regardless of the Administrative Expense Cap) and all applicable amounts payable or distributable in accordance with the Priority of Distributions and redeem all of the Secured Notes on the scheduled Redemption Date at the applicable Redemption Price, or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Portfolio Manager shall certify to the Trustee in an Officer's certificate upon which the Trustee can conclusively rely that, in its judgment, the aggregate sum of (A) any expected proceeds from Hedge Agreements and all other available funds in the Accounts (including from the sale of Eligible Investments), (B) any Refinancing Proceeds and (C) for each Collateral Obligation, its Market Value shall exceed the sum of the aggregate Redemption Prices of the Outstanding Secured Notes to be redeemed and all applicable amounts payable or distributable (including all Administrative Expenses without regard to the Administrative Expense Cap) under the Priority of Distributions prior to any distributions with respect to the Variable Dividend Notes.

Section 9.3. Partial Redemption.

(a) Upon written direction of (i) a Majority of the Variable Dividend Notes delivered to the Co-Issuers and the Trustee or (ii) the Portfolio Manager (with the consent of a Majority of the Variable Dividend Notes) delivered to the Issuer, the Trustee and the Holders of Variable Dividend Notes, in each case delivered not later than 10 Business Days prior to the proposed Partial Redemption Date (unless a shorter time period is acceptable to the Issuer, the Trustee and the Portfolio Manager), the Issuer shall redeem one or more Classes of Secured Notes following the end of the Non-Call Period, in whole but not in part with respect to each such Class to be redeemed, from Refinancing Proceeds and Available Redemption Interest Proceeds in a Partial Redemption; *provided* that, the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Portfolio Manager and a Majority of the Variable Dividend Notes and such Refinancing otherwise satisfies the conditions set forth in the following paragraph. In the case of a direction given by the Portfolio Manager, the Issuer (or the Trustee on its behalf) shall notify the holders of the Variable Dividend Notes of receipt of such direction.

The Issuer shall effect a Refinancing in connection with a Partial Redemption only if:

(i) (A)(x) in the case of a Refinancing of any Class of Floating Rate Notes, (1) the spread over the Benchmark with respect to the Refinancing Obligations providing the Refinancing Proceeds to redeem any such Class of Floating Rate Notes does not exceed the spread over the Benchmark of such Class of Floating Rate Notes being redeemed or (2) the weighted average spread over the Benchmark of all the Refinancing Obligations does not exceed the weighted average spread over the Benchmark of such Classes of Floating Rate Notes being redeemed and the KBRA Rating Condition is satisfied with respect to each Class of Secured Notes then rated by KBRA that is not subject to such Refinancing; *provided* that if more than one Class of Secured Notes are subject to a Refinancing, the spread over the Benchmark or the fixed interest rate, as applicable, of the Refinancing Obligations may be greater than the spread over the Benchmark or the fixed interest rate, as applicable, for such Class of Secured Notes subject to Refinancing

so long as the weighted average spread (based on the aggregate principal amount of each Class of Secured Notes subject to Refinancing) of the spread over the Benchmark and the fixed interest rate of the Refinancing Obligations shall be less than the weighted average (based on the aggregate principal amount of each such Class) of the spread over the Benchmark and the fixed interest rate with respect to all Classes of Secured Notes subject to such Refinancing; *provided further* that if the Benchmark component of the Note Interest Rate with respect to the Refinancing Obligations is different than the Benchmark component of the Note Interest Rate of such Class of Floating Rate Notes, the spread over the Benchmark of the Refinancing Obligations may be greater than the spread over the Benchmark for such Class of Secured Notes subject to Refinancing so long as the Note Interest Rate of the Refinancing Obligations shall be less than the Note Interest Rate of such Class of Floating Rate Notes; and (y) in the case of a Refinancing of any Class of Fixed Rate Notes, either (1) in the case of a Refinancing of the Class D Notes or the Class E Notes, the Junior Class Refinancing Conditions are satisfied or (2) the interest rate with respect to the Refinancing Obligations providing the Refinancing Proceeds to redeem any such Class of Fixed Rate Notes does not exceed the stated interest rate of such Class of Notes being redeemed and (B) the aggregate principal amount of the Refinancing Obligations is equal to the aggregate principal amount of the Class or Classes of Secured Notes being redeemed with the proceeds of such Refinancing Obligations; *provided* that, with respect to this clause (B), the aggregate principal amount of Refinancing Obligations senior in priority to any Junior Class not subject to redemption may not be greater than the corresponding aggregate principal amount of the Secured Notes senior in priority to such Junior Class that are being redeemed in connection with such Refinancing;

(ii) on such Partial Redemption Date, the sum of (A) the Refinancing Proceeds, (B) amounts on deposit in the Permitted Use Account designated for such use, (C) any amount on deposit in the Expense Reserve Account and (D) the Available Redemption Interest Proceeds will be at least equal to the amount required to pay the Redemption Price with respect to the Classes of Secured Notes to be redeemed and such amounts, together with funds in the Ongoing Expense Smoothing Account, will be sufficient to pay all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap) incurred in connection with such Refinancing, including the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing (other than such Administrative Expenses that the Portfolio Manager reasonably believes will be paid by the second Distribution Date following such Partial Redemption Date with amounts available in accordance with the Priority of Distributions prior to the distributions to the Holders of Variable Dividend Notes); *provided* that for the avoidance of doubt, (x) any Class of Secured Notes subject to a Refinancing may be refinanced using one or more classes of Refinancing Obligations and (y) if more than one Class of Secured Notes is subject to a Refinancing, such Classes of Secured Notes may be refinanced using one or more classes of Refinancing Obligations;

(iii) any agreements relating to the Refinancing (other than this Indenture) contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.8(h) and Section 5.4(d);

(iv) the Issuer has provided notice to each Rating Agency with respect to such Partial Redemption;

(v) any Refinancing Replacement Notes created pursuant to the Partial Redemption must have the same or longer Stated Maturity as the Notes Outstanding prior to such Refinancing;

(vi) such Refinancing is effected only with Refinancing Proceeds, amounts on deposit in the Permitted Use Account designated for such use, amounts on deposit in the Expense Reserve Account and Available Redemption Interest Proceeds (and, in the case of payment of Administrative Expenses, amounts on deposit in the Ongoing Expense Smoothing Account) and not the sale of any Assets; and

(vii) the Refinancing Obligations are subject to the Priority of Distributions and do not rank higher in priority pursuant to the Priority of Distributions than the corresponding Class of Secured Notes being refinanced.

(b) Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but shall be applied directly on the related Partial Redemption Date together with Available Redemption Interest Proceeds, amounts on deposit in the Permitted Use Account designated for such use and amounts on deposit in the Expense Reserve Account to redeem the Secured Notes being refinanced and, together with funds in the Ongoing Expense Smoothing Account, any related Administrative Expenses; *provided* that, to the extent that any Refinancing Proceeds are not applied to redeem the Secured Notes being refinanced or to pay expenses in connection with the Refinancing, such Refinancing Proceeds will be treated as Principal Proceeds or Interest Proceeds, as directed by the Portfolio Manager in its sole discretion.

(c) The Holders of the Variable Dividend Notes shall not have any cause of action against any of the Co-Issuers, the Portfolio Manager or the Trustee for any inability to effect a Refinancing in connection with a Partial Redemption. In the event that a Refinancing is completed, meeting the requirements specified above as certified by the Portfolio Manager, the Co-Issuers and the Trustee (as directed by the Issuer) will amend this Indenture to the extent necessary to reflect the terms of the Refinancing, and no further consent for such amendments will be required from the Holders of any Class, other than a Majority of the Variable Dividend Notes.

Section 9.4. Redemption Procedures.

(a) In respect of an Optional Redemption or a Partial Redemption, upon the written direction of the Holders of the Variable Dividend Notes or the Portfolio Manager (as applicable) required in this Article IX (which direction must designate the date or approximate date of such Optional Redemption or Partial Redemption), a notice of any Optional Redemption or Partial Redemption shall be given by the Issuer (or the Trustee on its behalf) not later than five Business Days prior to the applicable Redemption Date to each Holder of Notes to be redeemed

and each Rating Agency. Certificated Notes called for redemption must be surrendered at the office designated in the notice of redemption.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Price of the Notes to be redeemed;

(iii) in the case of an Optional Redemption, that all of the Secured Notes are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Redemption Date specified in the notice;

(iv) in the case of a Partial Redemption, the Classes of Secured Notes to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Redemption Date specified in the notice;

(v) the place or places where Certificated Notes are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(vi) in the case of an Optional Redemption, whether the Variable Dividend Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Certificated Notes are to be surrendered for payment of the Redemption Price, which shall be at the Corporate Trust Office or the office or agency of the Co-Issuers to be maintained as provided in Section 7.2 for purposes of surrender.

Following delivery of a notice of redemption pursuant to the immediately preceding paragraph, the Applicable Issuers (as directed by the Portfolio Manager) will have the option to withdraw such notice of redemption or postpone the applicable Redemption Date (without regard to the notice period specified in Section 9.4(a)), in each case relating to a proposed Optional Redemption or Partial Redemption, as long as notice of such withdrawal or postponement has been provided to the Holders and each Rating Agency not later than the Business Day before the scheduled Redemption Date.

(c) If the Co-Issuers are otherwise unable to complete any redemption of the Notes in accordance with this Article IX, the Co-Issuers shall provide notice to the Trustee and, upon receipt by the Trustee of such notice, the Trustee shall provide notice to the Holders. Upon delivery of the foregoing notices, the redemption will be cancelled (or, if applicable, postponed) without any further action.

(d) If the Co-Issuers so withdraw any notice of redemption or are otherwise unable to complete any redemption of the Secured Notes, (i) the Sale Proceeds received from the sale of any Collateral Obligations and other Assets sold pursuant to Section 9.2 may, at the Portfolio Manager's sole discretion, be reinvested in accordance with the Investment Criteria or Post-Reinvestment Period Criteria (as applicable), and (ii) a notice of such withdrawal shall be promptly delivered to each Rating Agency.

(e) Notice of redemption shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Notes selected for redemption shall not impair or affect the validity of the redemption of any such Notes.

(f) In the event that a scheduled redemption of the Secured Notes fails to occur and (A) such failure is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Portfolio Manager on the Issuer's behalf), (B) the Issuer (or the Portfolio Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the scheduled redemption date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Portfolio Manager and (D) the Issuer (or the Portfolio Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to such scheduled redemption date (a "Redemption Settlement Delay"), then the Issuer (or the Portfolio Manager on its behalf) shall notify the Trustee of the occurrence of such event and, thereafter, upon notice from the Issuer to each Rating Agency and the Trustee (and upon receipt by the Trustee of such notice, notice from the Trustee to the Holders) that sufficient funds are now available to complete such redemption, such Secured Notes may be redeemed using such funds on any Business Day (as identified by the Issuer to the Trustee) prior to the first Distribution Date after the original scheduled redemption date and not less than two Business Days after the original scheduled redemption date. Interest on the Notes will accrue to but excluding such new Redemption Date. If such redemption does not occur prior to the first Distribution Date after the original scheduled redemption date, such redemption will be cancelled without further action. A Redemption Settlement Delay or the failure to effect a redemption on a scheduled redemption date will not be an Event of Default.

Section 9.5. Notes Payable on Redemption Date.

(a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Sections 9.2(d) and (e) in the case of an Optional Redemption and the right of the Co-Issuers and of the Holders of Variable Dividend Notes to withdraw any notice of redemption pursuant to Section 9.4(b), become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) all such Secured Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Certificated Note to be so redeemed, the Holder shall present and surrender such Certificated Note at the place specified in the notice of redemption on or prior to such Redemption Date; *provided however* that, if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Certificated Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(b) Payments on Notes so to be redeemed shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.8(d).

(c) If any Secured Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Note Interest Rate for each successive Interest Accrual Period the Secured Note remains Outstanding; *provided* that, the reason for such non-payment is not the fault of such Holder.

Section 9.6. Special Redemption. The Secured Notes shall be redeemed in part by the Co-Issuers in accordance with the Priority of Distributions on any Distribution Date (a) during the Reinvestment Period at the direction of the Portfolio Manager, if the Portfolio Manager in its sole discretion notifies the Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 30 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Portfolio Manager in its sole discretion and which would meet the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Principal Collection Account that are to be invested in additional Collateral Obligations or (b) after the Effective Date, if the Portfolio Manager notifies the Trustee that a redemption is required pursuant to Section 7.17 in order to obtain Effective Date Ratings Confirmation (in each case, a "Special Redemption"). On the first Distribution Date following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount in the Collection Account representing (1) Principal Proceeds which the Portfolio Manager has determined cannot be reinvested in additional Collateral Obligations or (2) Interest Proceeds and Principal Proceeds that must be applied to redeem the Secured Notes in order to obtain Effective Date Ratings Confirmation (such amount, a "Special Redemption Amount"), as the case may be, shall be applied in accordance with the Priority of Principal Proceeds. Notice of payments pursuant to this Section 9.6 shall be given by the Trustee as soon as reasonably practicable, but in any case not less than three Business Days prior to the applicable Special Redemption Date (*provided* that, such notice shall not be required in connection with a Special Redemption pursuant to clause (b) of the definition of such term if the Special Redemption Amount is not known on or prior to such date) to each Holder of Secured Notes affected thereby and to each Rating Agency.

Section 9.7. Re-Pricing of Notes.

(a) On any Business Day after the Non-Call Period, at the written direction of a Majority of the Variable Dividend Notes or the Portfolio Manager (with the consent of a Majority of the Variable Dividend Notes), the Applicable Issuers shall reduce the spread over the Benchmark (or, in the case of any Fixed Rate Notes, the fixed interest rate) applicable to one or more Repriceable Classes (such reduction with respect to any such Repriceable Class, a "Re-Pricing" and any Repriceable Class to be subject to a Re-Pricing, a "Re-Priced Class"); *provided* that, the Co-Issuers or the Issuer, as applicable, shall not effect any Re-Pricing unless each condition specified in this Section 9.7 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Repriceable Class other than the interest rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "Remarketing Agent") upon the recommendation and subject to the written approval of a Majority of the Variable Dividend Notes (such written approval not to be unreasonably withheld, conditioned or delayed) and such Remarketing Agent shall assist the Issuer in effecting the Re-Pricing. Except with respect to Notes of a Re-Priced Class for which an Election to Retain has been exercised in accordance with the following

paragraph, the Notes of each Re-Priced Class may be subject to Mandatory Tender and subsequent transfer or redeemed in connection with the issuance of Re-Pricing Replacement Notes, in each case at the respective Redemption Price, in accordance with this Indenture.

Each Holder, by its acceptance of an interest in Notes of a Repriceable Class, agrees that (i) its Notes will be subject to Mandatory Tender and transfer as set forth in subsections (b) through (d) below and agrees to cooperate with the Issuer, the Remarketing Agent (if any) and the Trustee to effect such Mandatory Tenders and transfers and (ii) its Notes may be redeemed in a Re-Pricing Redemption.

(b) At least 15 Business Days prior to the Business Day fixed by the Portfolio Manager and a Majority of the Variable Dividend Notes for any proposed Re-Pricing (the date on which such Re-Pricing occurs, the "Re-Pricing Date"), the Issuer or the Remarketing Agent on its behalf, shall deliver a notice (with a copy to the Portfolio Manager, the Trustee and each Rating Agency) through the facilities of DTC and, if applicable, in accordance with the immediately succeeding sentence (such notice, the "Re-Pricing, Mandatory Tender and Election to Retain Announcement") to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread (or range of spreads from which a single spread will be chosen prior to the Re-Pricing Date) over the Benchmark (or, in the case of Fixed Rate Notes, the revised fixed interest rate or the range of fixed interest rates, as applicable) to be applied with respect to such Class (the "Re-Pricing Rate"), (ii) request each Holder of the Re-Priced Class to communicate through the facilities of DTC whether such Holder approves the proposed Re-Pricing and elects to retain the Notes of the Re-Priced Class held by such Holder (an "Election to Retain"), which Election to Retain is subject to DTC's procedures relating thereto set forth in the "Operational Arrangements (March 2020)" published by DTC (as most recently revised by DTC) (the "Operational Arrangements"), (iii) specify the applicable Redemption Price at which Notes of any Holder of the Re-Priced Class that does not approve the Re-Pricing may (x) be subject to mandatory tender and transfer pursuant to the immediately succeeding paragraphs (a "Mandatory Tender") or (y) be redeemed in a Re-Pricing Redemption with Re-Pricing Proceeds and (iv) state the period for which the holders of the Notes of the Re-Priced Class can provide their consent to the Re-Pricing and an Election to Retain, which period shall not be less than 10 Business Days from the date of publication of the Re-Pricing, Mandatory Tender and Election to Retain Announcement; provided, that the Issuer at the direction of the Portfolio Manager may extend the Re-Pricing Date at any time up to the Business Day prior to the scheduled Re-Pricing Date. To the extent any Certificated Notes of the proposed Re-Priced Class are Outstanding as of the date the Re-Pricing, Mandatory Tender and Election to Retain Announcement is delivered to the holders of Global Notes through the facilities of DTC, the Trustee (at the direction of the Issuer) shall make available such Re-Pricing, Mandatory Tender and Election to Retain Announcement (with any appropriate modifications as directed by the Portfolio Manager on behalf of the Issuer) to the holders of such Certificated Notes on the Trustee's Website. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect. Any Holder of the Re-Priced Class that does not approve the Re-Pricing will be a "Non-Consenting Holder" and any Holder of the Re-Priced Class that does approve the Re-Pricing will be a "Consenting Holder."

(c) Prior to the Issuer (or Trustee, upon Issuer order) distributing the Re-Pricing, Mandatory Tender and Election to Retain Announcement to the holders of the Notes of the Re-Priced Class, the Issuer shall provide a draft thereof to DTC's Reorganization Announcements Department via e-mail, at putbonds@dtcc.com, with a copy to Daniel Pikulin (dpikulin@dtcc.com) and Sylvia Salony (ssalony@dtcc.com) (or such other e-mail addresses provided by DTC), to discuss any comments DTC may have on the draft Re-Pricing, Mandatory Tender and Election to Retain Announcement. Upon the expiration of the period for which holders of Notes of the Re-Priced Class may approve the Re-Pricing and provide an Election to Retain through the facilities of DTC, the Trustee (not later than one Business Day after receipt from DTC) shall provide to the Issuer, the Portfolio Manager and the Remarketing Agent, if any, the information received from DTC regarding the Aggregate Outstanding Amount of Notes held by Consenting Holders and Non-Consenting Holders.

(d) At least two Business Days prior to the publication date of the Re-Pricing, Mandatory Tender and Election to Retain Announcement, the Issuer shall cause a notice to be sent to DTC of the proposed Re-Pricing and that Notes of the Re-Priced Class will be subject to Mandatory Tender and an Election to Retain (which notice shall be sent by e-mail to DTC at putbonds@dtcc.com). Such notice shall include the following information: (i) the security description and CUSIP number of the Re-Priced Class, (ii) the name and number of the participant account to which the tendered Notes are to be delivered by DTC, (iii) the first Distribution Date occurring after the Re-Pricing Date and (iv) if available at the time such notice is required to be sent to DTC, the Re-Pricing Rate. The Issuer shall also provide to the Trustee and DTC any additional information as required by any update to the Operational Arrangements or is otherwise required to effect the Re-Pricing in accordance with the procedures of DTC. The Trustee shall not be liable for the content or information contained in the Re-Pricing, Mandatory Tender and Election to Retain Announcement or in the notice to DTC regarding the proposed Re-Pricing and for any modification or supplement to the Operational Arrangements published by DTC. If it is determined that the procedures of DTC cannot accommodate a Mandatory Tender and transfer on a Re-Pricing Date that is not also a Scheduled Distribution Date (or the Issuer (or the Portfolio Manager on behalf of the Issuer) otherwise determines that it is not feasible for the Re-Pricing Date to occur on a Business Day that is not also a Scheduled Distribution Date), the Re-Pricing Date must be a Business Day that coincides with a Distribution Date.

(e) If the Issuer, the Portfolio Manager and the Remarketing Agent, if any, have been informed of the existence of Non-Consenting Holders and the Aggregate Outstanding Amount of Notes of the Re-Priced Class held by such Non-Consenting Holders, the Issuer, the Portfolio Manager or the Remarketing Agent on behalf of the Issuer, if any, shall deliver written notice thereof to the Consenting Holders of the Re-Priced Class (which notice may be either through the facilities of DTC or directly to the beneficial owners of the Notes held by Consenting Holders), specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by all such Non-Consenting Holders, and shall request each such Consenting Holder to provide written notice to the Issuer, the Trustee, the Portfolio Manager and the Remarketing Agent (if any) if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class held by the Non-Consenting Holders (each such notice, an "Exercise Notice") within five Business Days of receipt of such notice.

In the event that the Issuer receives Exercise Notices with respect to an amount equal to or greater than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Remarketing Agent on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Notes held by Non-Consenting Holders to the Holders delivering Exercise Notices, sell Re-Pricing Replacement Notes to the Holders delivering Exercise Notices or conduct a Re-Pricing Redemption of Non-Consenting Holders' Notes with Re-Pricing Proceeds, in each case without further notice to the Non-Consenting Holders thereof. Mandatory Tenders of Notes of the Re-Priced Class held by Non-Consenting Holders and sales of Re-Pricing Replacement Notes, in each case on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, will be *pro rata* (subject to the applicable minimum denomination requirements and DTC procedures) based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices.

In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Remarketing Agent on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Notes, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto or the Issuer may redeem such Notes with Re-Pricing Proceeds. Any excess Notes of the Re-Priced Class held by Non-Consenting Holders may be subject to Mandatory Tender and transferred to one or more transferees designated by the Issuer or the Remarketing Agent on behalf of the Issuer or redeemed with Re-Pricing Proceeds. All Mandatory Tenders and transfers and redemptions of Notes to be effected as set forth in this Section 9.7 shall be made at the Redemption Price with respect to such Notes, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions hereof and, in the case of a Mandatory Tender, in accordance with the Operational Arrangements. Unless the Issuer (or the Portfolio Manager on behalf of the Issuer) determines it is necessary to have new CUSIP numbers assigned to the Notes of a Re-Priced Class to facilitate the Re-Pricing, the CUSIP numbers assigned to the Notes of a Re-Priced Class that exist prior to the Re-Pricing Date shall remain the same CUSIP numbers after the occurrence of the Re-Pricing Date with respect to: (i) the Notes that are held by Consenting Holders for which an Election to Retain has been exercised and (ii) the Notes held by Non-Consenting Holders that are subject to Mandatory Tender and transfer and which are sold to one or more transferees designated by the Issuer or the Remarketing Agent on behalf of the Issuer in connection with such Mandatory Tender.

(f) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee (at the direction of the Issuer) shall have entered into a supplemental indenture dated as of the Re-Pricing Date solely to (x) modify the spread over the Benchmark (or, in the case of any Fixed Rate Notes, the fixed interest rate) applicable to the Re-Priced Class and/or (y) extend the Non-Call Period for the Re-Priced Class;

(ii) confirmation has been received that all Notes of the Re-Priced Class held by Non-Consenting Holders have been subject to Mandatory Tender and transferred or redeemed pursuant to clause (c) above;

(iii) each Rating Agency has been notified of such Re-Pricing;

(iv) expenses related to the Re-Pricing will be paid from available funds, including Available Redemption Interest Proceeds, amounts on deposit in the Permitted Use Account designated for such use, amounts on deposit in the Expense Reserve Account and funds in the Ongoing Expense Smoothing Account, on the Re-Pricing Date or, if the Re-Pricing Date is not on a Distribution Date, the next Distribution Date, unless such expenses shall have been paid or shall be adequately provided for by any entity other than the Issuer. The fees of the Remarketing Agent payable by the Issuer shall not exceed an amount consented to by a Majority of the Variable Dividend Notes in writing; and

(v) the Trustee shall have received an officer's certificate from the Issuer certifying that the conditions to such Re-Pricing have been satisfied.

The Issuer, or the Remarketing Agent on behalf of the Issuer, shall deliver written notice to the Trustee and the Portfolio Manager not later than three Business Days prior to the proposed Re-Pricing Date confirming that the Issuer (or the Remarketing Agent) expects to have sufficient funds for the purchase or the redemption of all Notes of the Re-Priced Class held by Non-Consenting Holders.

Any notice of a Re-Pricing may be withdrawn by the Portfolio Manager at least three Business Days prior to the scheduled Re-Pricing Date by written notice to the Issuer and the Trustee for any reason. Any notice of Re-Pricing will be automatically withdrawn by the Issuer if there are insufficient funds to complete a related Re-Pricing Redemption. Upon receipt of such notice of withdrawal, the Trustee (at the direction of the Issuer) shall send such notice to the Holders of each Re-Priced Class and each Rating Agency.

The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee and certifying that such Re-Pricing is permitted by this Indenture and that all conditions precedent thereto have been complied with in order to effect a Re-Pricing in accordance with this Section 9.7.

In connection with a Re-Pricing, the Non-Call Period for the Re-Priced Class may be extended at the direction of the Portfolio Manager prior to such Re-Pricing pursuant to a supplemental indenture entered into in accordance with Article VIII.

The Portfolio Manager or a Majority of the Variable Dividend Notes may waive any notice period requirement set forth in this Section 9.7 with respect to any notice required to be given to it.

In effecting a Re-Pricing, the Trustee will be entitled to rely upon instructions received from the Issuer (or the Portfolio Manager on its behalf) and shall have no liability for any delay or failure on the part of the Issuer, DTC or a Holder (or beneficial owner) in taking actions necessary in connection therewith.

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1. Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Pledged Obligations, in accordance with the terms and conditions of such Pledged Obligations. The Trustee shall segregate and hold all such Money and property received by it in trust for the Secured Parties and shall apply it as provided in this Indenture.

Section 10.2. Collection Accounts.

(a) The Trustee shall, on or prior to the Closing Date, establish at the Custodian three segregated accounts, one of which shall be designated as the "Interest Collection Account" (which shall include the Variable Dividend Note Interest Collection Account and the Secured Note Interest Collection Account), one of which shall be designated as the "Variable Dividend Note Principal Collection Account" and one of which shall be designated as the "Secured Note Principal Collection Account," each of which shall be maintained by the Trustee with the Custodian in accordance with the Securities Account Control Agreement. The Variable Dividend Note Principal Collection Account and the Secured Note Principal Collection Account together constitute an account designated as the "Principal Collection Account," and the Principal Collection Account together with the Interest Collection Account together constitute an account designated as the "Collection Account." The Trustee shall from time to time deposit into the Interest Collection Account, in addition to the deposits required pursuant to Section 10.6(a), immediately upon receipt thereof (i) any funds in the Reserve Account deemed by the Portfolio Manager in its sole discretion to be Interest Proceeds pursuant to Section 10.3(e) and (ii) all Interest Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII) received by the Trustee. The Trustee shall deposit immediately upon receipt thereof (i) Principal Proceeds in respect of Variable Dividend Note Collateral Obligations or Margin Stock credited to the Variable Dividend Note Custodial Account into the Variable Dividend Note Principal Collection Account as directed by the Portfolio Manager and (ii) all other amounts remitted to the Collection Account into the Secured Note Principal Collection Account, including in addition to the deposits required pursuant to Section 10.6(a), (x) any funds in the Reserve Account deemed by the Portfolio Manager in its sole discretion to be Principal Proceeds pursuant to Section 10.3(e), (y) all Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments) received by the Trustee, and (z) all other funds received by the Trustee. The Issuer may, but under no circumstances shall be required to, deposit from time to time such Monies received from external sources in the Collection Account as it deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.6(a).

(b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify or cause the Issuer to be notified and the Issuer shall use its commercially reasonable efforts to, within five Business Days of receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction to a Person which is not the Portfolio Manager or an Affiliate of the Issuer or the Portfolio Manager and deposit the proceeds thereof in the Collection Account; *provided however* that, the Issuer (i) need not sell such distributions or other proceeds if it delivers an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that it shall sell such distribution within such two-year period.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Trustee shall withdraw Principal Proceeds on deposit in the subaccount of the Principal Collection Account designated by the Portfolio Manager in its sole discretion (including Principal Financed Accrued Interest used to pay for accrued interest on an additional Collateral Obligation) and reinvest (or invest, in the case of funds referred to in Section 7.17) such funds in additional Collateral Obligations, in each case in accordance with the requirements of Article XII; *provided* that, amounts deposited in the Principal Collection Account may not be used to purchase Margin Stock or for any other purpose that would constitute the Issuer's extending Purpose Credit. At any time, the Portfolio Manager on behalf of the Issuer may direct the Trustee to, and the Trustee shall, withdraw Principal Proceeds on deposit in the subaccount of the Principal Collection Account designated by the Portfolio Manager and use such funds to meet funding the Issuer's requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(d) The Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, pay from amounts on deposit in the Interest Collection Account or the Principal Collection Account on any Business Day during any Interest Accrual Period (or any portion thereof, in the case of the first Interest Accrual Period) (i) together with amounts permitted to be used therefor in accordance with the definition of "Permitted Use", any amount required to exercise a warrant or right to acquire securities or obligations held in the Assets, which right was received by the Issuer in connection with the insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation or the obligor thereof, or to purchase a Specified Equity Security; (ii) together with amounts permitted to be used therefor in accordance with the definition of "Permitted Use", any amount required to exercise a right to acquire loan assets, which right was received by the Issuer in connection with the insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation or the obligor thereof, (iii) amounts permitted to be used for the purchase of a Workout Instrument in accordance with Section 12.5 of this Indenture or (iv) any Administrative Expenses (such payments to be counted against the Administrative Expense Cap for the applicable period and to be subject to the order of priority as stated in the definition of Administrative Expenses); *provided* that the aggregate Administrative Expenses paid as described in this paragraph during any Collection Period shall not exceed the Administrative Expense Cap for the related Distribution Date; *provided further* that, (A) if Principal Proceeds would be used to exercise any such warrant or right to acquire securities or obligations or loan

assets or to purchase a Specified Equity Security pursuant to clauses (i) or (ii) above, as determined by the Portfolio Manager (w) the anticipated Sale Proceeds from the sale of the Equity Security or loan asset received in connection with the exercise of such warrant or right will at least equal the amount of Principal Proceeds used to exercise such warrant or right, (x) the aggregate amount of Principal Proceeds used for such purposes pursuant to clauses (i) and (ii) since the Closing Date shall not exceed 3.0% of the Aggregate Ramp-Up Par Amount, (y) each of the Coverage Tests shall be satisfied after giving effect to such application of Principal Proceeds and (z) after application of such Principal Proceeds, the sum of (I) the Collateral Principal Amount and (II) for each Defaulted Obligation owned by the Issuer for less than three years, the Moody's Collateral Value thereof will be greater than or equal to the Reinvestment Target Par Balance; *provided further* that, if Principal Proceeds would be used to acquire a Workout Security, prior to the distribution of such Principal Proceeds, the Portfolio Manager shall determine that the condition set forth in clause (z) above shall be met after application of such Principal Proceeds and (B) if Interest Proceeds would be used to exercise any such warrant or right to acquire securities or obligations or loan assets or to purchase a Specified Equity Security pursuant to clauses (i) or (ii) above, (x) the amount of Interest Proceeds so applied does not exceed the Specified Use Interest Proceeds Cap as determined immediately prior to such application of Interest Proceeds, (y) such application will not cause a deferral of interest on any Class of Secured Notes on the next succeeding Distribution Date, as determined by the Portfolio Manager in its reasonable judgment and (z) each of the Coverage Tests shall be satisfied after giving effect to such application of Interest Proceeds. In addition, the Portfolio Manager on behalf of the Issuer may direct the Trustee to withdraw funds on deposit in the Principal Collection Account representing Principal Proceeds and deposit such funds in the Revolver Funding Account to meet funding requirements with respect to Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations. Principal Proceeds will be withdrawn from the Variable Dividend Note Principal Collection Account pursuant to this paragraph only if the Collateral Obligation with respect to which the warrant was received by the Issuer was a Variable Dividend Note Collateral Obligation.

(e) Subject to the Interest Transfer Restriction, no later than the second Determination Date, the Portfolio Manager may direct the Trustee to transfer an amount from the Principal Collection Account on any Business Day to the Interest Collection Account as Interest Proceeds as designated by the Portfolio Manager (with the consent of a Majority of the Variable Dividend Notes).

(f) [Reserved].

(g) The Portfolio Manager on behalf of the Issuer may by Issuer Order (which direction shall be deemed to have been provided upon delivery of a Distribution Report) direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, transfer to the Payment Account as applicable, from the Collection Account, for application pursuant to the Priority of Distributions, on or not later than the Business Day preceding each Distribution Date, the amount set forth to be so transferred in the Distribution Report for such Distribution Date.

(h) The Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, transfer from amounts on

deposit in the Interest Collection Account on any Business Day to the Principal Collection Account, amounts necessary for application pursuant to Section 7.17(d).

(i) For all U.S. federal tax reporting purposes, all income earned on the funds invested and allocable to the Accounts is legally and beneficially owned by the Issuer. The Issuer is required to provide to the Bank, in its capacity as Trustee (i) an IRS Form W-8BEN-E no later than the date hereof, and (ii) any additional IRS forms (or updated versions of any previously submitted IRS forms) or other documentation at such time or times required by Applicable Law or upon the reasonable request of the Trustee as may be necessary (a) to reduce or eliminate the imposition of U.S. withholding taxes and (b) to permit the Trustee to fulfill its tax reporting obligations under Applicable Law with respect to the Accounts or any amounts paid to the Issuer. The Issuer is further required to report to the Trustee comparable information upon any change in the legal or beneficial ownership of the income allocable to the Accounts. The Bank, both in its individual capacity and in its capacity as Trustee, shall have no liability to the Issuer or any other person in connection with any tax withholding amounts paid, or retained for payment, to a Governmental Authority from the Accounts arising from the Issuer's failure to timely provide an accurate, correct and complete IRS Form W-8BEN-E or such other documentation contemplated under this paragraph. For the avoidance of doubt, no funds shall be invested with respect to such Accounts absent the Trustee having first received (x) instructions with respect to the investment of such funds, and (y) the forms and other documentation required by this paragraph.

Section 10.3. Certain Transaction Accounts.

(a) Payment Account. The Trustee shall, on or prior to the Closing Date, establish at the Custodian a segregated account, which shall be designated as the "Payment Account," which shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement. Except as provided in the Priority of Distributions, the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable or distributable on the Notes in accordance with their terms and the provisions of this Indenture and to pay Administrative Expenses and other amounts specified herein, each in accordance with the Priority of Distributions. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with the Priority of Distributions. Funds in the Payment Account shall not be invested.

(b) Custodial Account. The Trustee shall, on or prior to the Closing Date, establish at the Custodian two segregated, non-interest bearing accounts (collectively, the "Custodial Account"), which shall be held by the Custodian in accordance with the Securities Account Control Agreement. The Custodial Account will be comprised of an account designated as the "Variable Dividend Note Custodial Account," to which Variable Dividend Note Collateral Obligations and Transferable Margin Stock will be credited (at the direction of the Portfolio Manager) and an account designated as the "Secured Note Custodial Account," to which all other Collateral Obligations, Equity Securities, Restructured Obligations, Workout Instruments, Specified Equity Securities, Non-Transferred Margin Stock and equity interests in Issuer Subsidiaries will be credited. The only permitted withdrawals from the Custodial Account shall be in accordance with the terms hereof. Amounts in the Custodial Account shall remain

uninvested. The Co-Issuers will not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with the terms hereof.

(c) Ramp-Up Account. The Trustee shall, on or prior to the Closing Date, establish at the Custodian three segregated, non-interest bearing accounts, which shall be designated as the "Ramp-Up Interest Account," the "Variable Dividend Note Ramp-Up Account" and the "Secured Note Ramp-Up Account" (collectively, the "Ramp-Up Account") which shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement. On the Closing Date, net proceeds of Variable Dividend Notes shall be deposited in the Variable Dividend Note Ramp-Up Account, and net proceeds of the Secured Notes shall be deposited in the Secured Note Ramp-Up Account and the Ramp-Up Interest Account (in each case, as directed by the Issuer or the Portfolio Manager on its behalf). In connection with any purchase of an additional Collateral Obligation, the Trustee shall apply amounts held in the Ramp-Up Account as provided by Section 7.17(b). Upon the occurrence of an Event of Default, the Trustee shall deposit any remaining amounts in the Ramp-Up Account (excluding any proceeds that are required to settle binding commitments entered into prior to the date of that occurrence) into the Collection Account as Principal Proceeds.

Subject to the Interest Transfer Restriction, no later than the second Determination Date, any amounts remaining in the Ramp-Up Account (excluding any proceeds that are required to settle binding commitments entered into prior to the date of transfer) will be transferred by the Trustee at the direction of the Portfolio Manager on any Business Day into the Collection Account as Interest Proceeds or Principal Proceeds as designated by the Portfolio Manager (with the consent of a Majority of the Variable Dividend Notes).

Any income earned on amounts deposited in the Ramp-Up Account shall be deposited in the Collection Account as Interest Proceeds.

(d) Expense Reserve Account. The Trustee shall, on or prior to the Closing Date, establish at the Custodian a segregated account, which shall be designated as the "Expense Reserve Account," which shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement. The Issuer hereby directs the Trustee to deposit the amount specified in the Closing Date Certificate to the Expense Reserve Account an amount to be determined on the Closing Date. The Trustee shall apply funds from the Expense Reserve Account, in the amounts and as directed by the Portfolio Manager, to pay (i) amounts due in respect of actions taken no later than the Closing Date and (ii) subject to the Administrative Expense Cap, Administrative Expenses in the order of priority contained in the definition thereof. Any income earned on amounts on deposit in the Expense Reserve Account shall be deposited in the Interest Collection Account as Interest Proceeds as it is paid. By the Interest Coverage Tests Effective Date, all funds in the Expense Reserve Account (after deducting any expenses paid on such Determination Date) shall be deposited in the Collection Account as Interest Proceeds and/or Principal Proceeds (in the respective amounts directed by the Portfolio Manager in its sole discretion).

(e) Reserve Account. The Trustee shall, on or prior to the Closing Date, establish at the Custodian a segregated account, which shall be designated as the "Reserve Account," which shall be maintained by the Issuer with the Custodian in accordance with the

Securities Account Control Agreement. The Issuer hereby directs the Trustee to deposit the amount specified in the Closing Date Certificate to the Reserve Account on the Closing Date. On any date prior to the Determination Date relating to the second Distribution Date, the Issuer, at the direction of the Portfolio Manager, may direct that all or any portion of the funds in the Reserve Account be deposited in the Collection Account as Interest Proceeds and/or Principal Proceeds (in the respective amounts directed by the Portfolio Manager in its sole discretion), as long as, after giving effect to such deposits, the Portfolio Manager determines that the Issuer shall have sufficient funds in the Collection Account to pay any amounts on the Secured Notes (and all amounts senior in right of payment thereto) pursuant to the Priority of Interest Proceeds on the second Distribution Date; *provided* that with respect to any such amount to be deposited to the Collection Account as Interest Proceeds, if so directed by the Portfolio Manager on or prior to the Determination Date relating to the first or second Distribution Date, such amount will instead be paid directly to the Holders of the Variable Dividend Notes on such Distribution Date without regard to the Priority of Distributions, so long as such payment would not result, on a *pro forma* basis as reasonably determined by the Portfolio Manager in good faith, in the non-payment or deferral of interest on any Class of Secured Notes, or the non-payment of any outstanding Administrative Expenses, on such Distribution Date. Any income earned on amounts deposited in the Reserve Account shall be deposited in the Interest Collection Account as Interest Proceeds as it is paid.

(f) Permitted Use Account. The Trustee will, on or prior to the Closing Date, establish a segregated account, which will be designated as the "Permitted Use Account," which shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement. Contributions shall be received into the Permitted Use Account and applied by the Portfolio Manager on behalf of the Issuer to a Permitted Use as directed by the Contributor (with the consent of a Majority of the Variable Dividend Notes) at the time such Contribution is made (or, if no direction is given by the Contributor, at the Portfolio Manager's discretion with the consent of a Majority of the Variable Dividend Notes). Any income earned on amounts deposited in the Permitted Use Account shall be deposited in the Collection Account as Interest Proceeds.

In addition, on each Distribution Date during or after the Reinvestment Period, at the direction of the Portfolio Manager, the amount available for such purpose under clause (V) of the Priority of Interest Proceeds (if any) will be deposited by the Trustee into the Permitted Use Account (such amount, the "Supplemental Reserve Amount") and applied by the Issuer to a Permitted Use at the direction of the Portfolio Manager in its sole discretion.

In addition, (x) the proceeds of any issuance of additional Variable Dividend Notes and/or any additional Junior Mezzanine Notes, may, in the sole discretion of the Portfolio Manager with the consent of a Majority of the Variable Dividend Notes, be deposited in the Permitted Use Account to be applied to a Permitted Use and (y) any amounts in respect of Management Fees waived by the Portfolio Manager in its sole discretion in accordance with the Portfolio Management Agreement may be deposited in the Permitted Use Account to be applied to a Permitted Use, in each case at the direction of the Portfolio Manager.

(g) Ongoing Expense Smoothing Account. The Trustee shall, on or prior to the Closing Date, establish at the Custodian a single, segregated account which shall be

designated as the "Ongoing Expense Smoothing Account" (the "Ongoing Expense Smoothing Account"). The Trustee shall transfer funds to the Ongoing Expense Smoothing Account, in the amounts and as directed by the Portfolio Manager, on each Distribution Date pursuant to the Priority of Interest Proceeds. The Trustee shall apply funds from the Ongoing Expense Smoothing Account, in the amounts and as directed by the Portfolio Manager, (x) to pay Administrative Expenses in the order of priority contained in the definition thereof on or between Distribution Dates (without regard to the Administrative Expense Cap) and/or (y) for transfer to the Interest Collection Account for application as Interest Proceeds in accordance with this Indenture. Any income earned on amounts on deposit in the Ongoing Expense Smoothing Account shall be deposited in the Interest Collection Account as Interest Proceeds as it is paid.

Section 10.4. The Revolver Funding Account. Upon the purchase of any Delayed Drawdown Collateral Obligation, Revolving Collateral Obligation or Unfunded Workout Obligation, funds in the amounts described below shall be withdrawn from the Ramp-Up Account or from the Collection Account (as directed by the Portfolio Manager) and deposited by the Trustee in two segregated accounts (collectively, the "Revolver Funding Account"), which shall be maintained in accordance with the terms of the Securities Account Control Agreement. The Revolver Funding Account is comprised of an account designated as the "Variable Dividend Note Revolver Funding Account" to which reserves related to Variable Dividend Note Collateral Obligations that are Delayed Drawdown Collateral Obligations, Revolving Collateral Obligations or Unfunded Workout Obligations are deposited and an account designated as the "Secured Note Revolver Funding Account" to which all other reserves with respect to Delayed Drawdown Collateral Obligations, Revolving Collateral Obligations and Unfunded Workout Obligations are deposited (as directed by the Portfolio Manager). Upon initial purchase, funds deposited in the Revolver Funding Account in respect of any Delayed Drawdown Collateral Obligation, Revolving Collateral Obligation or Unfunded Workout Obligation shall be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account shall be invested in overnight funds that are Eligible Investments selected by the Portfolio Manager and earnings from all such investments shall be deposited in the Interest Collection Account as Interest Proceeds.

With respect to any Delayed Drawdown Collateral Obligation, Revolving Collateral Obligation or Unfunded Workout Obligation, upon the notification from the Portfolio Manager of the purchase of any such Delayed Drawdown Collateral Obligation, Revolving Collateral Obligation or Unfunded Workout Obligation, the Trustee shall deposit funds in the Revolver Funding Account as directed by the Portfolio Manager such that the sum of the amount of funds on deposit in the Revolver Funding Account shall be equal to or greater than the sum of the unfunded funding obligations under all Delayed Drawdown Collateral Obligations, Revolving Collateral Obligations and Unfunded Workout Obligations then included in the Assets. In addition, the Trustee shall deposit funds in the Revolver Funding Account upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Portfolio Manager on behalf of the Issuer.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) shall be available solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations, Revolving Collateral Obligations and Unfunded Workout Obligations at the direction of the Portfolio Manager. Upon (a) the sale or maturity of a Delayed

Drawdown Collateral Obligation, Revolving Collateral Obligation or Unfunded Workout Obligation or (b) the occurrence of an event of default with respect to any such Delayed Drawdown Collateral Obligation, Revolving Collateral Obligation or Unfunded Workout Obligation or any other event or circumstance which results in the irrevocable reduction of the undrawn commitments under such Delayed Drawdown Collateral Obligation, Revolving Collateral Obligation or Unfunded Workout Obligation (the occurrence of which the Portfolio Manager shall notify the Trustee) any excess of (A) the amounts on deposit in the Revolver Funding Account over (B) the sum of the unfunded amounts of all Delayed Drawdown Collateral Obligations, Revolving Collateral Obligations and Unfunded Workout Obligations included in the Assets shall be transferred by the Trustee (at the direction of the Portfolio Manager) as Principal Proceeds to the Principal Collection Account.

Section 10.5. Hedge Counterparty Collateral Account. If and to the extent that any Hedge Agreement requires the Hedge Counterparty to post collateral with respect to such Hedge Agreement, the Issuer shall (at the direction of the Portfolio Manager), on or prior to the date such Hedge Agreement is entered into, direct the Trustee to establish a segregated account which shall be designated as a Hedge Counterparty Collateral Account (each, a "Hedge Counterparty Collateral Account"). The Trustee (as directed by the Portfolio Manager on behalf of the Issuer) shall deposit into each Hedge Counterparty Collateral Account all collateral required to be posted by a Hedge Counterparty and all other funds and property required by the terms of any Hedge Agreement to be deposited into the Hedge Counterparty Collateral Account, in accordance with the terms of the related Hedge Agreement. The only permitted withdrawals from or application of funds or property on deposit in the Hedge Counterparty Collateral Account shall be in accordance with the written instructions of the Portfolio Manager.

Section 10.6. Reinvestment of Funds in Accounts; Reports by Trustee; Administrative Matters.

(a) By Issuer Order (which may be in the form of standing instructions), the Issuer (or the Portfolio Manager on behalf of the Issuer) shall at all times direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, invest all funds on deposit in the Collection Account, the Ramp-Up Account, the Revolver Funding Account, the Expense Reserve Account, the Reserve Account, the Permitted Use Account, the Ongoing Expense Smoothing Account and the Hedge Counterparty Collateral Account as so directed in Eligible Investments having Stated Maturities no later than the Business Day preceding the next Distribution Date (or such shorter maturities expressly provided herein). If prior to the occurrence of an Event of Default, the Issuer shall not have given any such investment directions, the Trustee shall seek instructions from the Portfolio Manager within three Business Days after transfer of any funds to such accounts. If the Trustee does not thereafter receive written instructions from the Portfolio Manager within five Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable, in an investment vehicle (which shall be an Eligible Investment) designated as such by the Portfolio Manager to the Trustee in writing no later than the Closing Date (or, if no such designation is made by the Portfolio Manager, in cash), (such investment, until and as it may be changed from time to time as hereinafter provided, the "Standby Directed Investment"), until investment instruction as provided in the preceding sentence is received by the Trustee; or, if the Trustee from time to time receives a standing written instruction from the Portfolio Manager

expressly stating that it is changing the "Standby Directed Investment" under this Section 10.6(a), the Standby Directed Investment may thereby be changed to an Eligible Investment of the type described in clause (ii) of the definition of "Eligible Investments" maturing no later than the Business Day immediately preceding the next Distribution Date (or such shorter maturities expressly provided herein) as designated in such instruction. Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be deposited in the Interest Collection Account, any gain realized from such investments shall be credited to the Principal Collection Account upon receipt, and any loss resulting from such investments shall be charged to the Principal Collection Account. The Trustee shall not in any way be held liable by reason of any insufficiency of such accounts which results from any loss relating to any such investment; *provided* that, the foregoing shall not relieve the Bank of its obligations under any security or obligation issued by the Bank or any Affiliate thereof.

(b) The Trustee agrees to give the Issuer immediate notice if any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. All Accounts shall remain at all times Eligible Accounts. Each Account (including any subaccount) shall be a securities account established with U.S. Bank National Association in the name of "Logan CLO III, Ltd., subject to the lien of U.S. Bank Trust Company, National Association, as Trustee" and shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement.

and maintained in a subaccount of the Interest Collection Account designated as the "Secured Note Interest Collection Account", (ii) acquiring or funding a Collateral Obligation for which portions thereof will be deposited into the Variable Dividend Note Custodial Account and the Secured Note Custodial Account, funds for such purpose may be transferred from one Principal Collection Account or Ramp-Up Account, as the case may be, to the other Principal Collection Account or Ramp-Up Account, respectively, so that a single wire may be sent in respect of such acquisition or funding. The Trustee shall be entitled to conclusively rely upon direction of the Portfolio Manager in respect of the identification of Variable Dividend Note Collateral Obligations and the deposit, transfer and withdrawal of amounts in respect thereof. The procedures set forth in this Section 10.6(d) are solely for administrative convenience and for purposes of this Indenture any distributions of Interest Proceeds in respect of Variable Dividend Note Collateral Obligations and Collateral Obligations which are not Variable Dividend Note Collateral Obligations shall be treated as if directly deposited into the Interest Collection Account.

(A) to pay all amounts under clauses (A) through (C) of the Priority of Interest Proceeds in the priority and subject to the limitations stated therein; *provided* that, the Administrative Expense Cap shall not apply to amounts payable (including indemnities) to the Collateral Administrator or the Trustee, in each of their capacities under the Transaction Documents, following commencement of the liquidation of the Assets pursuant to the terms hereof;

(B) for payment in accordance with the Note Payment Sequence;

(C) to the payment of (1) *first*, any Administrative Expenses (in the order set forth in the definition of such term) not paid pursuant to clause (A) above due to the Administrative Expense Cap and (2) *second, pro rata* based on amounts due, any amounts due to any Hedge Counterparty under any Hedge Agreement pursuant to an early termination (or partial termination) of such Hedge Agreement not otherwise paid pursuant to clause (A) above;

(D) to the payment to the Portfolio Manager of any accrued and unpaid Subordinated Management Fee (less any portion thereof waived at the election of the Portfolio Manager in respect of such Distribution Date pursuant to the terms of the Portfolio Management Agreement);

(F) to the payment of the Incentive Management Fee to the Portfolio Manager, if applicable; and

(G) any remaining Interest Proceeds and Principal Proceeds to the Holders of the Variable Dividend Notes.

(iv) On any Partial Redemption Date or Redemption Date that is not a Scheduled Distribution Date, Refinancing Proceeds, Available Redemption Interest Proceeds and funds in the Ongoing Expense Smoothing Account, or Re-Pricing Proceeds, as applicable, will be distributed (after the application of Interest Proceeds under the Priority of Interest Proceeds if such Partial Redemption Date is also a Distribution Date) in the following order of priority:

(A) to pay the Redemption Price, in accordance with the Note Payment Sequence, of each Class of Secured Notes being redeemed, without duplication of any payments received by any such Class pursuant to other clauses of the Priority of Distributions,

(B) to pay Administrative Expenses (without regard to the Administrative Expense Cap) related to the Refinancing or Re-Pricing, and

(C) any remaining amounts to the Collection Account as Principal Proceeds or Interest Proceeds, as directed by the Portfolio Manager in its sole discretion.

(b) If on any Distribution Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Distribution Report, the Trustee shall make the disbursements called for in the order and according to the priority set forth under the Priority of Distributions to the extent funds are available therefor.

(c) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with the Priority of Distributions, the Trustee shall remit such funds, to the extent available, as directed and designated in an Issuer Order (which may be in the form of standing instructions) delivered to the Trustee no later than the Business Day prior to each Distribution Date.

(d) In the event that the Hedge Counterparty defaults in the payment of its obligations to the Issuer under any Hedge Agreement on the date on which any payment is due thereunder, the Issuer (or the Portfolio Manager on its behalf) shall make a demand on such Hedge Counterparty, or any guarantor, if applicable, demanding payment by 12:30 p.m., New York time, on such date. The Issuer (or the Trustee on its behalf) shall give notice as soon as reasonably practicable to the Holders, the Portfolio Manager and each Rating Agency if such Hedge Counterparty continues to fail to perform its obligations for two Business Days following a demand made on such Hedge Counterparty, and shall take such action with respect to such continuing failure as may be directed to be taken pursuant to Section 5.13.

(e) The Portfolio Manager may, in its sole discretion (but shall not be obligated to), elect to defer or irrevocably waive payment of any accrued and unpaid Base Management Fee, Subordinated Management Fee or Incentive Management Fee payable to the Portfolio Manager on any Distribution Date to a future Distribution Date; *provided* that, no deferred Base Management Fee that the Portfolio Manager has elected to subsequently receive may be paid on a Distribution Date on which the payment of such deferred amount would cause the deferral or non-payment of interest on any Class of Secured Notes. Any such election shall be made by the Portfolio Manager delivering written notice thereof to the Issuer, the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Distribution Date (or such later time and date as may be consented to by the Trustee and the Collateral Administrator). Any election to defer or irrevocably waive the Management Fee may also take the form of written standing instructions to the Issuer, the Collateral Administrator and the Trustee; *provided* that, such standing instructions may be rescinded by written notice delivered to the Issuer, the Collateral Administrator and the Trustee by the Portfolio Manager at any time except during the period between a Determination Date and Distribution Date (except as may be consented to by the Trustee and the Collateral Administrator). In the event that the Portfolio Manager rescinds any election to defer any such Management Fees by delivering written notice thereof to the Issuer, the Collateral Administrator and the Trustee not later than the Determination Date immediately preceding the related Distribution Date (or such later time and

date as may be consented to by the Trustee and the Collateral Administrator), such deferred Management Fees shall be payable on such Distribution Date (and, if necessary, subsequent Distribution Dates) in accordance with the Priority of Distributions. If on any Distribution Date there are insufficient funds in accordance with the Priority of Distributions to pay the Base Management Fee or Subordinated Management Fee in full, then a portion of the Base Management Fee or Subordinated Management Fee equal to the shortfall will be deferred and will be payable on such later Distribution Date on which funds are available therefor in accordance with the Priority of Distributions. Any accrued and unpaid Subordinated Management Fee that is deferred by operation of the Priority of Distributions shall accrue interest at a *per annum* rate of the Benchmark plus 3.00%, payable in accordance with the Priority of Distributions. For the avoidance of doubt, (i) any Base Management Fees or Incentive Management Fees that are deferred and (ii) any Subordinated Management Fees that are deferred at the election of the Portfolio Manager shall, in each case, not accrue interest.

Section 11.2. Expense Disbursements on Dates other than Distribution Dates. Provided that, no Event of Default has occurred and is continuing, the Portfolio Manager, on behalf of the Issuer, may direct the Trustee to disburse Interest Proceeds in the Collection Account or the Expense Reserve Account, from time to time on dates other than Distribution Dates for payment of the Administrative Expenses described in clause (A) of the Priority of Interest Proceeds and payable in the same order of priority (subject to the Administrative Expense Cap); *provided* that, the Trustee shall be entitled (but not required) without liability on its part, to refrain from making any such payment of an Administrative Expense on any day other than a Distribution Date if it determines the payment of such amounts may leave insufficient funds available to pay in full each of the items payable prior thereto in the Priority of Interest Proceeds on the next succeeding Distribution Date.

Section 11.3. Contributions.

(a) At any time during or after the Reinvestment Period, (i) with the consent of the Portfolio Manager and a Majority of the Variable Dividend Notes, any holder of Variable Dividend Notes may make a contribution of cash to the Issuer, (ii) with the consent of the Portfolio Manager and a Majority of the Variable Dividend Notes, any holder of Variable Dividend Notes may make a contribution of other property to the Issuer and/or (iii) with no less than two Business Days' (or such shorter period agreed to by the Issuer and the Trustee) notice to the Issuer and the Trustee, a Majority of Variable Dividend Notes may designate as a contribution to the Issuer any portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed to the Variable Dividend Notes in accordance with the Priority of Distributions (any of the foregoing, a "Contribution", the Contribution described in clause (iii), a "Distribution Date Contribution" and each such Holder, a "Contributor"); *provided* that, each Contribution shall be in an aggregate amount of at least \$500,000 (counting all Contributions made on the same day as a single Contribution for this purpose) except with respect to a Contribution to be applied to (x) the purchase of a Workout Instrument, a Restructured Obligation or a Specified Equity Security or (y) a Junior Class Repayment; *provided further* that, any Contribution described in clause (ii) shall (as determined by the Portfolio Manager on behalf of the Issuer) comply with the Tax Guidelines or Tax Advice to the effect that such action will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis.

In connection with the making of a Contribution described above, the relevant holder of Variable Dividend Notes shall provide the Issuer, the Portfolio Manager and the Trustee with a Contribution Notice, which notice (in the case of a Contribution described in clause (i) or (ii) above) will be required to include the wiring instructions, contact information and any other information requested by the Issuer or the Trustee as necessary for the repayment of such Contribution pursuant to the Priority of Distributions.

(b) The Trustee shall, at the direction of the Portfolio Manager and within one Business Day of the Trustee having received written notice that the Portfolio Manager and a Majority of the Variable Dividend Notes have consented to such Contribution, notify the remaining Holders of the Variable Dividend Notes of its receipt thereof and (in the case of a Contribution described in clause (a)(i) or (a)(ii) above) extend to the other Holders of Variable Dividend Notes the opportunity to participate in the related Contribution in proportion to their then-current ownership of Variable Dividend Notes. In the case of a Contribution of property as described in clause (a)(ii) above, the amount for which a Holder may elect to participate in such Contribution (and the amount of the related Contribution Repayment Amount) will be determined on the basis of the value of such property as determined by the Portfolio Manager. Such notice shall be delivered in the form of Exhibit F hereto. In the case of a Contribution described in clause (a)(i) or (a)(ii) above, any Holder of existing Variable Dividend Notes that has not, within three Business Days (the "Contribution Participation Option Period") after delivery of such notice of a Contribution from the Trustee, elected to participate in such Contribution by delivery of a notice in the form of Exhibit E hereto (a "Contribution Participation Notice") in respect thereof to the Issuer (with a copy to the Portfolio Manager) and the Trustee shall be deemed to have irrevocably declined to participate in such Contribution. The Issuer (or the Trustee on its behalf) shall not accept any Contribution described in clause (a)(i) or (a)(ii) above until after the expiration of the Contribution Participation Option Period. In the case of a Contribution described in clause (a)(i) or (a)(ii) above, within one Business Day of the end of the Contribution Participation Option Period, the Trustee will provide notice, in form of Exhibit G hereto, to each Contributor of the amount of such Contribution owed by such Contributor, and such Contributor will be required to deliver funds to the Trustee (with notice to the Issuer, the Portfolio Manager and a Majority of the Variable Dividend Notes) to be received by the Trustee with a Contribution Notice, which notice will be required to include the wiring instructions, contact information and any other information requested by the Issuer or the Trustee as necessary for the repayment of such Contribution pursuant to the Priority of Distributions. For the avoidance of doubt, a designation by a Majority of the Variable Dividend Notes of amounts that would otherwise be distributed to the holders of the Variable Dividend Notes as a Contribution pursuant to clause (a)(iii) above shall apply to all holders of Variable Dividend Notes.

Contributions shall be received into the Permitted Use Account and applied by the Portfolio Manager on behalf of the Issuer to a Permitted Use as directed by the Contributor (with the consent of a Majority of the Variable Dividend Notes) at the time such Contribution is made (or, if no direction is given by the Contributor, at the Portfolio Manager's discretion with the consent of a Majority of the Variable Dividend Notes); *provided* that, in the case of a Distribution Date Contribution, such Contribution shall be applied by the Portfolio Manager on behalf of the Issuer to a Permitted Use as directed by the Portfolio Manager with the consent of a Majority of the Variable Dividend Notes.

(c) Any income earned on amounts deposited in the Permitted Use Account shall be deposited in the Permitted Use Account. No Contribution or portion thereof will be permitted to be returned to the Contributor at any time (other than by operation of the Priority of Distributions). Contributions shall be repaid to the Contributor (and, in the case of a Contribution described in clause (a)(i) and (a)(ii) above, in accordance with the payment instructions provided to the Trustee by each Contributor) on the first Distribution Date or Distribution Dates on which funds in respect thereof are available in accordance with the Priority of Distributions, together with a specified rate of return as agreed by the Portfolio Manager and a Majority of the Variable Dividend Notes, with notice to the Issuer, the Collateral Administrator and the Trustee delivered no later than the related Determination Date (such applicable amount inclusive of the Contribution, the "Contribution Repayment Amount"). For purposes of a Distribution Date Contribution, the related Contributors for purposes of the repayment of a Contribution Repayment Amount on any Distribution Date shall be the Holders of the Variable Dividend Notes as of the Record Date for such Distribution Date on which such Contribution Repayment Amount is being repaid.

The repayment of any Contribution to any Holder of Variable Dividend Notes will not be deemed to be, or required to be reported as, a payment of principal, interest or other amount on the Variable Dividend Notes or otherwise.

In connection with any Contribution, the Trustee may require any information reasonably necessary for the payment of a Contribution Repayment Amount, including without limitation each applicable Contributor's name, address, tax identification number, formation documents (if applicable) and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations.

For the avoidance of doubt, Holders shall not have any voting rights with respect to any Contribution Repayment Amount owed, and Contributions shall not increase the voting rights of the Notes held by any Holder.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1. Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3; *provided* that, no Event of Default has occurred and is continuing (except for sales pursuant to Section 12.1(a), (c), (d), (g), (h) or (i), unless liquidation of the Assets has begun or the Trustee has exercised any remedies of a Secured Party pursuant to Section 5.4(a)(iv) at the direction of a Majority of the Controlling Class), the Portfolio Manager on behalf of the Issuer may in writing direct the Trustee to sell and the Trustee (on behalf of the Issuer) shall sell in the manner directed by the Portfolio Manager any Collateral Obligation or Equity Security if, as certified by the Portfolio Manager, to the best of its knowledge (which certification shall be deemed to have been given upon delivery of a direction to sell or a trade ticket to the Trustee and the Collateral Administrator by the Portfolio Manager), such sale meets the requirements of any one of paragraphs (a) through (i) of this Section 12.1. For purposes of

this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Risk Obligation at any time during or after the Reinvestment Period without restriction.

(b) Credit Improved Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Improved Obligation at any time during or after the Reinvestment Period without restriction.

(c) Defaulted Obligations. The Portfolio Manager may direct the Trustee to sell any Defaulted Obligation, Restructured Obligation or Workout Instrument at any time during or after the Reinvestment Period without restriction.

(d) Equity Securities. The Portfolio Manager may direct the Trustee to sell any Equity Security or Specified Equity Security or any Issuer Subsidiary Asset held by an Issuer Subsidiary at any time during or after the Reinvestment Period without restriction.

(e) Stated Maturity; Optional Redemption or Redemption following a Tax Event. If any such sale is made through participation, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months of the sale.

(f) Discretionary Sales. The Portfolio Manager may sell any Collateral Obligation at any time (other than Credit Risk Obligations, Credit Improved Obligations, Defaulted Obligations and Equity Securities, each of which may be sold at any time without restriction pursuant to this Section 12.1) (each such sale, a "Discretionary Sale"), if (i) after giving effect to such Discretionary Sale, the Aggregate Principal Balance of all Discretionary Sales during the same calendar year is not greater than 25% of the Collateral Principal Amount as of the beginning of such calendar year (or, in the case of the year 2022, the Aggregate Ramp-Up Par Amount) and (ii) either (A) at any time (1) the sale proceeds from such Discretionary Sale are at least sufficient to maintain or increase the Adjusted Collateral Principal Amount (as measured immediately before such sale) or (2) after giving effect to such Discretionary Sale, the Principal Balance of the Collateral Obligations (excluding the Collateral Obligation being sold) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of such proposed sale) shall be greater than or equal to the Reinvestment Target Par Balance; or (B) during the Reinvestment Period, the Portfolio Manager reasonably believes it will be able to reinvest such sale proceeds in compliance with the Investment Criteria; *provided* that, in respect of any such Discretionary Sale after the Reinvestment Period, the sale

proceeds shall be greater than or equal to the principal balance of the relevant Collateral Obligation which is the subject of the Discretionary Sale.

For purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold shall be reduced to the extent of any purchases of Collateral Obligations of the same obligor (which are pari passu or senior to such sold Collateral Obligations) occurring within 45 Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same obligor (which would be pari passu or senior to such sold Collateral Obligation).

(g) Mandatory Sales. The Portfolio Manager shall use commercially reasonable efforts to sell each Equity Security or Collateral Obligation that constitutes Margin Stock not later than 45 Business Days after the later of (x) the date of the Issuer's acquisition thereof and (y) the date such Equity Security or Collateral Obligation became Margin Stock, unless, in each case, such sale is prohibited by applicable law, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law; *provided* that if such Equity Security is a Specified Equity Security, this paragraph shall not apply thereto.

The Portfolio Manager, on behalf of the Issuer, (i) may, on the Closing Date or at the time of purchase (or receipt), designate certain Collateral Obligations as Variable Dividend Note Collateral Obligations; provided that the amount of Collateral Obligations so designated (measured by the Issuer's acquisition cost (including accrued interest)) shall not exceed the Variable Dividend Note Reinvestment Ceiling and (ii) shall not, after the Closing Date, purchase any Variable Dividend Note Collateral Obligations with any funds other than funds in the Variable Dividend Note Principal Collection Account. If a Collateral Obligation that has not been designated as a Variable Dividend Note Collateral Obligation becomes Margin Stock or Margin Stock is received by the Issuer in respect of a Collateral Obligation that was not designated as a Variable Dividend Note Collateral Obligation (each, "**Transferable Margin Stock**"), the Portfolio Manager, on behalf of the Issuer, may direct the Trustee to (i) transfer one or more Variable Dividend Note Collateral Obligations having a value equal to or greater than such Transferable Margin Stock to the Secured Note Custodial Account, and simultaneously (ii) transfer such Transferable Margin Stock to the Variable Dividend Note Custodial Account; provided that to the extent that any Transferable Margin Stock is not transferred to the Variable Dividend Note Custodial Account ("**Non-Transferred Margin Stock**"), such Non-Transferred Margin Stock must be sold in accordance with clause (g)(y) above. The value of each transferred Collateral Obligation shall be its Market Value.

(h) Unsalable Assets. If the Assets consist exclusively of Unsalable Assets or at any time after the Reinvestment Period:

(i) at the direction and sole discretion of the Portfolio Manager, the Trustee, at the expense of the Issuer, may (A) conduct an auction of Unsalable Assets in accordance with the procedures set forth in clause (ii) below or (B) if the Portfolio Manager certifies to the Trustee that in its commercially reasonable judgment an auction of Unsalable Assets as set forth in clause (ii) below would be unduly burdensome or significantly increase costs to the Issuer and/or the Portfolio Manager, offer to deliver (at no cost) the Unsalable Asset

to the Portfolio Manager; *provided* that, if the Portfolio Manager declines such offer, the Trustee shall take such action as directed by the Portfolio Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means.

(ii) promptly after receipt of such direction, the Trustee shall provide notice (in such form as is prepared by the Portfolio Manager) to the Holders (and, for so long as any Notes rated by any Rating Agency are Outstanding, such Rating Agency) of an auction, setting forth in reasonable detail a description of each Unsalable Asset and the following auction procedures:

(A) any Holder may submit a written bid to purchase one or more Unsalable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice);

(B) each bid must include an offer to purchase for a specified amount of Cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice;

(C) if no Holder submits such a bid, unless delivery in kind is not legally or commercially practicable, the Trustee shall provide notice thereof to each Holder and offer to deliver (at no cost to the Holders or the Trustee) a *pro rata* portion of each unsold Unsalable Asset to the Holders of the most senior Class that provide delivery instructions to the Trustee no later than the date specified in such notice, subject to Authorized Denominations. To the extent that minimum denominations do not permit a *pro rata* distribution, the Portfolio Manager shall identify and the Trustee shall distribute the Unsalable Assets on a *pro rata* basis to the extent possible and the Portfolio Manager shall select by lottery the Holder to whom the remaining amount shall be delivered. The Trustee shall use commercially reasonable efforts to effect delivery of such interests. For the avoidance of doubt, any such delivery to the Holders will not operate to reduce the principal amount of any Notes held by such Holders; and

(D) if no such Holder provides delivery instructions to the Trustee, the Trustee shall promptly notify the Portfolio Manager and offer to deliver (at no cost to the Trustee) the Unsalable Asset to the Portfolio Manager. If the Portfolio Manager declines such offer, the Trustee shall take such action as directed by the Portfolio Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means.

(i) Notwithstanding anything contained herein to the contrary, the Issuer may cause any Issuer Subsidiary Asset or the Issuer's interest therein to be transferred to an Issuer Subsidiary in exchange for an interest in such Issuer Subsidiary.

Following the sale of any Credit Improved Obligation during the Reinvestment Period, the Portfolio Manager shall use its reasonable efforts to purchase additional Collateral Obligations within 60 Business Days of the settlement date of such Collateral Obligation.

Section 12.2. Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period or after the Reinvestment Period, the Portfolio Manager, on behalf of the

Issuer, may, but shall not be required to, direct the Trustee to invest Principal Proceeds and Interest Proceeds (solely to the extent used to pay for accrued interest on such additional Collateral Obligations) in additional Collateral Obligations, and the Trustee shall invest such proceeds, if, as certified by the Portfolio Manager, to the best of its knowledge (which certification shall be deemed to have been given upon delivery of a direction to purchase or a trade-ticket to the Trustee and the Collateral Administrator by the Portfolio Manager), each of the conditions specified in this Section 12.2 and Section 12.3 is satisfied; *provided* that, with respect to the purchase of any Collateral Obligations the settlement date for which the Portfolio Manager reasonably expects will occur after the end of the Reinvestment Period, such Collateral Obligations will be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria.

With respect to the purchase of any Collateral Obligation the settlement date for which the Portfolio Manager reasonably expects will occur after the end of the Reinvestment Period, to the extent such Collateral Obligation would be purchased using Principal Proceeds consisting of Scheduled Distributions of principal, only that portion of such Principal Proceeds that the Portfolio Manager reasonably expects will be received prior to the end of the Reinvestment Period may be used to effect such purchase, and such Collateral Obligation will be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria.

Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Portfolio Manager shall deliver to the Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Trustee that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Account as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Collateral Obligations.

As a condition to any purchase of an additional Collateral Obligation (as determined by the Portfolio Manager), if the balance in the Principal Collection Account after giving effect to (i) all expected debits and credits in connection with such purchase and all other sales and purchases (as applicable) previously or simultaneously committed to, and (ii) without duplication of amounts in the preceding clause (i), anticipated receipts of Principal Proceeds, is a negative amount, the absolute value of such amount may not be greater than 3.0% of the Reinvestment Target Par Balance as of the Measurement Date immediately preceding the trade date for such purchase. In no event will the Trustee be obligated to settle a trade to the extent such action would result in a negative balance or overdraft of the Principal Collection Account, and the Trustee shall incur no liability for refusing to wire funds in excess of the balance of funds in the Principal Collection Account.

Notwithstanding anything to the contrary herein, the acquisition of Specified Equity Securities, Restructured Obligations or Workout Instruments shall not be required to satisfy any of the Investment Criteria.

(a) Investment Criteria. On any date during the Reinvestment Period, no Collateral Obligation may be purchased unless no Event of Default has occurred and is continuing and the Portfolio Manager reasonably believes each of the following conditions are satisfied as of the date it commits on behalf of the Issuer to make such purchase or on the date of such purchase, in each case after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to; *provided* that, prior to the Effective Date, the conditions set forth in clauses (iii) through (v) below need not be satisfied (the "Investment Criteria"):

- (i) such obligation is a Collateral Obligation;
- (ii) such obligation is not by its terms convertible into or exchangeable for Equity Securities, or attached with a warrant to purchase Equity Securities;
- (iii) each Coverage Test shall be satisfied, or if not satisfied, such Coverage Test shall be maintained or improved; *provided* that, to the extent that any Coverage Test is not satisfied, any amounts received with respect to Defaulted Obligations may not be reinvested until such Coverage Test is satisfied;
- (iv) the Reinvestment Balance Criteria will be satisfied; and
- (v) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test shall be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such reinvestment, such requirement or test shall be maintained or improved;

provided that, (x) clauses (iii) through (v) above need not be satisfied with respect to one single reinvestment if they are satisfied on an aggregate basis in connection with an Aggregated Reinvestment and (y) clauses (i) and (iii) and the Collateral Quality Test in clause (v) above need not be satisfied with respect to any Defaulted Obligation acquired in an Exchange Transaction.

(b) Exchange Transactions; Permitted Uses. At any time during or after the Reinvestment Period, the Portfolio Manager in its sole discretion may direct the Issuer (or, if necessary, the Trustee) to enter into an Exchange Transaction or apply (i) the Supplemental Reserve Amount, (ii) as directed by the Portfolio Manager in its sole discretion, amounts in the Permitted Use Account, (iii) as determined by the Portfolio Manager, any amounts in respect of Management Fees waived by the Portfolio Manager in accordance with the Portfolio Management Agreement or (iv) Additional Junior Notes Proceeds to one or more Permitted Uses at the direction of the Portfolio Manager in its sole discretion.

(c) Investment after the Reinvestment Period. After the Reinvestment Period, Eligible Post-Reinvestment Proceeds may be reinvested in additional Collateral Obligations in accordance with the requirements set forth below (the "Post-Reinvestment Period Criteria").

After the Reinvestment Period, so long as no Event of Default has occurred and is continuing, the Portfolio Manager may, but shall not be required to, invest Principal Proceeds (i) that are Sale Proceeds with respect to Credit Risk Obligations or (ii) that are Unscheduled Principal Payments ("Eligible Post-Reinvestment Proceeds"), in each case by the later of (a) 45

days and (b) the Determination Date occurring after receipt of such Principal Proceeds; *provided* that, the Portfolio Manager may not reinvest such Principal Proceeds unless the Portfolio Manager believes, in its commercially reasonable judgment, that after giving effect to any such reinvestment:

(i) each of the KBRA WAS Test, the Minimum Floating Spread Test, the Weighted Average Rating Factor Test, the Moody's Diversity Test, the Minimum Weighted Average Moody's Recovery Rate Test and the Weighted Average Life Test shall be satisfied or, if not satisfied, shall be maintained or improved;

(ii) (1) each Par Value Ratio Test shall be satisfied and (2) each requirement of the Concentration Limitations shall be satisfied or, if any such requirement was not satisfied immediately prior to such reinvestment, such requirement shall be maintained or improved;

(iii) no Restricted Trading Period is then in effect;

(iv) the Stated Maturity of each additional Collateral Obligation acquired shall be equal to or earlier than the Stated Maturity of the corresponding prepaid or disposed Collateral Obligation at the time of disposition of such Collateral Obligation;

(v) unless the Post-Reinvestment Period Overcollateralization Test is satisfied, the Reinvestment Balance Criteria shall be satisfied;

(vi) (1) the Moody's Rating of such additional Collateral Obligation acquired is the same or higher than the Moody's Rating of each Collateral Obligation that produced the Eligible Post-Reinvestment Proceeds or (2) the Moody's Default Probability Rating of such additional Collateral Obligation acquired is the same or higher than the Moody's Default Probability Rating of each Collateral Obligation that produced the Eligible Post-Reinvestment Proceeds; and

(vii) each additional purchased asset is a Collateral Obligation;

provided further that the criteria in this Section 12.2(c) need not be satisfied with respect to (i) one single reinvestment if such criteria are satisfied on an aggregate basis in connection with an Aggregated Reinvestment or (ii) any obligation acquired in an Exchange Transaction.

(d) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article X.

(e) Other than in the case of a bankruptcy, workout or restructuring of a Collateral Obligation (including the purchase of a Specified Equity Security) or Equity Security previously received, the Portfolio Manager on behalf of the Issuer shall not accept any Offer if the asset received pursuant thereto does not satisfy the definition of "Collateral Obligation."

Section 12.3. Conditions Applicable to All Sale and Purchase Transactions.

(a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Portfolio Manager, shall be effected in accordance with the requirements of Section 5 of the Portfolio Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated, *provided that*, the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Pledged Obligation or Pledged Obligations shall be Granted to the Trustee pursuant to this Indenture, such Pledged Obligations shall be Delivered to the Trustee. The Portfolio Manager (on behalf of the Issuer) shall deliver to the Trustee, not later than the date fixed by the Issuer for the delivery of the related Collateral Obligation to be pledged to the Trustee, an Authorized Officer's certificate of the Issuer certifying compliance with the provisions of this Article (which certificate shall be deemed to have been provided upon delivery of an Issuer Order in respect of such acquisition).

(c) Notwithstanding anything contained in this Article XII to the contrary, the Issuer shall have the right to effect any sale of any Pledged Obligation or purchase of any Collateral Obligation (*provided* in the case of a purchase of a Collateral Obligation, such purchase complies with the applicable requirements of the Portfolio Management Agreement (including the Tax Guidelines or, in the alternative, Tax Advice permitting deviations therefrom)) (x) that has been consented to by a Supermajority of the Aggregate Outstanding Amount of each Class of Notes and (y) of which the Trustee and each Rating Agency has been notified.

Section 12.4. Restrictions on Maturity Amendments. The Issuer (or the Portfolio Manager on its behalf) may not consent to a Maturity Amendment unless, after giving effect to any relevant Aggregated Reinvestment, (i) such Maturity Amendment would not cause such Collateral Obligation to mature after the earliest Stated Maturity of the Secured Notes and (ii) either (a) the Weighted Average Life Test will be satisfied after giving effect to such Maturity Amendment or (b) if the Weighted Average Life Test was not satisfied prior to such Maturity Amendment, the level of compliance with the test will be maintained or improved; *provided that* clause (ii) above is not required to be satisfied if (A) either (x) such Maturity Amendment is a Credit Amendment or a Restructuring Amendment, (y) the Issuer receives the consent of a Majority of the Controlling Class to such Maturity Amendment or (z) the Portfolio Manager intends to use commercially reasonable efforts to sell the amended Collateral Obligation within 30 Business Days of the Maturity Amendment or the Restructuring Amendment becoming effective; *provided that*, if such amended Collateral Obligation has not been sold within such 30 Business Day period, such Collateral Obligation shall be treated as Defaulted Obligation for all purposes hereunder and (B) the Aggregate Principal Balance of Collateral Obligations that satisfy clause (ii) due to the application of clause (x) above (I) on an aggregate basis since the Closing Date does not exceed 10.0% of the Aggregate Ramp-Up Par Amount and (II) held by the Issuer as of the applicable date of determination does not exceed 5.0% of the Collateral Principal Amount. For the avoidance of doubt, the Issuer will not be in violation of the restrictions in this paragraph if the maturity of such Collateral Obligation is extended without meeting the

requirements of clause (i) or (ii) above so long as the Issuer (or the Portfolio Manager on behalf of the Issuer) did not consent to such amendment. Notwithstanding the foregoing, the Issuer or the Portfolio Manager may vote for a Maturity Amendment with respect to a Collateral Obligation (A) that it has already sold (either in whole or in part) if the sale has not settled, at the direction of the buyer or (B) if the Portfolio Manager or the Issuer receives notice from the trustee or agent for such Collateral Obligation that lenders or debtholders, as the case may be, that constitute the required lenders or debtholders, as the case may be, for approval of such amendment, waiver or supplement have already consented (or are expected to consent) thereto, the Issuer (or the Portfolio Manager on its behalf) may consent to such Maturity Amendment if a fee, additional interest or other consideration will be paid by the obligor only to the consenting lenders.

Section 12.5. Purchases of Workout Instruments. Notwithstanding any other requirement set forth in this Indenture (other than the requirements of Section 7.16(m)), Principal Proceeds or Interest Proceeds may be invested in Workout Instruments; *provided* that (i) if the Workout Instrument is a debt obligation, such debt obligation is senior or *pari passu* in right of payment to the corresponding Collateral Obligation already held by the Issuer, (ii) after giving effect to such investment, the Coverage Tests will be satisfied, (iii) if Principal Proceeds are used, (a) after giving effect to such investment, the Collateral Principal Amount will be at least equal to the Reinvestment Target Par Balance and (b) the aggregate amount of Principal Proceeds applied in accordance with this paragraph may not exceed (1) for each calendar year, 1.0% of the Collateral Principal Amount (determined as of the first Business Day of such calendar year) and (2) measured cumulatively from the Closing Date onward, 7.5% of the Aggregate Ramp-Up Par Amount and (iv) if Interest Proceeds are used, (a) the amount of Interest Proceeds so applied does not exceed the Specified Use Interest Proceeds Cap as determined immediately prior to such application of Interest Proceeds and (b) such application will not cause a deferral of interest on any Class of Secured Notes on the next succeeding Distribution Date, as determined by the Portfolio Manager in its reasonable judgment; *provided further* that, for the purposes of clause (iii) above, (x) any Defaulted Obligation shall be deemed to have a Principal Balance equal to its Moody's Collateral Value and (y) solely in the case of the purchase of a Workout Obligation, the Reinvestment Target Par Balance shall be reduced by the lesser of (1) the aggregate amount of reductions in the Aggregate Outstanding Amount of the Class D Notes and the Class E Notes since the Closing Date (other than in connection with a Refinancing) and (2) an amount equal to 1.0% of the Aggregate Ramp-Up Par Amount. Notwithstanding anything to the contrary herein, a Workout Obligation shall be treated as a Defaulted Obligation until it subsequently satisfies the definition of "Collateral Obligation." For the avoidance of doubt and notwithstanding anything in this Indenture to the contrary, Workout Instruments may be sold at any time without restriction.

ARTICLE XIII

HOLDERS' RELATIONS

Section 13.1. Subordination.

(a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Junior Class agree for the benefit of the Holders of each Priority Class with

respect to such Junior Class that such Junior Class shall be subordinate to the Notes of each such Priority Class to the extent and in the manner set forth in Article XI of this Indenture and except as otherwise expressly set forth herein. On any Post-Acceleration Distribution Date or on the Stated Maturity, all accrued and unpaid interest on and outstanding principal of each Priority Class shall be paid pursuant to the Post-Acceleration Priority of Proceeds in full in Cash or, solely in the case of a Post-Acceleration Distribution Date, to the extent 100% of Holders of the most senior Class and a Majority of each other Class of Secured Notes consents, other than in Cash, before any further payment or distribution is made on account of any Junior Class with respect thereto, to the extent and in the manner provided in the Post-Acceleration Priority of Proceeds.

(b) On or after a Post-Acceleration Distribution Date or on the Stated Maturity, in the event that notwithstanding the provisions of this Indenture, any Holder of any Junior Class shall have received any payment or distribution in respect of such Class contrary to the provisions of this Indenture, then, unless and until all accrued and unpaid interest on and outstanding principal of each Priority Class with respect thereto shall have been paid in full in Cash or, solely in the case of a Post-Acceleration Distribution Date, to the extent a Majority of each Class of Secured Notes consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Classes in accordance with this Indenture; *provided however* that, if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of a Junior Class shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; *provided however* that, after all accrued and unpaid interest on and outstanding principal of a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class.

(d) The Holders of each Class agree, for the benefit of all Holders of each Class, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary until the payment in full of the Notes and not before one year (or if longer, the applicable preference period then in effect) plus one day has elapsed since such payment.

Section 13.2. Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the

extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.3. Information Regarding Holders. With respect to a Certifying Person, the Trustee will, upon request of the Portfolio Manager or the Issuer, unless such Certifying Person instructs the Trustee otherwise, share the identity of such Certifying Person with the Portfolio Manager or the Issuer, respectively. Upon the request of the Portfolio Manager or the Issuer, the Trustee will request a list from DTC of participants holding positions in the Notes and will provide such list to the Portfolio Manager or the Issuer.

ARTICLE XIV

MISCELLANEOUS

Section 14.1. Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Portfolio Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Portfolio Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Portfolio Manager or such other Person, unless such Officer of the Issuer, Co-Issuer or the Portfolio Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is *provided* that, the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such

request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act of Holders" signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of its holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such Note and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Co-Issuers in reliance thereon, whether or not notation of such action is made upon such Note.

(e) With respect to any vote, each Holder or proxy will be entitled to one vote for each U.S. \$1.00 principal amount of the interest in a Note as to which it is the Holder or proxy; *provided* that, no vote will be counted in respect of any Note challenged as not Outstanding and ruled by the Registrar to be not Outstanding.

(f) Notwithstanding anything herein to the contrary, a holder of a beneficial interest in a Global Note will have the right to receive access to reports on the Trustee's Website and will be entitled to exercise rights to vote, give consents and directions which holders of the related Class of Notes are entitled to give under this Indenture upon delivery of a beneficial ownership certificate in a form acceptable to the Trustee which certifies (i) that such Person is a beneficial owner of an interest in a Global Note, and (ii) the amount and Class of Notes so owned; provided that, nothing shall prevent the Trustee from requesting additional information and documentation with respect to any such beneficial owner; provided further that the Trustee shall be entitled to conclusively rely on the accuracy and the currency of each beneficial ownership certificate and shall have no liability for relying thereon.

Section 14.3. Notices Other Than to Holders.

(c) In the event that any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Trustee and any other person or entity, the Trustee's receipt of such notice or document shall entitle the Trustee to assume that such notice or document was delivered to such other person or entity unless otherwise expressly specified herein.

(d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee may be provided by providing access to a website containing such information.

(e) The Bank (in each of its capacities) shall be entitled to accept and act upon instructions or directions pursuant to this Indenture or any documents executed in connection herewith sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods; *provided however* that, any person providing such instructions or directions shall provide to the Bank an incumbency certificate listing persons designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give the Bank email (or .pdf or similar files) or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or other expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and

directions to the Bank, including without limitation the risk of the Bank acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 14.4. Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Register or, as applicable, in accordance with the procedures at DTC, as soon as reasonably practicable but in any case not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(b) such notice shall be in the English language.

Such notices shall be deemed to have been given on the date of such mailing or provision to DTC.

In lieu of the foregoing, any documents (including reports, notices, or supplemental indentures) required to be provided by the Trustee to Holders may be delivered by providing notice of, and access to, the Trustee's website containing such documents.

The Trustee shall deliver to the Holders any information in its possession or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer. The Trustee shall not have any liability for such disclosure or, subject to its duties herein, the accuracy thereof.

Upon the request of any Holder or any Certifying Person that it is the owner of a beneficial interest in a Global Note (including any documentation that the Trustee may request in order to verify ownership), the Trustee shall deliver to such Holder or Person a copy of the Register and any related information reasonably available to the Trustee by reason of it acting in such capacity, and all related costs will be borne by the requesting Holder or Person. The Trustee shall not have any liability for such disclosure or, subject to its duties herein, the accuracy thereof.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5. Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6. Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7. Severability. Except to the extent prohibited by Applicable Law, in case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14.8. Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Portfolio Manager, the Holders of the Notes, the Collateral Administrator and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9. Records. For the term of the Notes, copies of the Memorandum and Articles of Association of the Issuer, the Certificate of Formation and Limited Liability Company Agreement of the Co-Issuer and this Indenture shall be available for inspection by the Holders of the Notes in electronic form at the office of the Trustee upon prior written request and during normal business hours of the Trustee.

Section 14.10. Governing Law. THIS INDENTURE AND EACH SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 14.11. Submission to Jurisdiction. To the fullest extent permitted by Applicable Law, each of the parties hereto hereby irrevocably (i) submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or Proceeding arising out of or relating to the Notes or this Indenture, (ii) agrees that all claims in respect of such action or Proceeding may be heard and determined in such New York State or federal court, (iii) waives the defense of an inconvenient forum to the maintenance of such action or Proceeding and (iv) consents to the service of any and all process in any action or Proceeding by the mailing or delivery of copies of such process to it at the office of the Co-Issuers' agent set forth in Section 7.2 or, in the case of the Trustee, to it at the Corporate Trust Office. Each such party agrees that a final judgment in any such action or Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 14.12. Counterparts. This Indenture and the Notes (and each amendment, modification and waiver in respect of this Indenture or the Notes) may be executed and delivered in counterparts, including by facsimile transmission or electronic transmission (including a .pdf file, .jpeg file or any electronic signature complying with the U.S. federal ESIGN Act of 2000, including Orbit, Adobe Sign, DocuSign, or any other similar platform identified by the Issuer and reasonably available at no undue burden or expense to the Trustee),

each of which will be deemed an original, and all of which together constitute one and the same instrument. Delivery of an executed counterpart signature page of this Indenture by facsimile or any such electronic transmission shall be effective as delivery of a manually executed counterpart of this Indenture. Any electronically signed document delivered via email from a person purporting to be an Authorized Officer shall be considered signed or executed by such Authorized Officer on behalf of the applicable Person. The Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto.

Section 14.13. Acts of Issuer. Any report, information, communication, request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Portfolio Manager on the Issuer's behalf.

Section 14.14. Confidential Information.

(a) The Trustee, the Collateral Administrator and each Holder shall maintain the confidentiality of all Confidential Information in accordance with this Section 14.14; *provided* that, such Person may deliver or disclose Confidential Information to: (i) such Person's directors, trustees, officers, employees, agents, attorneys and Affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.14 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (ii) such Person's financial advisors and other professional advisors (including auditors and attorneys) who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.14 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (iii) any other Holder; (iv) any Person of the type that would be, to such Person's knowledge, permitted to acquire Notes in accordance with the requirements of Section 2.6 hereof to which such Person sells or offers to sell any such Notes or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.14); (v) any other Person from which such former Person offers to purchase any security of the Co-Issuers (if such other Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.14); (vi) any Federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person; (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about the investment portfolio of such Person, reinsurers and liquidity and credit providers that agree to hold confidential the Confidential Information substantially in accordance with this Section 14.14; (viii) a Rating Agency; (ix) any other Person with the written consent of the Co-Issuers and the Portfolio Manager; (x) any other disclosure that is permitted or required under this Indenture or the Collateral Administration Agreement; or (xi) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Co-Issuers (unless prohibited by Applicable Law, rule, order or decree or other requirement having the force of law),

(C) in connection with any litigation to which such Person is a party upon prior notice to the Co-Issuers (unless prohibited by Applicable Law, rule, order or decree or other requirement having the force of law) or (D) if an Event of Default has occurred and is continuing, to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under the Notes or this Indenture; and *provided further however* that, delivery to Holders by the Trustee or the Collateral Administrator of any report or information required by the terms of this Indenture to be provided to Holders shall not be a violation of this Section 14.14. Each Holder agrees, except as set forth in clauses (vi), (vii) and (x) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Notes or administering its investment in the Notes; and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders any Confidential Information in violation of this Section 14.14. In the event of any required disclosure of the Confidential Information by such Holder, such Holder agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder, by its acceptance of its Notes shall be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.14. Notwithstanding the foregoing, the Trustee, the Collateral Administrator, the Holders and beneficial owners of the Notes (and each of their respective employees, representatives or other agents) may disclose to any and all Persons, without limitation of any kind, the U.S. tax treatment of the Issuer and the transactions contemplated by this Indenture and all materials of any kind (including opinions or other tax analyses) that are provided to them relating to such U.S. tax treatment.

(b) For the purposes of this Section 14.14, "Confidential Information" means information delivered to the Trustee, the Collateral Administrator or any Holder by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; *provided* that, such term does not include information that: (i) was publicly known or otherwise known to the Trustee, the Collateral Administrator or such Holder prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Trustee, the Collateral Administrator, any Holder or any person acting on behalf of the Trustee, the Collateral Administrator or any Holder; (iii) otherwise is known or becomes known to the Trustee, the Collateral Administrator or any Holder other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Trustee, the Collateral Administrator or a Holder, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; or (iv) is allowed to be treated as non-confidential by consent of the Co-Issuers.

(c) Notwithstanding the foregoing, the Trustee and the Collateral Administrator may disclose Confidential Information to the extent disclosure may be required by law or by any regulatory or Governmental Authority and the Trustee and the Collateral Administrator may disclose on a confidential basis any Confidential Information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder.

Section 14.15. Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, *inter alia*, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to

enforce, or bring any action or Proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers nor any Issuer Subsidiary shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or other Issuer Subsidiaries, as applicable, or shall have any claim in respect to any assets of the other of the Co-Issuers or other Issuer Subsidiaries, as applicable.

Section 14.16. 17g-5 Information.

(a) The Issuer shall comply with its obligations under Rule 17g-5 promulgated under the Exchange Act ("Rule 17g-5"), by it or its agent's posting on the 17g-5 Website, no later than the time such information is provided to the Rating Agencies, all information that the Co-Issuers or other parties on their behalf, including the Trustee and the Portfolio Manager, provide to the Rating Agencies for the purposes of determining the Initial Ratings of the Secured Notes or undertaking credit rating surveillance of the Secured Notes (the "17g-5 Information"). For the avoidance of doubt, such information shall not include any Accountants' Report except as otherwise provided in Section 10.10. The Issuer hereby appoints the Collateral Administrator as the Information Agent (the "Information Agent").

(b) (i) To the extent that a Rating Agency makes an inquiry that is, or initiates communications with the Issuer, the Portfolio Manager, the Collateral Administrator or the Trustee that are, relevant to such Rating Agency's credit rating surveillance of the Secured Notes, all responses to such inquiries or communications from such Rating Agency shall be formulated in writing by the responding party or its representative or advisor and shall be provided to the Information Agent who shall promptly post such written response to the 17g-5 Website in accordance with the procedures set forth in Section 14.16(b)(iv), and after the responding party or its representative or advisor receives written notification from the Information Agent (which the Information Agent agrees to provide on a reasonably prompt basis) (which may be in the form of email) that such response has been posted on the 17g-5 Website, such responding party or its representative or advisor may provide such response to such Rating Agency.

(ii) To the extent that any of the Issuer, the Portfolio Manager, the Collateral Administrator or the Trustee is required to provide any information to, or communicate with, any Rating Agency in accordance with its obligations under this Indenture or the Portfolio Management Agreement, the Issuer, the Portfolio Manager, the Collateral Administrator or the Trustee, as applicable (or their respective representatives or advisors), shall provide such information or communication to the Information Agent by e-mail at loganCLOIII17g5@usbank.com, which the Information Agent shall promptly forward to the 17g-5 Website in accordance with the procedures set forth in Section 14.16(b)(iv), and after the applicable party has received written notification from the Information Agent (which the Information Agent agrees to provide on a reasonably prompt basis) (which may be in the form of email) that such information has been uploaded to the 17g-5 Website, the applicable party or its representative or advisor shall provide such information to the Rating Agencies.

(iii) The Issuer, the Portfolio Manager, the Collateral Administrator and the Trustee (and their respective representatives and advisors) shall be permitted (but shall not be required) to orally communicate with the Rating Agencies regarding any Collateral Obligation or the Notes; *provided*, that such party summarizes the information provided to the Rating Agencies in such communication and provides the Information Agent with such summary in accordance with the procedures set forth in this Section 14.16(b) within one Business Day of such communication taking place. The Information Agent shall post such summary on the 17g-5 Website in accordance with the procedures set forth in Section 14.16(b)(iv).

(iv) All information to be made available to a Rating Agency pursuant to this Section 14.16(b) shall be made available on the 17g-5 Website. Information shall be forwarded to the 17g-5 Website by the Information Agent on the same Business Day of receipt *provided* that, such information is received by 12:00 p.m. (Eastern time) or, if received after 12:00 p.m. (Eastern time), on the next Business Day. The Information Agent shall have no obligation or duty to verify, confirm or otherwise determine whether the information being delivered is accurate, complete, conforms to the transaction or otherwise is or is not anything other than what it purports to be. In the event that any information is delivered or posted in error, the Information Agent may remove it from the 17g-5 Website. None of the Issuer, the Trustee, the Portfolio Manager, the Collateral Administrator and the Information Agent shall have obtained or shall be deemed to have obtained actual knowledge of any information solely due to receipt and posting to the 17g-5 Website. Access will be provided by the 17g-5 Website to (A) any NRSRO upon receipt by the Issuer of an NRSRO Certification from such NRSRO (which may be submitted electronically via the 17g-5 Website) and (B) to any Rating Agency, without submission of an NRSRO Certification.

(v) The Information Agent shall not be liable for unauthorized disclosure of any information that it disseminates in accordance with this Indenture and makes no representations or warranties as to the accuracy or completeness of information made available on the 17g-5 Website. The Information Agent shall not be liable for its failure to make any information available to a Rating Agency or NRSROs unless such information was delivered to the Information Agent at the email address set forth herein, with a subject heading of "Logan CLO III, Ltd." and sufficient detail to indicate that such information is required to be posted on the 17g-5 Website.

(c) Notwithstanding anything to the contrary in this Indenture, a breach of this Section 14.16 shall not constitute a Default or Event of Default.

Section 14.17. Rating Agency Conditions.

(a) Notwithstanding the terms of the Portfolio Management Agreement, any Hedge Agreement or other provisions of this Indenture, if any action under the Portfolio Management Agreement, any Hedge Agreement or this Indenture requires satisfaction of the

Moody's Rating Condition or the KBRA Rating Condition (each, a "Condition") as a condition precedent to such action, if the party (the "Requesting Party") required to obtain satisfaction of the Condition has made a request to such Rating Agency for satisfaction of the Condition and, within 10 Business Days of the request for satisfaction of the Condition being posted to the 17g-5 Website, such Rating Agency has not replied to such request or has responded in a manner that indicates that such Rating Agency is neither reviewing such request nor waiving the requirement for satisfaction of the Condition, then such Requesting Party shall be required to confirm that the applicable Rating Agency has received the request, and, if it has, promptly (but in no event later than one Business Day thereafter) request satisfaction of the Condition again. The parties hereto acknowledge and agree that the Moody's Rating Condition and the KBRA Rating Condition may be inapplicable pursuant to the terms of the respective definitions thereof.

(b) Any request for satisfaction of a Condition made by the Issuer (or the Portfolio Manager on behalf of the Issuer), Co-Issuer or Trustee, as applicable, pursuant to this Indenture, shall be made in writing, which writing shall contain a cover page indicating the nature of the request for satisfaction of the Condition, and shall contain all back-up material necessary for the Rating Agency to process such request. Such written request for satisfaction of the Condition shall be provided in electronic format to the Information Agent for posting on the 17g-5 Website in accordance with Section 14.16 and after receiving actual knowledge of such posting (which may be in the form of an automatic email notification of posting delivered by the 17g-5 Website to such party), the Issuer, Co-Issuer or Trustee, as applicable, shall send the request for satisfaction of the Condition to the applicable Rating Agency in accordance with the delivery instructions set forth in Section 14.3(b).

Section 14.18. Waiver of Jury Trial. THE TRUSTEE, HOLDERS (BY THEIR ACCEPTANCE OF SECURITIES) AND EACH OF THE CO-ISSUERS EACH HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS INDENTURE, THE SECURITIES OR ANY OTHER RELATED DOCUMENTS, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN), OR ACTIONS OF THE TRUSTEE, HOLDERS OR EITHER OF THE CO-ISSUERS. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE TRUSTEE AND THE CO-ISSUERS TO ENTER INTO THIS INDENTURE.

Section 14.19. Escheat. In the absence of a written request from the Co-Issuers to return unclaimed funds to the Co-Issuers, the Trustee may from time to time following the final Distribution Date with respect to the Notes deliver all unclaimed funds to or as directed by applicable escheat authorities, as determined by the Trustee in its sole discretion, in accordance with the customary practices and procedures of the Trustee. Any unclaimed funds held by the Trustee pursuant to this Section 14.19 shall be held uninvested and without any liability for interest.

Section 14.20. Legal Holidays. If the date of any Distribution Date, Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Notes or this Indenture, payment need not be made on such date, but may be made on the next

succeeding Business Day with the same force and effect as if made on the nominal date of any such Distribution Date, Redemption Date or Stated Maturity date.

ARTICLE XV

ASSIGNMENT OF PORTFOLIO MANAGEMENT AGREEMENT

Section 15.1. Assignment of Portfolio Management Agreement.

(a) The Issuer hereby acknowledges that its Grant pursuant to the Granting Clause contained herein includes all of the Issuer's estate, right, title and interest in, to and under the Portfolio Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Portfolio Manager thereunder, including the commencement, conduct and consummation of Proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; *provided however* that, except as otherwise expressly set forth in this Indenture, the Trustee shall not have the authority to exercise any of the rights set forth in clauses (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived. From and after the occurrence and continuance of an Event of Default, the Portfolio Manager shall continue to perform and be bound by the provisions of the Portfolio Management Agreement and this Indenture. The Trustee shall be entitled to rely and be protected in relying upon all actions and omissions to act of the Portfolio Manager thereafter as fully as if no Event of Default had occurred.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Portfolio Management Agreement, or increase, impair or alter the rights and obligations of the Portfolio Manager under the Portfolio Management Agreement, nor shall any of the obligations contained in the Portfolio Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Notes, the payment of all amounts required to be paid pursuant to the Priority of Distributions and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Holders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Portfolio Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Portfolio Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time upon the request of the Trustee,

execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as the Trustee may reasonably specify.

(f) The Issuer hereby agrees that the Issuer shall not enter into any agreement amending, modifying or terminating the Portfolio Management Agreement except in accordance with the terms of the Portfolio Management Agreement.

ARTICLE XVI

HEDGE AGREEMENTS

Section 16.1. Hedge Agreements.

(a) The Issuer may enter into Hedge Agreements negotiated by the Portfolio Manager from time to time on and after the Closing Date. The Issuer shall promptly provide notice of entry into any Hedge Agreement to the Trustee and provide a copy of each Hedge Agreement to the Trustee and each Rating Agency. Notwithstanding anything to the contrary contained in this Indenture, the Issuer (or the Portfolio Manager on behalf of the Issuer) shall not enter into any Hedge Agreement unless:

(i) the Global Rating Agency Condition has been satisfied with respect thereto and a Majority of the Variable Dividend Notes has consented thereto. Each Hedge Counterparty will be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless the Global Rating Agency Condition is satisfied or credit support is provided as set forth in the Hedge Agreement; and

(ii) the Issuer has obtained a written opinion of Mayer Brown LLP or Allen & Overy LLP or a written opinion of counsel of other nationally recognized counsel experienced in such matters that either:

(A) the Issuer entering into such Hedge Agreement will not cause it to be considered a "commodity pool" as defined in Section 1a(10) of the CEA, or

(B) if the Issuer would be a commodity pool, (1) the Portfolio Manager and no other party would be the commodity pool operator and commodity trading adviser of the Issuer, and (2) with respect to the Issuer as a commodity pool, the Portfolio Manager is eligible for an exemption from registration as a commodity pool operator and commodity trading adviser and all conditions precedent to obtaining such an exemption have been satisfied.

For so long as the Issuer and the Portfolio Manager are subject to clause (ii)(B) above, the Issuer and the Portfolio Manager shall take all action necessary to ensure ongoing compliance with the applicable exemption from registration or registration requirement, as applicable, under the CEA. The reasonable fees, costs, charges and expenses incurred by the Issuer and the Portfolio Manager (including reasonable attorneys', accountants' and other professional fees and expenses) in connection with the requirements of clause (ii) above will be paid as Administrative Expenses.

Each Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.8(h) and Section 5.4(d). Each Hedge Counterparty shall be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless the Moody's Rating Condition is satisfied or credit support is provided as set forth in the Hedge Agreement. Payments with respect to Hedge Agreements shall be subject to Article XI. Each Hedge Agreement shall contain an acknowledgement by the Hedge Counterparty that the obligations of the Issuer to the Hedge Counterparty under the relevant Hedge Agreement shall be payable in accordance with Article XI of this Indenture.

(b) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the Hedge Agreements), (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Portfolio Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Portfolio Manager under the terminated Hedge Agreement.

(c) The Issuer (or the Portfolio Manager on its behalf) shall, upon receiving written notice of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(d) Each Hedge Agreement will, at a minimum, (i) include requirements for collateralization by or replacement of the Hedge Counterparty (including timing requirements) that satisfy Rating Agency criteria in effect at the time of execution of the Hedge Agreement and (ii) permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) for failure to satisfy such requirements.

(e) The Global Rating Agency Condition must be satisfied prior to amendment or termination of a Hedge Agreement or agreement to provide Hedge Counterparty Credit Support. Any collateral received from a Hedge Counterparty under a Hedge Agreement shall be deposited in the Hedge Counterparty Collateral Account.

(f) If a Hedge Counterparty has defaulted in the payment when due of its obligations to the Issuer under the Hedge Agreement, the Portfolio Manager shall make a demand on the Hedge Counterparty (or its guarantor under the Hedge Agreement) with a copy to the Portfolio Manager, demanding payment by the close of business on such date (or by such time on the next succeeding Business Day if such knowledge is obtained after 11:30 a.m., New York time).

(g) Each Hedge Agreement shall provide that it may not be terminated due to the occurrence of an Event of Default until liquidation of the Collateral has commenced;

provided that, notwithstanding the foregoing, the Portfolio Manager (on behalf of the Issuer) may reduce the notional amount of any Hedge Agreement (and, in connection therewith,

cause the Issuer to pay a termination payment in accordance with the Priority of Distributions to the Hedge Counterparty) if KBRA is notified and the Moody's Rating Condition is obtained with respect to such reduction.

SCHEDULE III

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

(a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all Collateral Obligations issued by that issuer and all Affiliates.

(b) An "Average Par Amount" is calculated by *summing* the Issuer Par Amounts for all issuers, and *dividing by* the number of issuers.

(c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer *divided by* the Average Par Amount.

(d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's industry classification groups, shown on Schedule I, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "Industry Diversity Score" is then established for each Moody's industry classification group, shown on Schedule I, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; *provided that*, if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores:

(f) The Diversity Score is then calculated by *summing* each of the Industry Diversity Scores for each Moody's industry classification group shown on Schedule I.

For purposes of calculating the Diversity Score, Affiliated issuers in the same industry are deemed to be a single issuer except as otherwise agreed to by Moody's and collateralized loan obligations shall not be included.

SCHEDULE IV

S&P RATING DEFINITION

"S&P Rating" means, with respect to any Collateral Obligation, as of any date of determination, the rating determined as follows:

(a) with respect to a Collateral Obligation that is not a DIP Collateral Obligation (i) if there is an issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation pursuant to a form of guaranty that meets all of S&P's then-current guarantee criteria, then the S&P Rating will be such rating (regardless of whether there is a published rating by S&P on the Collateral Obligations of such issuer held by the Issuer) or (ii) if there is no issuer credit rating of the issuer by S&P but (A) if there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Obligation will equal such rating; (B) if there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation will be one subcategory below such rating; and (C) if there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation will be one subcategory above such rating;

(b) with respect to any Collateral Obligation that is a DIP Collateral Obligation, the S&P Rating thereof will be the credit rating assigned to such issue by S&P, or if such DIP Collateral Obligation was assigned a point-in-time rating by S&P that was withdrawn, such withdrawn rating may be used for 12 months after the assignment of such rating (*provided*, that, if the Portfolio Manager is or becomes aware of certain specified amendments or events with respect to the DIP Collateral Obligation that, in the Portfolio Manager's reasonable judgment, would have a material adverse impact on the value of the DIP Collateral Obligation, such withdrawn rating may not be used unless S&P otherwise confirms the rating or provides an updated one; *provided, further*, that if any such Collateral Obligation that is a DIP Collateral Obligation is newly issued and the Portfolio Manager reasonably expects an S&P credit rating within 90 days, the S&P Rating of such Collateral Obligation shall be the lower of (x) the credit rating that the Portfolio Manager expects will be assigned and (y) "B-", in each case, until such credit rating is obtained from S&P or, if earlier, the expiration of such 90-day period);

(c) if an obligation of the issuer is not a DIP Collateral Obligation and is publicly rated by Moody's, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Rating set forth above except that the S&P Rating of such obligation will be (A) one subcategory below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Baa3" or higher and (B) two subcategories below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Ba1" or lower; *provided* that not more than 15.0% of the Collateral Principal Amount may consist of Collateral Obligations for which the S&P Rating is derived from a Moody's Rating pursuant to this clause (c);

(d) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Portfolio Manager on behalf of the Issuer or the issuer of such Collateral Obligation will, prior to or within 30 days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available Required S&P Credit Estimate

Information in respect of such application) to S&P for a credit estimate which will be its S&P Rating; *provided* that, until the receipt from S&P of such estimate, such Collateral Obligation will have an S&P Rating as determined by the Portfolio Manager in its sole discretion if the Portfolio Manager certifies to the Trustee that it believes that such S&P Rating determined by the Portfolio Manager is commercially reasonable and will be at least equal to such rating; *provided further* that, if such Required S&P Credit Estimate Information is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Obligation will have (1) the S&P Rating as determined by the Portfolio Manager for a period of up to 90 days after acquisition of such Collateral Obligation and (2) an S&P Rating of "CCC-" following such 90 day period; unless, during such 90 day period, the Portfolio Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; *provided, further*, that such confirmed or updated credit estimate will expire on the 12 month anniversary of such confirmation or update, unless confirmed or updated prior thereto;

(e) with respect to a DIP Collateral Obligation, if the S&P Rating cannot otherwise be determined pursuant to this definition, the S&P Rating of such Collateral Obligation will be "CCC-";

(f) with respect to a Collateral Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Obligation will at the election of the Issuer (at the direction of the Portfolio Manager) be "CCC-"; *provided* that, (i) the Portfolio Manager expects the obligor in respect of such Collateral Obligation to continue to meet its payment obligations under such Collateral Obligation, (ii) such obligor is not currently in reorganization or bankruptcy, (iii) such obligor has not defaulted on any of its debts during the immediately preceding two year period and (iv) at any time that more than 10% of the Collateral Principal Amount consists of Collateral Obligations with S&P Ratings determined pursuant to this clause (f), the Issuer will submit all available Required S&P Credit Estimate Information in respect of such Collateral Obligations to S&P; and

(g) if it is a Current Pay Obligation, the higher of (a) such obligation's issue rating and (b) "CCC";

provided that, (x) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch positive" by S&P, such rating will be treated as being one subcategory above such assigned rating, (y) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch negative" by S&P, such rating will be treated as being one subcategory below such assigned rating and (z) any reference to the S&P rating in this definition will mean the public S&P rating and will not include any private or confidential S&P rating unless (1) the obligor and any other relevant party has provided written consent to S&P for the use of such rating and (2) such rating is subject to continuous monitoring by S&P.

"Required S&P Credit Estimate Information" means S&P's "Credit FAQ: Anatomy Of A Credit Estimate: What It Means And How We Do It" dated January 14, 2021 (as the same may be amended or updated from time to time) and any other available information S&P reasonably requests in order to produce a credit estimate for a particular asset.

The Issuer and the Co-Issuer, for value received, hereby promises to pay to the Registered Holder of this Note or its registered assigns or nominees, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture.

The Issuer and the Co-Issuer promises to pay, in accordance with the Priority of Distributions, interest on the Aggregate Outstanding Amount of this Note on each Distribution Date and each other date that interest is required to be paid on this Note upon earlier redemption or payment at a rate per annum equal to the interest rate for this Note in the Note Details set forth above in arrears. Interest shall be calculated for the relevant Interest Accrual Period for this Note as provided in the Indenture. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable interest rate until paid as provided in the Indenture.

This Note will mature at par and be due and payable on the Stated Maturity unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. The payment of principal on this Note may only occur in accordance with the Priority of Distributions.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the Registered Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Record Date bears to the Aggregate Outstanding Amount of all Notes of the Class of Notes to which this Note forms a part on such Record Date.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Global Note as a result of exchanges and transfers of interests in this Global Note and principal payments shall be recorded in the records of the Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of the Notes (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments made on any Distribution Date or other date of redemption or other repayment shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note

will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The terms of Section 2.8(h) and Section 5.4(d) of the Indenture shall apply to this Note *mutatis mutandis* as if fully set forth herein.

This Note shall be issued in the Authorized Denominations set forth in the Note Details.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of this Note may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

The Holder of this Note agrees that it will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws.

Title to this Note will pass by registration in the Register kept by the Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Registrar, Transfer Agent or Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by either the Trustee or the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.

This Note may be executed or authenticated in any number of counterparts, each of which so executed or authenticated shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed counterpart of

this Note by electronic means (including email, Portable Document Format (PDF) File or facsimile) will be effective as delivery of a manually executed counterpart of this Note.

The Co-Issuers, for value received, hereby promise to pay to the Registered Holder of this Note or its registered assigns or nominees, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture.

The Co-Issuers promise to pay, in accordance with the Priority of Distributions, Interest Proceeds and Principal Proceeds on each Distribution Date, in an amount equal to the Holder's pro rata share of such proceeds, if any, subject to the Priority of Distributions set forth in the Indenture.

This Note will mature on the Stated Maturity, unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by redemption or otherwise and the final payments of principal, if any, will occur on that date. The payment of principal on this Note (x) may only occur after the Secured Notes are no longer Outstanding and (y) is subordinated to the payment on each Distribution Date of the principal and interest due and payable on the Secured Notes and other amounts in accordance with the Priority of Distributions; and any payment of principal of this Note that is not paid, in accordance with the Priority of Distributions, on any Distribution Date, shall not be considered "due and payable" for purposes of the Indenture.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Global Note as a result of exchanges and transfers of interests in this Note and principal payments shall be recorded in the records of the Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of the Notes (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by distributions made on any Distribution Date or other date of redemption or other repayment shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The terms of Section 2.8(h) and Section 5.4(d) of the Indenture shall apply to this Note *mutatis mutandis* as if fully set forth herein.

This Note shall be issued in the Authorized Denominations set forth in the Note Details.

If an Event of Default occurs and is continuing, the Secured Notes may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of the Secured Notes may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Registrar, Transfer Agent or Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

FORM OF ERISA CERTIFICATE

The purpose of this ERISA Certificate (this "Certificate") is, among other things, to (i) endeavor to ensure that less than 25% of the Aggregate Outstanding Amount of each Class of ERISA Restricted Notes issued by Logan CLO III, Ltd. (the "Issuer") and Logan CLO III, LLC (the "Co-Issuer") is held by "Benefit Plan Investors" as contemplated and defined under Section 3(42) of the U.S. Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and the U.S. Department of Labor's regulations set forth at 29 C.F.R. Section 2510.3-101, as modified by Section 3(42) of ERISA (the "Plan Asset Regulations"), so that the Issuer and the Co-Issuer will not be subject to the prohibited transaction provisions contained in Section 406 of ERISA and Section 4975 of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), (ii) obtain certain representations and agreements and (iii) provide certain related information with respect to the acquisition, holding or disposition of ERISA Restricted Notes.

Please be aware that the information contained in this Certificate is not intended to constitute advice and the examples given below are not intended to be, and are not, comprehensive. The Transferee should contact its own counsel if it has any questions in completing this Certificate. Capitalized terms not defined in this Certificate shall have the meanings ascribed to them in the Indenture, or if not defined therein, in the Offering Circular.

1. The funds that it is using or will use to purchase the ERISA Restricted Notes (or any interest therein) are assets of a person who is or at any time while the ERISA Restricted Notes (or any interest therein) are held by it will be (A) an "employee benefit plan" as defined in Section 3(3) of ERISA, subject to the fiduciary responsibility provisions of Title I of ERISA, (B) a "plan" described in Section 4975(e)(1) of the Code to which Section 4975 of the Code applies, or (C) an entity whose underlying assets are deemed to include "plan assets" by reason of an employee benefit plan's or a plan's investment in the entity within the meaning of the Plan Asset Regulations (each entity described in clause (C), a "Plan Asset Entity" and each employee benefit plan, plan and entity described in clauses (A), (B) and (C) a "Benefit Plan Investor"). Yes _____ No _____ (PLEASE CHECK EITHER YES OR NO).

If "Yes" is checked, please indicate the maximum percentage of the entity or fund that will constitute "plan assets" for purposes of Title I of ERISA or Section 4975 of the Code: _____%.

An entity or fund that cannot provide the foregoing percentage hereby acknowledges that for purposes of determining whether Benefit Plan Investors own less than 25% of the Aggregate Outstanding Amount of each Class of ERISA Restricted Notes, 100% of the assets of the entity or fund will be treated as "plan assets."

It is not the Issuer, the Co-Issuer, the Trustee, the Portfolio Manager or any other person (other than a Benefit Plan Investor) that has discretionary authority or control with respect to the assets of the Co-Issuers or a person who provides investment advice for a fee (direct or indirect) with respect to the assets of the Co-Issuers, or any "affiliate" (as defined in 29 C.F.R. Section 2510.3-101(F)(3)) of any such person (any such person, a "Controlling Person"). (PLEASE PLACE A CHECK IN THE FOLLOWING SPACE IF THE FOREGOING STATEMENT IS NOT ACCURATE:) _____.

If it is a Plan Asset Entity (including an insurance company investing through its general account as defined in PTCE 95-60), for so long as it holds the ERISA Restricted Notes (or any interest therein), no more than ____% of the assets of its investment will be deemed to be an investment of plan assets by a Benefit Plan Investor for purposes of calculating the 25% threshold under the significant participation test in accordance with 29 C.F.R. Section 2510.3-101(F) (as modified by Section 3(42) of ERISA) (such

calculation, the "25% Limitation"). **(Please provide percentage, if applicable). IF APPLICABLE AND NO PERCENTAGE IS INCLUDED IN THE BLANK SPACE, IT WILL BE COUNTED AS IF 100% WAS INCLUDED IN THE BLANK SPACE.**

On each day it holds the ERISA Restricted Notes (or any interest therein), if it is, or is acting on behalf of, a Benefit Plan Investor, its acquisition, holding and disposition of the ERISA Restricted Notes (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.

On each day it holds the ERISA Restricted Notes (or any interest therein), if it is a governmental, church or other plan, (i) it is not subject to any federal, state, local or other law or regulation that could cause the underlying assets of the Issuer or the Co-Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer, the Co-Issuer or the Portfolio Manager (or other persons responsible for the investment and operation of the Issuer's or the Co-Issuer's assets) to any Similar Laws and (ii) its acquisition, holding and disposition of the ERISA Restricted Notes (or any interest therein) will not constitute or result in a violation of Similar Laws.

It understands and acknowledges that (i) the Registrar of the Issuer will not recognize or register any transfer of ERISA Restricted Notes (or any interest therein) to a proposed transferee that has represented that it is a Benefit Plan Investor or a Controlling Person if (A) after giving effect to such proposed transfer, persons that have represented that they are Benefit Plan Investors would own 25% or more of the Aggregate Outstanding Amount of such Class of ERISA Restricted Notes, determined in accordance with the Plan Asset Regulations and the Indenture, assuming for this purpose that all representations (including deemed representations) made by holders of the ERISA Restricted Notes (or any interest therein) are true, (B) such transfer would constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Laws) or (C) the proposed transfer would result in a Benefit Plan Investor or a Controlling Person owning a beneficial interest in an ERISA Restricted Note in the form of a Global Note and (ii) no transfer of an ERISA Restricted Note (or any interest therein) may be made to a transferee that wishes to take delivery in the form of a Global Note that has represented that it is a Benefit Plan Investor or a Controlling Person. For purposes of the determination under clause (i), (x) the investment by a Plan Asset Entity shall be treated as plan assets for purposes of calculating the 25% Limitation with respect to any Class of ERISA Restricted Notes only to the extent of the percentage of its equity interests held by Benefit Plan Investors and (y) ERISA Restricted Notes (or any interest therein) held by Controlling Persons will be disregarded and will not be treated as outstanding.

It further acknowledges and agrees that the Indenture will entitle the Issuer to require it to dispose of the ERISA Restricted Notes (or any interest therein) as soon as practicable following notification by the Issuer of any change in the information supplied in this paragraph (1).

It understands that the representations made in this paragraph (1) will be deemed made on each day from the date hereof through and including the date on which it disposes of its ERISA Restricted Notes (or its interests therein).

It agrees that if any of the representations made in this paragraph (1) become untrue (including, without limitation, any percentage indicated above), it will immediately notify the Issuer and the Trustee and take any other action as may be requested by them.

It agrees to indemnify and hold harmless the Co-Issuers, the Trustee, the Initial Purchaser, the Co-Placement Agent and the Portfolio Manager and their respective Affiliates from any cost, damage, or loss incurred by them as a result of these representations being or being deemed to be untrue.

2. **Compelled Disposition.** It acknowledges and agrees that:

(i) if any representation that it made hereunder is subsequently shown to be false or misleading or it discovers a Holder or beneficial owner is a Non-Permitted Holder, the Issuer shall, promptly after such discovery (or upon notice to the Issuer from the Trustee if a Trust Officer of the Trustee makes the discovery (who, in each case, agrees to notify the Issuer of such discovery, if any)), send notice to such Non-Permitted Holder demanding that it transfer its interest to a person that is not a Non-Permitted Holder within 10 days after the date of such notice;

(ii) if it fails to transfer its ERISA Restricted Notes (or its interests therein) that are held in violation of (i) above, the Issuer shall have the right, without further notice, to sell such ERISA Restricted Notes (or interests therein) to a purchaser selected by the Issuer;

(iii) the Issuer (or its agent) may select the purchaser by soliciting bids from one or more brokers or other market professionals that regularly deal in securities similar to the ERISA Restricted Notes, and sell such ERISA Restricted Notes (or interests therein) to the highest bidder, subject to the bidder satisfying the transfer restrictions set forth in the Indenture;

(iv) if the procedures in clause (iii) above do not result in any bids from qualified investors, the Issuer may select a purchaser by any other means determined by it in its sole discretion;

(v) it agrees to cooperate with the Issuer to effect such transfers;

(vi) the proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to it; and

(vii) the terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and the Issuer, the Portfolio Manager and the Trustee shall be not liable to it as a result of any such sale or the exercise of such discretion.

3. **Required Notification and Agreement.** It hereby understands and agrees that it will not transfer any ERISA Restricted Notes (or any interest therein) to a Benefit Plan Investor or a Controlling Person in the form of a Global Note.

4. **Continuing Representation; Reliance.** It acknowledges and agrees that the representations contained in this Certificate shall be deemed made on each day from the date it makes such representations through and including the last date on which it disposes of any of its ERISA Restricted Notes (or its interests therein). It understands and agrees that the information supplied in this Certificate will be used and relied upon by the Issuer to determine that Benefit Plan Investors own or hold less than 25% of the Aggregate Outstanding Amount of each Class of ERISA Restricted Notes.

5. **Further Acknowledgement and Agreement.** It acknowledges and agrees that (i) all of the assurances contained in this Certificate are for the benefit of the Issuer, the Trustee, the Initial Purchaser, the Co-Placement Agent and the Portfolio Manager as third party beneficiaries hereof, (ii) copies of this Certificate and any information contained herein may be provided to the Issuer (and its authorized agents), the Trustee, the Initial Purchaser the Portfolio Manager, affiliates of any of the foregoing parties and to each of the foregoing parties' respective counsel for purposes of making the determinations described above and (iii) any acquisition or transfer of ERISA Restricted Notes (or any interest therein) that is not in accordance with the provisions of this Certificate will be null and void from the beginning, and of no legal effect.

6. **Future Transfer Requirements; Transferee Letter and its Delivery.** It acknowledges and agrees that it may not transfer any ERISA Restricted Notes represented by Certificated Notes to any person that wishes to hold its interest in the form of a Certificated Note unless the Trustee has received a certificate substantially in the form of this Certificate. Any attempt to transfer in violation of this section will be null and void from the beginning, and of no legal effect.
